**Tudors Picture Book** Random House Trade Paperbacks  
 A highly illustrated picture book featuring photographs and portraits of British kings and queens from the 10th century to the present day. Children can wander through a gallery of monarch-themed pages, which include the Tudors, Stuarts, Hanoverians, Queen Victoria and Britain's longest reigning monarch, Queen Elizabeth II.

**Thomas Cromwell** Bloomsbury Publishing

Tudors and Stuarts

*Story of Britain* History of Britain

"An exceptional and compelling biography about one of the Tudor Age's most complex and controversial figures." —Alison Weir  
 Thomas Cromwell has long been reviled as a Machiavellian schemer who stopped at nothing in his quest for power. As King Henry VIII's right-hand man, Cromwell was the architect of the English Reformation; secured Henry's divorce from Catherine of Aragon and plotted the downfall of his second wife, Anne Boleyn; and was fatally accused of trying to usurp the king himself. In this

engrossing biography, acclaimed British historian Tracy Borman reveals a different side to one of history's most notorious characters: that of a caring husband and father, a fiercely loyal servant and friend, and a revolutionary who was key in transforming medieval England into a modern state. Thomas Cromwell was at the heart of the most momentous events of his time—from funding the translation and dissemination of the first vernacular Bible to legitimizing Anne Boleyn as queen—and wielded immense power over both church and state. The impact of his seismic political, religious, and social reforms can still be felt today. Grounded in excellent primary source research, Thomas Cromwell gives an inside look at a monarchy that has captured the Western imagination for centuries and tells the story of a controversial and enigmatic man who forever changed the shape of his country. "An intelligent, sympathetic, and well researched biography." —The Wall Street Journal "Borman unravels the story of Cromwell's rise to power skillfully . . . If you want the inside story of Thomas Cromwell . . . this is the book for you." —The Weekly Standard "An engrossing biography. . . . A fine rags-to-riches-to-executioner's-block story of a major figure of the English Reformation." —Kirkus Reviews "An insightful biography of a much-maligned historical figure." —Booklist

*Looking at History* Open Road + Grove/Atlantic

Beginning with early Britain and the building of Stonehenge, this book takes the reader on a journey from the Crusades and the Black Death through to the golden age of the Tudors and Stuarts.

#### **History of Britain** PublicAffairs

This looks at the dynasties of the Tudors and the Stuarts and their impact on English history. They're suitable for younger audiences too. From the preface: "As in the other books in this series, the aim has been to select for detailed description the great men and outstanding events, and to make them live again in the imagination of the pupils. And to aid this purpose, special attention is paid to social history. The Tudor Period is admittedly a difficult one for children. Attention has been focused on the simpler aspects of the Reformation, such as the use of the English Bible and Service Book, and the relation of the Church to the Sovereign. The greatest political drama in our history—the struggle between the Stuarts and Parliament—is here presented with a fullness and vividness which it deserves in a book intended for the future citizens of a democratic country and a great empire. No period of history is richer in lessons for the future citizen; and every care has been taken to make plain the meaning and work of Parliament, Cabinet, Party Government, etc., and to show the tiny beginnings of our empire. The great Civil War is the most important war ever fought on our soil; and moreover it has left traces in almost every part of the country. It is probably the events which happened in their own neighborhood that the children will best remember. The children should be taught to use the Maps, the Genealogical Tables, the Table of Chief Dates, and the Index for reference and revision purposes. The dynastic outline in the Table on p. 22 will help to explain the numerous plots and beheadings which show the grim side of Tudor rule. Numerous contemporary portraits, prints and coins have been drawn upon for the illustrations, and the facilities afforded by the authorities of the British Museum for this purpose are acknowledged with gratitude."

#### **Tudors and Stuarts** Wayland

Covers the major events and important people of the Tudor and Stuart periods.; Henry VII (seventh) - Henry VIII (eighth) - The Mary Rose - Edward VI (sixth) - Mary I - Elizabeth I (first) - Mary, Queen of Scots - Gunpowder Plot - The Plague - Fire of London - Oliver Cromwell.

#### *Life in Tudor Times* Dufour Editions

NAMED ONE OF THE BEST BOOKS OF THE YEAR BY RT BOOK REVIEWS Perfect for fans of Philippa Gregory, Alison Weir, and Showtime's *The Tudors*, *The Boleyn King* is the first book in an enthralling trilogy that dares to imagine: What if Anne Boleyn had actually given Henry VIII a son who grew up to be king? Just seventeen years old, Henry IX, known as William, is a king bound by the restraints of the regency yet anxious to prove himself. With the French threatening battle and the Catholics sowing the seeds of rebellion at home, William trusts only three people: his older sister Elizabeth; his best friend and loyal counselor, Dominic; and Minuette, a young orphan raised as a royal ward by William's mother, Anne Boleyn. Against a tide of secrets, betrayal, and murder, William finds himself fighting for the very soul of his kingdom. Then, when he and Dominic both fall in love with Minuette, romantic obsession looms over a new generation of Tudors. One among them will pay the price for a king's desire, as a shocking twist of fate changes England's fortunes forever. Includes a preview of Laura Andersen's *The Boleyn Deceit* Praise for *The Boleyn King* "Imaginative . . . Andersen focuses on creating an exciting, action-driven plot containing strong doses of both intrigue and romance. Tudor-era historical fiction fans who are willing to accept the unusual premise will be rewarded with

an original and entertaining read that's reminiscent of the best of Philippa Gregory."—Library Journal (starred review) "Gripping . . . Andersen delves into an alternative Tudor England geared to rivet period fans and newcomers alike. . . . Perfect for Philippa Gregory fans."—Booklist (starred review) "A surprising gem and a thoroughly enjoyable read."—Historical Novels Review "Andersen's novel, alive with historical flair and drama, satisfies both curious and imaginative Tudor aficionados. . . . Her multidimensional characters are so real that readers will wish it was history and eagerly await the next in the trilogy."—RT Book Reviews (Top Pick) "A wonderfully imaginative and well-written tale of intrigue, high court politics and desperate love."—Deseret News " 'What if . . . ' With these tantalizing words, Laura Andersen creates a fresh and vividly realized alternative world where Anne Boleyn not only lives, but also gives birth to a healthy son who will become King. With the introduction of Minuette, Princess Elizabeth's lady-in-waiting, we meet an extraordinary young woman who embodies love and loyalty, and who fights to find the humanity at the heart of the most glamorous—and dangerous—court in Europe."—Susan Elia MacNeal, author of *Mr. Churchill's Secretary* "Full of intrigue, conspiracies, and the accurate details so essential to good historical fiction . . . Anyone who has even the slightest fascination with the Tudors will want to devour this delectable novel in a single sitting."—Tasha Alexander, New York Times bestselling author of *Death in the Floating City* Look for special features inside. #### **History of Britain and Ireland** Weidenfeld & Nicolson

Readers will delight in the dreadful details of Tudor life - from cruel kings and queens like horrible Henry VIII to poor peasants and common criminals - in the *Terrible Tudors*. *The Slimy Stuarts* is full of foul but fascinating facts about lousy life for the plague-ridden Stuarts, revolting Roundheads and crafty Cavaliers. With curious quizzes, gruesome games and terrible tests, history is now in a horrible new edition!

#### *History of Britain* E.D.C. Publishing

The first in the new *Discovery Britain* series, this book describes one of the most absorbing and dramatic periods in British history. Illustrated with paintings, maps, cutaways and photographs; this book presents a vivid picture of life at that time. Benefiting from Internet linking, this book contains a selection of recommended web-sites which enhance the information in the book, but for anyone who does not have use of the Internet, it stands as a reference tool on its own.

#### **Oxford Illustrated History of Tudor and Stuart Britain, The** Heinemann Educational Publishers

Library Friendly Edition of original- From battles and beheadings, to plots and plague, this book tells the story of life in Britain under the Tudors and Stuarts.

#### *The Course of British History: Tudors and Stuarts* . 1987 Pan Macmillan

Part of the ROYAL HISTORY OF ENGLAND series, this illustrated volume details the monarchs during the Stuart dynasty, from James I & VI, 1603-25 through to Anne, 1702-14 where the line ended as all her thirteen children predeceased her. There is a genealogical table and coats of arms for reference.

#### *Tudors and Stuarts* CreateSpace

The heroes and villains, triumphs and disasters of English history are instantly familiar—from the Norman Conquest to Henry VIII, Queen Victoria to the two world wars. But to understand their full significance we need to know the whole story. A *Short History of England* sheds new light on all the key individuals and events in English history by bringing them together in an enlightening account of the country's birth, rise to global prominence, and then partial eclipse. Written with flair and authority by Guardian

columnist and LondonTimes former editor Simon Jenkins, this is the definitive narrative of how today's England came to be. Concise but comprehensive, with more than a hundred color illustrations, this beautiful single-volume history will be the standard work for years to come.

*The Tudors and Stuarts* Penguin

Film can be an invaluable teaching resource. *Tudors and Stuarts on Film* provides analyses of films about the Tudor and Stuart period from leading historians. The accuracy of each film is assessed, and they are also placed within the context of the period in which they were made, and the influence they have had on popular conceptions of early modern England.

Spanning 500 years of British history, a revealing look at the secret lives of some great (and not-so-great) Britons, courtesy of one of the world's most engaging royal historians Beleaguered by scandal, betrayed by faithless spouses, bedeviled by ambitious children, the kings and queens of Great Britain have been many things, but they have never been dull. Some sacrificed everything for love, while others met a cruel fate at the edge of an axman's blade. From the truth behind the supposed madness of King George to Queen Victoria's surprisingly daring taste in sculpture, Behind the Palace Doors ventures beyond the rumors to tell the unvarnished history of Britain's monarchs, highlighting the unique mix of tragedy, comedy, romance, heroism, and incompetence that has made the British throne a seat of such unparalleled fascination. Featuring: • stories covering every monarch, from randy Henry VIII to reserved Elizabeth II • historical myths debunked and surprising "Did you know . . . ?" anecdotes • four family trees spanning every royal house, from the Tudors to the Windsors

**Tudors and Stuarts** Ballantine Books

A social history of Great Britain during the reigns of the Tudor and Stuart monarchs.
