Music Theory For  
Dummies Alfred Music  
Publishing  
The Cambridge  
Assignments in Music  
series features a  
variety of books, audio  
cassettes and CDs  
including History of  
Music, Popular Music,

Performing and  
Responding and  
Popular Music. This  
book presents a brief  
outline of the history of  
western music,  
covering all important  
areas, with the main  
emphasis on  
recognition of style and  
period. A checklist of  
pointers, or  
'fingerprints' of music  
style, is included for  
each period and the

book ends with a main summary chart. The book is intended to help GCSE candidates in areas of the examination which involve the history of music and music styles, especially in questions where they are asked to identify the period and composer of previously unheard pieces of music.

Now you can master Bach's most beautiful prelude—even if you've never sat down at a piano before! Do you have a piano (or keyboard) and forty-five spare minutes every day? Then spend the next six weeks with acclaimed concert pianist James Rhodes. By the end, you'll be able to perform Bach's

Prelude No. 1 in C major—no prior musical experience required! Rhodes reveals How to Play the Piano step by step—how to read the treble and bass clefs as well as sharp and flat notes, and then how to practice—before teaching the Prelude in easy, bite-size segments. His method is free of tedious drills, and filled with inspiration: “If listening to music is soothing for the soul, then playing music is achieving enlightenment.” Before you know it, not only will you have learned how to play one of Bach's most beloved masterpieces—you also will have unleashed your creativity, exercising your mind (and fingers) and accomplishing something you never

thought possible.  
Bravo! Includes four instructional videos supported by select e-reader devices.

These early keyboard works by Haydn were originally called Divertimentos or Sonatas, but because of their form and brevity were later renamed. Containing two to four movements each, they include much that is the essence of the Haydn style. The Sonatina in G Major, Hob. XVI/8 is perhaps the best known of the set, yet all are worthy of study as preparation for Mozart and Haydn sonatas.
