Antique Trader Jewelry Price Guide is the latest addition to our expanding library of reference books serving the collecting marketplace.

Jewelry of all styles and ages continues to be extremely popular among collectors and this new guide provides a comprehensive overview of all the major types produced during the past 200 years. Included are sections on Antique Jewelry (1800 - 1920), Modern Jewelry (1920 - 1960) and Costume Jewelry of the 20th century. Hundreds of individual pieces and sets of jewelry are listed and described in detail in each of these major categories, and the listings are highlighted by hundreds of fine black and white photographs. With the listings arranged in an alphabetical format by the item name, readers should find this guide easy to use, and the compact size will make it easy to take along on all antiquing forays.

As an added bonus, there is a special 16-page supplement in full color, highlighting the dazzling appeal of choice jewelry pieces.

Comprehensive, compact and easy to use, Antique Trader Jewelry Price Guide will prove to be an invaluable addition to the library of all collectors, dealers and auctioneers.

Antique American Frames Penguin

The 2023 Kovels' Antiques and Collectibles Price Guide is the most complete and best-illustrated price guide available -- with 12,500 listings and more than 2,500 full-color photographs -- from the most trusted name in the industry. The Kovels are the most trusted source for both the casual and expert collector. With 12,500 actual prices and 2,500 full-color photographs, the guide also features exceptionally well-organized, wide-ranging, and up-to-the-minute information, and includes more tips, marks, logos, and photographs than any other competitive title. Kovels' is the only guide with prices based on actual sales from the previous calendar year, never estimates. Unlike other guides, which focus almost exclusively on English or high-priced items, Kovels' covers all American and international items and includes reasonably-priced goods. The book is organized by categories most sought-after by collectors, including depression glass, dolls, jewelry, furniture, porcelain, and sports memorabilia. Indexes, cross-references, and expert commentary throughout empower readers to collect with confidence and price their own antiques.

Price Guide and Reasons for Values Miller's Antiques Handbook & Price Guide

Antique silver is one of the oldest and best loved collecting subjects. At the top end of the quality scale, the work that went into making a fine piece

was of an extremely high order. However, the majority of silver was used in the middle levels of British society and the collector has clearly to understand the varying qualities of production that he encounters if he is to buy well and avoid inferior pieces.

Antique Hardware Price Guide Landmark Specialty Publications

The best-selling guide to British antique furniture for over thirty years, now in its fifth edition. Over 1,250 superb photographs show just how and why values can vary so greatly.

Do you need help in finding that elusive and rare antique bottle? How about some clues on where to locate the best digging spots? Do you wonder how old your bottle really is? The "Bottle Bible", a comprehensive reference for all collectors from bottle-collecting enthusiast Michael Polak, is now newly revised for the third edition. Bottle collecting continues to grow as an incredibly popular hobby, with more and more people digging through old dumps, foraging through old ghost towns, digging out old outhouses, exploring mine shafts, and searching at swap meets, flea markets, and garage sales for the treasured bottle.
