This book gives new insight on many common questions about meditation and offers useful guidelines on how to practice, interspersed with subtly humorous stories. It clarifies the nuances of mantra meditation and, almost uniquely for a book of this kind, gives us a glimpse into the social dimensions of genuine spirituality.

Don't Close Your Eyes Embla Books

Stay up all night with this New York Times bestselling romantic suspense story from the “queen of supernatural thrillers” (Kirkus Reviews). Janie Hannagan lives on the fringe, cursed with an ability she doesn’t want and can’t control: She gets sucked into other people’s dreams. Things go from bad to worse when Janie is sucked into a chilling nightmare—and for the first time, Janie is more than a witness to someone else’s twisted psyche. She is a participant. Janie discovers that local burnout Cabel is the person having the nightmares—and that Cabel is hiding a few secrets of

his own. As these two outsiders come together to learn more about how to harness Janie’s ability, they also find themselves growing ever closer...

The Last Leaf Simon & Schuster Books for Young Readers

The number one cause of insomnia is fear of insomnia. You toss and turn at night, trying to quiet your thoughts enough to fall asleep. Or you wake up hours before your alarm and stare at the ceiling, hoping that this time you'll manage just a little bit more rest before sunrise. Either way, it's actually your fear of not getting enough sleep that's keeping you awake. The only way to finally get a good night's sleep is to retrain your subconscious mind and eliminate that fear. Grace Smith, world-renowned hypnotherapist and author of *Close Your Eyes, Get Free*, has helped hundreds of people do exactly that. Using the phenomenally successful power of hypnosis, *Close Your Eyes, Sleep* teaches you to access your subconscious and get your long-needed rest. The first step is learning the tools to block out your anxieties to fall asleep quickly and easily at any time of night. But hypnotherapy can take you farther than that: you'll discover how to proactively attack the causes of sleepless nights, ridding yourself of restlessness altogether and achieving the

deep, restorative sleep you deserve.

Evie, Nic and Becca are wannabe writers. The three friends are members of a creative writing group and they decide to enter a national competition. But while they ponder their plots and agonise about their characters, their own lives are going far from smoothly. Evie's still pining for the husband who left her for a younger woman and is relying increasingly on clairvoyant Zelda. But who is Zelda really? Nic's battling a drink problem and is in despair about her workaholic husband who is addicted to his laptop. A shocking discovery shakes her to the core, but will she realise in time that she must stop protecting him? Becca's a City highflyer who seems to have everything - until a childhood friend turns up, threatening to expose the secret she's kept buried for nearly thirty years. How will her marriage, her children, her friendships survive it? And on top of that there's a deadline. The women have just eleven months to complete their manuscripts. Who will win the competition - and can there be any real-life happy endings?

For seventeen-year-old Janie, getting sucked into other people's dreams at any given moment is getting tired. Especially the falling dreams, and the standing-in-front-of-the-class-naked ones. But then there are the nightmares, the ones that chill her to the bone... like the one where she is in a strange house...in a dirty kitchen...and a sinister monster that edges ever closer. This is the nightmare that she keeps falling into, the one where, for the first time, Janie is more than a witness to someone else's twisted psyche. She is a participant...

Don't Close Your Eyes Independently Published

A juicy, powerful read featuring twin sisters who have drifted apart, and the shocking family secrets that bind them—for readers of *The Woman in Cabin 10* and *I Let You Go* When the past knocks, someone must answer. In a bustling suburban neighborhood in Manchester, England, sits an unassuming house. There is no sign of life behind the unwashed windows, but Robin Marshall is inside. Driven by fears and obsessions, racked by anxiety, Robin is frantically pushing her body through punishing workouts, eating little, haunted by what happened to her family when she was a girl. Robin's only connection to the outside world is through her rear windows and the lives she spies upon in the apartment house across the way. Then a stranger starts pounding on her door. Sarah Marshall is Robin's twin, estranged from her sister after their parents' betrayal and a violation at the hands of a man she should have been able to trust. Sarah has recently lost custody of the child she loves more than anything and has set off on her own, hoping that somewhere in England she can find Robin, the braver twin, the rock star, the survivor, the savior. These two young women, polar opposites, cannot go on unless they reckon with the past. While Sarah, slowly unraveling, searches for her sister's hiding place, Robin sees another life hanging in the balance in the lighted windows across the street. It is a life only Robin can save—as long as she never looks away. In a novel that is stunning in its twists, shocks, and gripping psychological suspense, two sisters find themselves on the razor's edge of sanity. Untold secrets, a ghastly lie, and suffocating guilt hold them back. Only one astounding act can set them free. And one last revelation will leave readers gasping in surprise. Praise for *Don't Close Your Eyes* “[A] smartly plotted

psychological thriller . . . [Holly] Seddon skillfully pieces together the now-estranged twins' lives. . . . Plenty of last-minute bombshells await.”—Publishers Weekly Praise for Holly Seddon's *Try Not to Breathe* “A razor-sharp, fast-paced plot and wonderfully complex characters . . . Not since *The Girl on the Train* have I been so captivated by a work of suspense.”—Tess Gerritsen, *New York Times* bestselling author of *I Know a Secret* “Delivers the high-quality thrills and intriguing characters that readers demand in the best of psychological thrillers.”—Associated Press “A fast-paced debut about long-buried secrets and tangled truths.”—Kimberly McCreight, *New York Times* bestselling author of *Where They Found Her* “Try not to breathe, try not to make plans, try not to commit to anything in fact till you have finished [Holly Seddon's] debut novel, because we must warn you now—you'll be fully hooked from page one.”—*Glamour* (U.K.) “Fascinating . . . Seddon's storytelling skills are strong and the book is engrossing.”—Kirkus Reviews “A brilliant, beautifully written thriller.”—Augusten Burroughs, *New York Times* bestselling author of *Running with Scissors* “This gripping thriller about family and redemption will keep readers engaged to the very end.”—Publishers Weekly *Never Close Your Eyes* Zebra Books

DON'T LOOK At first, they struggle to escape. Then a torrent of blows rains down upon their bodies until their eyes cloud over in final agony. The killer shows no remorse—just a twisted need to witness each victim's last terrified moments. *DON'T SPEAK* Public defender Rachel Wainwright is struggling to reopen a decades-old case, convinced that the wrong man is in prison. Homicide detective Deke Morgan doesn't want to agree. But if Rachel's hunch is correct, whoever fatally bludgeoned young, beautiful Annie Dawson thirty years ago could be the source of a new string of brutal slayings. *JUST PREPARE TO DIE* Rachel's investigation is about to reveal answers—but at a price she never thought to pay. Now she's become the target of a rage honed by years of jealousy and madness. And a murderer is ready to show her just how vicious the truth can be . . .

Don't Close Your Eyes St. Martin's Paperbacks

A heartbreaking, wildly inventive, and moving novel narrated by a teenage runaway, from the bestselling author of *Midwives* and *The Sandcastle Girls*. *Close Your Eyes, Hold Hands* is the story of Emily Shepard, a homeless teen living in an igloo made of ice and trash bags filled with frozen leaves. Half a year earlier, a nuclear plant in Vermont's Northeast Kingdom had experienced a cataclysmic meltdown, and both of Emily's parents were killed. Devastatingly, her father was in charge of the plant, and the meltdown may have been his fault. Was he drunk when it happened? Thousands of people are forced to flee their homes in the Kingdom; rivers and forests are destroyed; and Emily feels certain that as the daughter of the most hated man in America, she is in danger. So instead of following the social workers and her classmates after the meltdown, Emily takes off on her own for Burlington, where she survives by stealing, sleeping on the floor of a drug dealer's apartment, and inventing a new identity for herself -- an identity inspired by her favorite poet, Emily Dickinson. When Emily befriends a young homeless boy named Cameron, she protects him with a ferocity she didn't know she had. But she still can't outrun her past, can't escape her grief, can't hide forever—and so she comes up with the only plan that she can. A story of loss, adventure, and the search for friendship in the wake of catastrophe, *Close Your Eyes, Hold Hands* is one of Chris Bohjalian's finest novels to date—breathtaking, wise, and utterly transporting.

Close Your Eyes, Sleep St. Martin's Press

The ultimate myth-busting collection of quirky and curious facts about your body and health In 2009, Drs. Aaron E. Carroll and

Rachel C. Vreeman explored a wide range of myths and misconceptions about our bodies and health in the media sensation, *Don't Swallow Your Gum!*, featured on The Dr. Oz Show, CNN, and in The New York Times, USA Today, and more. Now, they're delving into a whole new collection of myths based on the latest scientific research, including: • Eggs give you high cholesterol. • You should stretch before you exercise. • Kids in day care catch more colds. • Sit-ups or crunches will flatten your stomach. • A glass of warm milk will put you to sleep. With a perfect balance of authoritative research and breezy humor, *Don't Cross Your Eyes . . . They'll Get Stuck That Way!* exposes the truth behind all of the things you thought you knew about your health, your well-being, and how the body works.

From the team behind the hilariously adorable classic *Next to You* comes a winsome new read-aloud to inspire sweet dreams.

You Can Close Your Eyes to Things You Don't Want to See, But You Can't Close Your Heart to Things You Don't Want to Feel. Createspace Independent Publishing Platform

“To hear silence is to find stillness in the midst of the restlessness that makes creative life possible and the inescapability of death acceptable.” So writes Mark C. Taylor in his latest book, a philosophy of silence for our nervous, chattering age. How do we find silence—and more importantly, how do we understand it—amid the incessant buzz of the networks that enmesh us?

Have we forgotten how to listen to each other, to recognize the virtues of modesty and reticence, and to appreciate the resonance of silence? Are we less prepared than ever for the ultimate silence that awaits us all? Taylor wants us to pause long enough to hear what is not said and to attend to what remains unsayable. In his account, our way to hearing silence is, paradoxically, to see it. He explores the many variations of silence by considering the work of leading modern and postmodern visual artists, including Barnett Newman, Ad Reinhardt, James Turrell, and Anish Kapoor. Developing the insights of philosophers, theologians, writers, and composers, Taylor weaves a rich narrative modeled on the Stations of the Cross. His chapter titles suggest our positions toward silence: Without. Before. From. Beyond. Against. Within. Between.

Toward. Around. With. In. Recasting Hegel’s phenomenology of spirit and Kierkegaard’s stages on life’s way, Taylor translates the traditional *Via Dolorosa* into a Nietzschean *Via Jubilosa* that affirms light in the midst of darkness. *Seeing Silence* is a thoughtful meditation that invites readers to linger long enough

to see silence, and, in this way, perhaps to hear once again the wordless Word that once was named “God.”

Don't Close Your Eyes MIRA

For most of her life, Lauren Mahdian has been certain of two things: that her mother is dead, and that her father is a murderer. Before the horrific tragedy, Lauren led a sheltered life on the banks of Long Island Sound, a haven of luxurious homes and seemingly perfect families. But one morning, eight-year-old Lauren and her older brother awoke to discover their mother’s body and their beloved father arrested for the murder. Years later, Lauren is surrounded by uncertainty. Startling revelations force her to peek under the floorboards of her carefully constructed memories, put aside the version of history that she has clung to so fiercely, and search for the truth of what really happened that fateful night long ago. BONUS: This edition includes a *Close Your Eyes* discussion guide.
