**The Garage Sale Millionaire** Createspace Independent Publishing Platform

The Garage Sale Gal's Guide to Making Money Off Your Stuff is a handy book chock-full of how-tos, what to do, and pitfalls to avoid in selling (and buying) your stuff. Hammond gives advice on organizing and profiting from your own garage sales, how to successfully buy from other garage sales, the value of appraisals, and negotiating with pawn shops, estate sales, antique and consignment stores, flea markets, and online sources such as eBay, Craigslist, and Etsy. If you have something to sell, this is the book to help you do it.

*The Garage Sale How-To Guide* Speedy Publishing LLC

Making Money with Garage Sales! Is your home bursting at the seams with "stuff"? Is every closet crammed so full that any one of them is a death trap waiting to be opened? Has it been years since the last time you parked the car in the garage? Never fear, help is on the way. You need to get rid of some of that "stuff." Don't you dare call it junk. Remember, one man (or woman's) trash is another one's treasure! You may be sitting on a gold mine and not even know it! Solving your clutter problem is as simple as having a garage sale. Not only will you solve your problem but you just might be surprised at how much you make by selling your "stuff!" We said having a garage sale is "simple." It is, but there are steps you can take to insure that your sale will reap tremendous rewards. That's where we come in. "Making Money With Garage Sales" is just the ticket for learning how to squeeze every dime out of that "stuff" that you were ready to toss! Find out everything you need to know to turn this project into the best little money making project you have ever had. And, end up with a sparkling clean house to boot! Just take a look at what you can learn to make your sale profitable: Preparation How to identify profit pills Creating a system Finding stuff Cleaning your stuff Labeling the items How to set your prices Best time to have your sale Handling the money Advertising your sale Tips and Tricks Shoppers Guide Written in plain English "Making Money With Garage Sales" will answer all the questions you may have in order to prepare for your garage sale. The purpose of our guide is to do just that. Give you an over view of how to insure that your garage sale is everything you can possibly wish for and wildly successful! Anyone can take their "stuff" to the dump or give it away to charity and that is a noble cause. However, chances are you may have paid a pretty penny for some of that "stuff" that has outlived its' usefulness. There is absolutely nothing wrong with wanting to maximize your investments. There will always be opportunities to donate especially after your sale. Just learning how to price your items properly is worth it's weight in gold! All too often people under value their items. Learning how to create a system just might put you in a mind set to consider having garage sales more frequently. It's the ultimate in "work at home" opportunities! If you seriously need to scale back on some of your clutter then "Making Money With Garage Sales" is just what you need to accomplish that goal and make some money too! Or maybe it isn't even the money. Maybe you are just looking for a way to reorganize your home and have a little fun while you do it. Regardless of your motivation and goals, turning your trash into someone else's treasure will reap rewards! And, "Making Money With Garage Sales" is just what you need to do it!

*The Ex-Boyfriend Yard Sale* Dissertation.com

The garage sale, the yard sale, the rummage sale...It makes just as much sense now to hold one; it's just as much fun as to attend one. Garage sales make sense because they can make you money. Rather than throw out your old cluttering mess, or allowing it to fester and take up space in your home, with a bit of hard work and planning, you can transform that mess into a nice little stack of bills.

*Everything You Need to Know about Garage & Yard Sales* John Wiley & Sons

For years garage sale trainer Dan Blakely has been helping people easily supplement their income by going to Garage sales! This is not a small book, it is complete and covers a very wide range of

profit opportunities. With so much demand for his services he has finally agreed to write a book to expand his expertise to whomever wants to learn. If you have wondered how some people make a lot of money on eBay and Amazon then this is definitely the one you want, it is not a small quick how to book, rather, this is a very complete and detailed book but one written in a simple and to the point manner. You will learn just about EVERYTHING from A to Z to easily start and maintain a money-making business and/or hobby. Just look inside and check out the table of contents and you will agree, this IS the COMPLETE guide! There are a lot of books on the market about how to have a garage sale and yes some about making money buying at them but many of these books can be limited in their information. There is just SO MUCH opportunity out there; Antiques, vintage stuff from the 70's and 80's, CD's, Book's and the list goes on. However, to succeed at this, having the right systems, information and tools is critically important. This book provides valuable insights into successfully mastering the world of these sales. First, how to find and negotiate the best price for objects of value and, second, how to easily resell those same objects on eBay and Amazon for a nice profit. Beginning with a section titled "How to Use This Book," the author instructs his readers on how to maximize their efforts, how to discern what is worth buying (and, as importantly, what isn't). He also discusses many other very valuable perks to attending garage, yard and estate sales like finding high end clothes or even just general household items for your own or use which translates into a huge savings of money. This is also a great opportunity to start your own collection of antiques and collectibles which is both fun and an unbelievably good investment. Once the buyer has secured his or her bargains, the author walks the reader through an easy step-by-step system to resell those items for a great profit without spending a whole lot of time. Dan Blakely also helps his readers find their own personal niche. Using individual knowledge, the reader already possesses, to dominate those sales. For instance, let's say you know quite a bit about clothing, designer and vintage for example, well there are literally oodles of clothing to be had for next to nothing. Another niche that anyone can easily learn is how to buy books for next to nothing and re-sell them on Amazon. This alone can be a great profit center to supplement your income. This guide brims with nuts-and-bolts advice. For example, there is a chapter on how to organize your self without taking up too much room in your home and the middle of the book is devoted to instructing the reader on finding value in common items, such as DVDs, CDs. Dive into this can't-miss program for a steady second income or a fun new money-making hobby! Whatever you choose, buying at garage sales is a great opportunity!

*101 MORE Items To Sell On Ebay* Gibbs Smith

In this sequel to her highly successful first book 101 Items To Sell On Ebay: How To Make Money Selling Garage Sale & Thrift Store Finds, author and Ebay Power Seller Ann Eckhart shares an additional 101 things you can find secondhand to resell on Ebay! **The Essential Guide to a Successful Garage Sale** Lulu.com

Anything that you want, you will eventually find as a garage sale explorer. Buyers look for treasures at bargain prices, while sellers want to make money selling unwanted items. If you are a seller, Explorer's Guide to Garage Sales discusses advertising, planning a sale, setting up, pricing, and negotiating. If you are a buyer, the book focuses on your experience, from where to park, how to check out whether a sale is worth stopping for, finding an address, what to look for an ad, what to say when bargaining, figuring out who the money person is, and when to walk away. The authors describe typical and unusual items found at garage sales and offer suggestions to buyers and sellers on how to handle them. Throughout the book, the authors share humorous stories from decades of exploration for garage sale treasurers.
