What if I told you that the number one reason why many new authors fail is that they don't have a good quality email list? Moreover, they don't know how to communicate with their subscribers in an engaging and relationship-building way. No other audience, be it on the blog or any social media platform, will be as responsive as your email subscribers. If you have a big email list, you can reach more eyeballs, get more sales, receive more reviews, and earn better Amazon sales ranks. So, would you like to learn how to: 1) constantly add hundreds of fresh and targeted contacts to your email list 2) communicate with your

subscribers in a way that builds relationships right from the start? Then take action now and secure a copy of my upcoming book "Email Marketing for Authors Made Simple: The 1-Page List Building Plan." You will learn author-friendly tactics that will help you add hundreds of new subscribers every month and build your author platform.

The paperback edition of The Directory of Executive Recruiters is a quick but thorough reference for career changers and job-seekers to contact search firms that match their areas of expertise.

Using the same database as the Corporate Edition above, it concentrates on North American firms. Internal information such as firm revenues, number of recruiters, etc., is not included. Introductory material helps guide job-seeker expectations with strategies for using recruiters as part of overall career management. "Anyone looking to turn headhunters' heads should have a copy of the Directory." -- William Flanagan, Senior Editor, *Forbes*
