Auto-Urine Therapy known as "Shivambu" is an ancient method of treatment, which has been continuing from generation to generation. In the ancient days, many sages and rishimunis followed and practiced urine therapy. Lord Shiva himself recommended the action and ritual of Shivambu Kalpa to Mother Parvati mentioned in ancient book Damar Tantra. The powerful practice for healing, Auto-Urine Therapy, has been referred to as "Shivambu Kalpa

Vidhi" in 5000-year-old documents called Damar Tantra in the Vedas. God has given a wonderful gift to man, his own water - Shivambu. Shiv means beneficial and salubrious, and Ambu means water. The combined Sanskrit word is Shivambu (beneficial water). They termed Shivambu as the holy liquid. This book is published to enlighten everyone who is diagnosed with cancer to adopt Urine Therapy before going for surgery or chemotherapy. It is safe and does not have any side effects. It can prevent and control/cure cancer. It is free of cost and can be practiced at home. People living with diabetes can cure diabetes by adopting Urine Therapy.

COVER OF THE
PAPERBACK EDITION:

Yoga opens the doorway between our outer and inner reality, leading us to Oneness and Joy in all aspects of life. Our nervous system is the doorway...Advanced Yoga Practices (AYP), Volume 2 refines and enhances the core practices presented in the first volume, and provides plain English instructions for new practices designed to cultivate middle and end stage development on the path of human spiritual transformation. Additional practices include advanced

applications of samyama, diet, shatkarmas, amaroli, non-dual self-inquiry, bhakti and karma yoga, and a variety of approaches for building and managing a progressive and stable practice routine. Volume 2 does not stand alone, relying on the first volume as a foundation, and building on it. There are nearly 200 additional lessons here for assisting the serious practitioner to realize a life filled with abiding inner silence, ecstatic bliss, outpouring divine love, and unity. What readers are saying as they make use of the AYP lessons: "It's almost a science. You do the practices and progress as predicted." - MA "As a physician, it is moving to see the

effects on medical conditions." - KC"I will be adding AYP to my class offerings to cover the whole of yoga." - MR"Far above and beyond all other yoga writings I have encountered." - KG"A growing inquiry in stillness has taken me to new levels." - CL"Especially useful for stabilizing my kundalini awakening." - SR"The tantra techniques bring great pleasure into our lives." - ZA"This approach includes a deep tolerance of other paths." - AN"Thank you for being the one who said: The guru is in you!" - KKFor more reader feedback, see the last section in the book...

An introduction to urine therapy's amazing effectiveness in treating a wide array of physical complaints.

- Contains effective treatments for acne, asthma, hair loss, indigestion, infections, migraines, warts, wrinkles, and many other common ailments.
- Examines the historical use of urine therapy in the United States, Europe, and Asia.
- Includes a program for overcoming initial aversion to urine therapy. If you are like most people, trained from their earliest years to regard urine as a mere waste product, the thought of

using it for its healing powers may seem shocking. Yet urine has long played an important role in the holistic medical traditions of societies all over the world, and is even mentioned in the Ebers Medical Papyri of ancient Egypt. For centuries people have been availing themselves of urine's incredible curative powers for ailments ranging from anemia to warts. Urine is free, sterile, and acts homeopathically to "prepare" the immune system. Urine Therapy includes many case histories of people who have successfully treated their ailments with urine, along with cogent explanations of why urine does what it does, how to ensure that the wastes flushed out with your urine

aren't taken back in, and why urine may be the best tonic available for your immune system. In addition to protocols for using urine to treat a wide array of diseases, the book offers a program that teaches you step-by-step to overcome any initial aversion to urine therapy. Still playing an important role in the medical systems of countries as diverse as Germany, Japan, and India, this surprising health treatment has been gaining popularity in the United States. Manav Mootra (Auto-Urine Therapy) Simon and Schuster "Natural Benefits of Urine Therapy is one of the "Educational Sections on Secret of Excellent Health" for everyone to maintain a healthy life. It has

natural healing powers to control and cure all kinds of diseases. Urine Therapy or “Shivambu” is an ancient method of treatment. Reference of Urine Therapy is found in almost all the volumes of Ayurveda. In ancient books and Vedas, Urine is referred to as “Shivambu” (auto-urine), which means Water of Shiva. They termed “Shivambu” as holy liquid. According to them, urine is more nutritious than milk. Urine Therapy is an effective system and it is entirely drugless system of healing all chronic disease. It can be adopted by everyone including young children suffering from cerebral palsy from the very birth. "

The premise of Yoga is simple. There is an outer reality and an inner one, and our nervous system is the doorway between them. Effective Yoga

practices stimulate and open that doorway. The result? Peace, creativity, happiness, and a steady rise of ecstatic bliss radiating from within us. Advanced Yoga Practices (AYP) brings together the most effective methods of Yoga in a flexible integrated system that anyone can use. Instructions are given in plain English for deep meditation, spinal breathing pranayama, bodily manipulations (asanas, mudras and bandhas), tantric sexual practices, and other methods that are systematically applied to swing open the door of our nervous system to permanent higher experience. This is a non-sectarian approach that is compatible with any belief system or religious background.

There are over 240 easy-to-follow lessons here, including many hands-on questions and answers between Yoga practitioners and the author. Whether you are a beginner or a veteran in Yoga, the AYP lessons can serve as a useful resource as you travel along your chosen path. What readers are saying about the AYP lessons: "I searched for years to find a method of meditation that I can do. This is do-able." - AN "I've learned more about yoga in 4 months than in the previous 30 years of study." - SL" This is a very valuable inspiration for people taking up and maintaining meditation." - DB "Spinal breathing pranayama makes me feel so ecstatic, I want

to do it all the time." - YM "After my first meditation session, I never felt so relaxed. You made me a believer." - JF "You make everything seem so simple, yet the practices are profound and dynamic." - SS "I wish I had this kind of information when I started some 15 years back." - AD "I love the way you explain everything. So simple, logical, and so safe." - RY "These are the best lessons I have read on yoga anywhere." - RD Additional reader feedback is included in the last section of the book.

Auto-urine Cure Inner Traditions / Bear & Co
 In this revolutionary treatise, J W Armstrong puts the compelling case that all diseases (except those caused by traumatism or structural disorders) can be cured by one simple means: urine therapy. The therapy is an entirely natural treatment, a drugless system of healing that treats the body as a whole. Moreover, the only ingredient needed is a substance manufactured in the body itself, rich in mineral salts, hormones and other vital substances, namely human urine. It may seem strange to take back into the body something that the body is apparently discarding. Yet the

theory is similar to the natural practice of organic composting. Fallen leaves, when dug back into the soil, provide valuable mineral salts to nourish new plant life. The same principle holds true for the human body.

Urine The Holy

Water Delivery Minds Practiced for thousands of years in the East, urine therapy - the application of your body's own urine as an agent for the promotion and management of good health - has gained popularity in the West as more people seek effective, affordable and holistic alternatives to modern medicines. Dutch auto-urine expert Coen Van der Kroon first encountered urine therapy when he cut

his foot at an ashram in the mountains of India. Conventional antiseptics and treatments did nothing for the injury, and the infection steadily worsened until he was advised to wrap his foot in a cloth soaked in his own urine. To his great relief the treatment worked; the wound healed rapidly. This event served as an awakening for him, beginning his journey of learning and sharing the positive health benefits of urine therapy. Van der Kroon combines his years of research with a wealth of personal experience to document the history and implementation of urine therapy. He introduces and explains its fundamental principles, explores its history,

lists many practical applications, and documents recent research and literature on the subject. Remarkably, the medicinal properties of urine have been shown to work as a natural remedy for a variety of bodily ills ranging from skin conditions to the common cold to cancer. Complete with an extensive bibliography and numerous illustrations, this user-friendly guide is a thorough primer for the curious, and an informative resource for those already versed in this practice and its benefits.

Natural Benefits of Urine Therapy PAR

Urine therapy seems downright gross but it definitely works! Here's my two cents worth of input from my four month trial with urine

therapy. Urine therapy 'cured' me of chronic fatigue, irritable bowel syndrome, fibromyalgia, dandruff, depression and bad skin. What can it do for you? Some say that drinking ones own urine is THE cure for every disease. I don't doubt it. Here you will read about my personal experiences with all the above chronic ailments and how I cured myself by ingesting my own midstream morning urine. Who'd have thought that all we need for excellent health and wellness, really does come from within our own bodies? What better mode of self-improvement is there?
