THIS SYSTEM IS RIGGED... Man...whoever thought being a god would make life easy needs a serious reality check. I mean, I offed humanity's champion, then I hacked into the world's System to literally erase the pesky Hero title once and for all, but I still can't catch a break. Now Yamada's inherited his brother's title, and it looks like he and the other reincarnations are on their way to the elf village juuust when the demon army is looking to conquer it. Ugh, this is becoming way too big a headache...Time for plan B. I think I'll have a little "chat" with Sariel.

Dragon Ball (3-in-1 Edition), Vol. 1 Seven Seas Entertainment

A War Without CasualtiesThe Republic of San Magnolia has long been under attack from the neighboring Giadian Empire's army of unmanned drones known as the Legion. After years of painstaking research, the Republic finally developed autonomous drones of their own, turning the one-sided struggle into a war without casualties-or at least, that's what the government claims.In truth, there is no such thing as a bloodless war. Beyond the fortified walls protecting the eighty-five Republic territories lies the "nonexistent" Eighty-Sixth Sector. The young men and women of this forsaken land are branded the Eighty-Six and, stripped of their humanity, pilot the "unmanned" weapons into battle...

Good Job, George! VIZ Media LLC

From the bestselling author of *Fancy Nancy* comes a book about George, a little boy who is always eager to help! From the bestselling duo Jane O'Connor and Andrew Joyner comes a story about George, who is a very helpful boy. He feeds his dog, Pogo, and helps around the house. It's no surprise everyone's always saying, "Good job, George!" When his parents decide to paint a room in their house, he knows it is the perfect job for him. But the painting doesn't go as planned for George, when a very hungry Pogo has different plans. Good Job, George is perfect for little helpers; whether they're in the classroom or in the house, children and adults alike will find George endearing and relatable.

That Time I Got Reincarnated as a Slime, Vol. 1 (light novel) Grasindo

The processing of fruits continues to undergo rapid change. In the Handbook of Fruits and Fruit Processing, Dr. Y.H. Hui and his editorial team have assembled over forty respected academicians and industry professionals to create an indispensable resource on the scientific principles and technological methods for processing fruits of all types. The book describes the processing of fruits

from four perspectives: a scientific basis, manufacturing and engineering principles, production techniques, and processing of individual fruits. A scientific knowledge of the horticulture, biology, chemistry, and nutrition of fruits forms the foundation. A presentation of technological and engineering principles involved in processing fruits is a prelude to their commercial production. As examples, the manufacture of several categories of fruit products is discussed. The final part of the book discusses individual fruits, covering their harvest to a finished product in a retail market. As a professional reference book replete with the latest research or as a practical textbook filled with example after example of commodity applications, the Handbook of Fruits and Fruit Processing is the current, comprehensive, yet compact resource ideal for the fruit industry.

Jake Blatowski can't wait for high school--basketball, calculus, and a cafeteria that isn't under investigation by the health department. But he'll have to wait: A computer malfunction has assigned him to the fifth grade! It's bad enough that he bangs his knees on the desks or that Miss Percy is going over long division . . . again . . . but Jake has to sit next to Dana Volt, a perpetually surly troublemaker determined to make his life a living hell. Worse yet, Dana secretly belongs to a coalition of girls that protects humanity from the horde of deadly monsters plaguing the city--monsters that have chosen Jake as their next target! Jake's no hero; he just wants to make it to varsity tryouts. But now the impulsive and moody Dana is the only one who can save Jake from certain death--and Jake is the only one who can save Dana from herself.

The Sema Nagas FAKKU

Akira Toriyama's groundbreaking, iconic, best-selling series now in an omnibus edition! Dragon Ball introduces a young monkey-tailed boy named Goku (a wry update of the classic Chinese "Monkey King" legend), whose quiet life changes when he meets a girl named Bulma who is on a quest to collect seven "Dragon Balls." If she gathers them all, an incredibly powerful dragon will appear and grant her one wish. But the precious orbs are scattered all over the world, and Bulma could use the help of a certain super-strong boy... Legend has it that if all seven of the precious orbs called "Dragon Balls" are gathered together, an incredibly powerful dragon god will appear to grant one wish. Unfortunately, the orbs are scattered across the world, making them extremely difficult to collect. Enter 16-year-old Bulma, a scientific genius who has constructed a radar to detect the exact locations of the Dragon Balls. She's on a mission to find all seven orbs, but first she must convince young Son Goku to join her on her quest. With a monkey tail, superhuman strength and a magic staff for a weapon, Son Goku is ready to set out on the adventure of a lifetime...
