IBARRA LOPEZ

Rebelwing Vintage

From former football player and star of *The Bachelor* and *The Bachelorette* comes a fascinating and eye-opening behind-the-scenes look at his drama-filled season on the hit reality show. Before Colton Underwood captured the hearts of millions on *The Bachelor*, he was a goofy, socially awkward, overweight adolescent who succeeded on the football field while struggling with personal insecurities off it. An All American gridiron hero, he was also a complex, sometimes confused, soft-hearted romantic wondering how these contradictions fit together. Old-fashioned and out of step with the swipe right dating culture of today, he was saving the most intimate part of life for the love of his life. If only he could find her... Now, in *The First Time*, Colton opens up about how he came to find himself and true love at the same time via the *Bachelor* franchise. Unencumbered by cameras and commercial breaks, he delivers a surprisingly raw, endearing, and seriously juicy account of his journey through *The Bachelorette*, *Bachelor in Paradise*, and *The Bachelor*, along with what has happened with him and Cassie Randolph since his season wrapped. He opens up about being dumped by Becca, his secret dalliance with Tia, what it was like to be the world's most famous virgin, his behind-the-scenes conflicts with production, and how his on-camera responsibilities as the *Bachelor* nearly destroyed him after he knew he had already fallen in love with Cassie. A memoir for *Bachelor Nation* and anyone who believes in the magic of love, *The First Time* carries a simple but powerful message: It's okay to laugh and cry and occasionally jump over a fence, if it means coming one step closer to the right person.

Jo & Laurie Independently Published

"Brownlee writes with all the breathless excitement and excruciating longing of a first love, further complicated by the forbidden nature of their romance. . . One of the most believable love triangles on the page in ages."--*Entertainment Weekly* An attraction between foster siblings sets fire to forbidden love in this contemporary reimagining of *Wuthering Heights*. Emma's life has always gone according to her very careful plans. But things take a turn toward the unexpected when she falls in love for the first time with the one person in the world who's off-limits: her new foster brother, the gorgeous and tormented Dylan McAndrews. Meanwhile, Emma's AP English class is reading *Wuthering Heights*, and she's been assigned to echo Emily Bronte's style in an epistolary format. With irrepressible feelings and no one to confide in, she's got a lot to write about. Distraught by the escalating intensity of their mutual attraction, Emma and Dylan try to constrain their romance to the page—for fear of

threatening Dylan's chances at being adopted into a loving home. But the strength of first love is all-consuming, and they soon get enveloped in a passionate, secretive relationship with a very uncertain outcome. Tiffany Brownlee's *Wrong in All the Right Ways* marks the exciting debut of a fresh voice in contemporary teen fiction. Christy Ottaviano Books

The Cult of Smart Harper Collins

Named one of *Vulture's* Top 10 Best Books of 2020! Leftist firebrand Fredrik deBoer exposes the lie at the heart of our educational system and demands top-to-bottom reform. Everyone agrees that education is the key to creating a more just and equal world, and that our schools are broken and failing. Proposed reforms variously target incompetent teachers, corrupt union practices, or outdated curricula, but no one acknowledges a scientifically-proven fact that we all understand intuitively: Academic potential varies between individuals, and cannot be dramatically improved. In *The Cult of Smart*, educator and outspoken leftist Fredrik deBoer exposes this omission as the central flaw of our entire society, which has created and perpetuated an unjust class structure based on intellectual ability. Since cognitive talent varies from person to person, our education system can never create equal opportunity for all. Instead, it teaches our children that hierarchy and competition are natural, and that human value should be based on intelligence. These ideas are counter to everything that the left believes, but until they acknowledge the existence of individual cognitive differences, progressives remain complicit in keeping the status quo in place. This passionate, voice-driven manifesto demands that we embrace a new goal for education: equality of outcomes. We must create a world that has a place for everyone, not just the academically talented. But we'll never achieve this dream until the *Cult of Smart* is destroyed.

The Wrong Marquess Entangled: Indulgence

From USA Today bestselling author Meghan Quinn comes a forbidden romance about an Irish rebel who falls in love with the wrong girl. Dear Diary, I might have gotten myself into a wee bit of trouble—and I'm not talking about the "court mandated community service," or "therapy sessions from bashing a bloke in the head" kind of trouble. I wish it were that simple. Nope. I'm talking about the "falling in love with one of my client's daughters," kind of trouble. . . . The kind of problem I can't talk my way out of when the truth gets out. How I ended up with her phone is a long story—and when she called to get it back, I took things a bit too far. One innocent exchange wound up leading to so much more. Fun, new, and totally immune to my charm, Sutton is different. And I had no idea she was the daughter of Foster Green. Blame it on the dark colored stout running through my veins, pushing me toward one bad decision after another. Pushing me toward her even though I know right from wrong; even though she's my client's daughter.

Dating her might be the best or worst decision I've ever made. Only time, whiskey, and one more roll around the mattress with her will tell. Roark

How to Avoid a Climate Disaster Simon and Schuster
An edgy yet accessible "bad bitch" guide to life, love, and success from Amber Rose, renowned model, entrepreneur, and pop culture personality. *Bad Bitch* (n.): A self-respecting, strong female who has everything together. This consists of body, mind, finances, and attitude; a woman who gets her way by any means necessary. Amber Rose didn't let her early years in the tough neighborhood of South Philly keep her from achieving her star-studded goals. From the sets of music videos, to high fashion runways and magazines, to life at home with her beautiful son, Amber doesn't hesitate to command her personal stage with confidence, edge, attitude, and her own form of grace. For the first time, this renowned model, actress, socialite, pop culture maven, and self-proclaimed "bad bitch" is sharing her secrets on how to lead a powerful life in this edgy yet accessible guide to life, love, and success. With unparalleled candor, "Muva" pulls back the curtain on her rollercoaster of a journey from a young trailblazer to a worldwide phenomenon—and it's this evolution that has influenced her intoxicating, authoritative outlook on life and love. Filled with expert advice and personal anecdotes, *How to Be a Bad Bitch* covers finances, career, love, beauty, and fashion while emphasizing confidence, positive self-acceptance, and authenticity. Above all, Amber delivers a message to all women in this fiercely fearless guide: work hard, love yourself, embrace your femininity and sexuality, and most importantly, chase the best vision of you possible.

The Billionaire Bachelor Independently Published

The right reasons to fall in love with *The Bachelor* When it debuted in 2002, *The Bachelor* raised the stakes of first-wave reality television, offering the ultimate prize: true love. Since then, thrice yearly, dozens of camera-ready young-and-eligibles have vied for affection (and roses) in front of a devoted audience of millions. In this funny, insightful examination of the world's favorite romance-factory, Suzannah Showler explores the contradictions that are key to the franchise's genius, longevity, and power and parses what this means for both modern love and modern America. She argues the show is both gameshow and marriage plot — an improbable combination of competitive effort and kismet — and that it's both relic and prophet, a time-traveler from first-gen reality TV that proved to be a harbinger of Tinder. In the modern media-savvy climate, the show cleverly highlights and resists its own artifice, allowing *Bachelor Nation* to see through the fakery to feel the romance. Taking on issues of sex, race, contestants-as-villains, the controversial spin-offs, and more, *Most Dramatic Ever* is both love letter to and deconstruction of the show that brought us real love in the reality

TV era.

The bachelor years are the single time in a man's life when he is free to live the life of his choosing. Liberated of the shackles and expectations of his parents, he is yet unburdened by the future rigors and responsibilities that come with having a wife, kids, a career job, and endless bills that will routinely have him consider changing his name and fleeing to live out his days on a South American beach. A vast world of opportunity awaits the modern day bachelor. Whether it is the residence he chooses to support his lifestyle, the trials and tribulations he experiences in the world of dating and its accompanying nightlife, forays into social media and online dating, or even the occasional (and memorable) road trip or festival, each contributes to the life of a bachelor and is there to be enjoyed to the fullest. Experience the life of the bachelor. What it entails. The highs. The lows. Whether your approach is to prepare yourself for the bachelor years ahead, enhance the experience you are already enjoying, or use it to tap into the joys your life once held, no stone is left unturned. Join comedic author Travis J. Hawke and his A-Team/roundtable of girls for an entertaining look into the world of the modern day bachelor. Offering a unique perspective on the era a man only gets to experience once, 'The Bachelor Life' is a quintessential guide that can be used to maximise this fleeting time and showcase its true value.

[God Bless This Mess](#) Charnwood

Ever heard of keeping your friends close and your enemies closer? That's exactly what Ally Lockwood has to do when the hottest guy at Fairview High, and her sworn nemesis, moves in with her family for senior year. Most girls would do anything to live across the hall from Chase Williams, but Ally isn't fooled by his good looks or brooding charm. She's been on the wrong side of him for years, and knows all too well how sly and manipulative he truly is. She's desperate to get rid of him. Luckily, her friends have a genius plan to ensure Ally's over-protective father kicks Chase out of the house for good. All she has to do is convince him to date her and make sure they get caught...

Creative Writing: How to Be a Happy Bachelor Ballantine Books

Bestselling authors Margaret Stohl and Melissa de la Cruz bring us a romantic retelling of Little Women starring Jo March and her best friend, the boy next door, Theodore "Laurie" Laurence—now available in paperback! 1869, Concord, Massachusetts: After the publication of her first novel, Jo March is shocked to discover her book of scribbles has become a bestseller, and her publisher and fans demand a sequel. While pressured into coming up with a story, she goes to New York with her dear friend Laurie for a week of inspiration—museums, operas, and even a once-in-a-lifetime reading by Charles Dickens himself! But Laurie has romance on his mind, and despite her growing feelings, Jo's desire to remain independent leads her to turn down his heartfelt marriage proposal and sends the poor boy off to college heartbroken. When Laurie returns to Concord with a sophisticated new girlfriend, will Jo finally communicate her true heart's desire or lose the love of her life forever?

[Math with Bad Drawings](#) Lynn Dare

George and Joan Bachelor are the proud (albeit slightly disappointed) parents of three grown-up boys whose lives aren't quite what they had hoped for... Adam is addicted to TWKGs (The Wrong Kind of Girls); Luke bears the scars of a savage divorce; and 'baby' Russell's love life contains nothing but heartache. When, months shy of his fortieth wedding anniversary, George Bachelor announces he's leaving the family home to try his hand at the single life, everything is thrown into turmoil. Now as well as sorting out their own love lives, the boys have got to sort out their parents' too...or face losing the one thing they could always count on.

[Diary of a Bad Boy](#) HarperCollins

A hilarious reeducation in mathematics—full of joy, jokes, and stick figures—that sheds light on the countless practical and wonderful ways that math structures and shapes our world. In *Math With Bad Drawings*, Ben Orlin reveals to us what math actually is; its myriad uses, its strange symbols, and the wild leaps of logic and faith that define the usually impenetrable work of the mathematician. Truth and knowledge come in multiple forms: colorful drawings, encouraging jokes, and the stories and insights of an empathetic teacher who believes that math should belong to everyone. Orlin shows us how to think like a mathematician by teaching us a brand-new game of tic-tac-toe, how to understand an economic crisis by rolling a pair of dice, and the mathematical headache that ensues when attempting to build a spherical Death Star. Every discussion in the book is illustrated with Orlin's trademark "bad drawings," which convey his message and insights with perfect pitch and clarity. With 24 chapters covering topics from the electoral college to human genetics to the reasons not to trust statistics, *Math with Bad Drawings* is a life-changing book for the math-estranged and math-enamored alike.

"Mixing everything that's best about dragons, dystopia, and generational conflict, Tang delivers a high flying debut that pulls no punches." --E.K. Johnston, #1 New York Times Bestselling Author Things just got weird for Prudence Wu. One minute, she's

cashing in on a routine smuggling deal. The next, she's escaping enforcers on the wings of what very much appears to be a sentient cybernetic dragon. Pru is used to life throwing her some unpleasant surprises--she goes to prep school, after all, and selling banned media across the border in a country with a ruthless corporate government obviously has its risks. But a cybernetic dragon? That's new. She tries to forget about the fact that the only reason she's not in jail is because some sort of robot saved her, and that she's going to have to get a new side job now that enforcers are on to her. So she's not exactly thrilled when Rebelwing shows up again. Even worse, it's become increasingly clear that the rogue machine has imprinted on her permanently, which means she'd better figure out this whole piloting-a-dragon thing--fast. Because Rebelwing just happens to be the ridiculously expensive weapon her government needs in a brewing war with its neighbor, and Pru's the only one who can fly it. Set in a wonderfully inventive near-future Washington, D.C., this hilarious, defiant debut sparkles with wit and wisdom, deftly exploring media consumption, personal freedoms, and the weight of one life as Pru, rather reluctantly, takes to the skies.

Most Dramatic Ever Anchor

Fans of *Bridgerton* will love this irresistibly fun new family in a series to savor from the New York Times bestselling author, as the grown children of a thrice-married dowager duchess piece together the stories of their fathers—while pursuing passions of their own . . . “Anyone who loves romance must read Sabrina Jeffries!” —Lisa Kleypas, New York Times bestselling author USA Today and Publishers Weekly Bestseller | Goodreads Romance that Readers Love Lady Gwyn Drake has long protected her family's reputation by hiding an imprudent affair from her youth. But when her former suitor appears at Armitage Hall, manhandling the heiress and threatening to go public with her secrets, it's Gwyn who needs protecting. Her twin brother, Thorn, hires Joshua Wolfe, the estate's gamekeeper, to keep her safe in London during her debut. As a war hero, Joshua feels obligated to fulfill the assignment he has accepted. But as a man, it's torment to be so very close to the beauty he's fought to ignore . . . With handsome Joshua monitoring her every move, Gwyn would prefer to forget both the past and the parade of money-seeking bachelors at her coming out. But Joshua is unmoved by her attempts at flirtation, and the threat of blackmail still hangs over her. With danger closing in, Gwyn must decide which is the greater risk: deflecting a scoundrel's attempts to sabotage her—or revealing her whole heart to the rugged bodyguard she can't resist . . . If one knows anything about Regency society, it's that they can't resist a scandalous secret. “Beautifully showcases the author's gift for creating vividly etched characters (including a well-matched pair of protagonists) and then expertly placing them within a tautly constructed plot spiced with danger and plenty of red-hot sensuality.” —Booklist

[The Importance of Being a Bachelor](#) CP Publishing

Are you tired of people knowing who you are but no one really knowing you? As the star of the twentieth season of *The Bachelor*, Ben Higgins looked like he had it all together. Instead, Ben felt dissatisfied, fearful, and deeply alone. Like so many of us, he thought of himself as the kid who never got picked for the game, the person always on the outside of the joke, the friend who knew a lot of people but was never truly known. He wondered if he mattered at all. In *Alone in Plain Sight*, Ben vulnerably shares how he found authentic connection with himself, with others, and with God. As Ben helps us name our own yearning for meaning, he explores ways to understand ourselves more deeply so that we are free to connect with others; how shared pain can bridge even the widest gaps between two very different people; why we must deconstruct our culture's fairy-tale view of love; and how the God who longs for relationship with us is the answer to our need for connection. As Ben discovered, in a disconnected world, it is still possible to have lasting purpose and peace. You are already known. You are already loved. You are already seen. Discover how to live out how much you matter as you embrace the true meaning of your one incredible life.

[The Bachelor Life](#) Random House Studio

Bachelor: A desirable potential boyfriend. AKA not Cole Kingston. Seventeen-year-old Madison (Madi) Matthews wants nothing to do with the dating competition her school is holding to raise money for charity. She's never been interested in chasing a guy before and she certainly isn't interested in competing for one in front of the whole school. But, when Madi is voted as one of the ten "lucky" contestants, she's given no choice but to vie for the heart of Lincoln High's most eligible bachelor. The problem is, they've chosen the wrong guy. Cole Kingston might be good looking, great with a football and practically the king of Lincoln High, but he's also cocky, arrogant, a serial flirt and Madi's sworn enemy. Will she be able to resist him though when the competition heats up and he turns his charms on her?

"A whimsical assortment of havoc-wreaking animals help inspire a young girl to turn her rotten day around!"--

Bad Influence Travis J. Hawke

THE BACHELOR The Chandler Brothers from New York Times Bestselling Author Carly Phillips are back! He's got wanderlust and no intention of settling down. She's home to stay and has put

her bad boy ex in her rearview mirror. After spending his life abroad, embracing his freedom at every turn as a foreign correspondent, Roman Chandler finds himself the brother nominated to deal with his ailing mother's matchmaking shenanigans. Thanks to a coin toss, he needs to find someone to marry and fast. It shouldn't be that hard in sleepy Yorkshire Falls where women fall over themselves to hook a Chandler man. But Roman only wants the one woman who got away. Charlotte Bronson is back home to put down roots and get her lingerie business off the ground. She's not interested in her past or a man that chose to chase breaking news stories to the far corners of the earth over her. No matter how good they used to be or how combustible their chemistry still burns. It's up to Roman to convince Charlotte he's a changed man and here to stay. In honor of THE BACHELOR's 20th Anniversary all three books have been updated and will be reissued with gorgeous NEW covers with the same content but modernized for your reading pleasure. The BACHELOR was the first book that Kelly Ripa chose for her Reading with Ripa Bookclub.

NEW YORK TIMES BESTSELLER • A stunning “portrait of the enduring grace of friendship” (NPR) about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. NATIONAL BOOK AWARD FINALIST • MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride, deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara's stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara's latest bestselling novel, *To Paradise*.

Because Everything is Right But Everything is Wrong Entangled: Indulgence

A New York Times bestseller. “My life was a complete mess, and God bless all of it. Because it's in the messes where we learn the most—as long as we slow down enough to realize what God is trying to show us.” Suddenly in the spotlight, twenty-four-year-old Hannah Brown realized that she wasn't sure what she wanted. After years of competing in beauty pageants, and then starring on *The Bachelorette* and *Dancing with the Stars*, she had become incredibly visible. There she was, in her early twenties, with millions around the world examining and weighing in on her every decision. She found herself wondering what it would mean to live on her terms. What it would mean to stop seeking approval from others and decide—for the first time—what it was she wanted from her own life. An honest and earnest examination of her own mid-twenties, *God Bless This Mess* is a memoir that doesn't claim to have all the answers. Hannah knows she doesn't have all the answers. What she does have is the insight of someone who has spent critical years of her youth under public scrutiny. Thus what emerges is a quarter-life memoir that speaks to the set of difficulties young women face, and how to move through them with grace. By pushing against her engrained need to seek approval, and learning how to think critically about her own goals and desires, Hannah inspires others to do the same—and to embrace the messiness that comes hand-in-hand with self-discovery (even if that sometimes means falling flat on your face). Using her time on *The Bachelorette* as a launching pad, Hannah doesn't shy away from the most painful experiences of her life: moments when her faith was tested, when she feared it was lost, and the moments when she reclaimed it on national television. “And Jesus still loves me.” Fans will be inspired by the never-before-told stories: the ones about facing depression and anxiety during her pageant years, the ways in which therapy and journaling have proven to be a saving grace, and the previously private moments—both at home and on television—that have shaped the star's outlook. Honest and emotionally urgent, *God Bless This Mess* is a reminder that true growth doesn't come without strife—and it's through those dark, messy moments that self-acceptance and love can bloom.

[Stuck with You](#) Zebra Books

“Filled with tongue-in-cheek humor...a gently fantastical world brimming with teen shenanigans.” —Publishers Weekly Perfect for fans of *Geekerella* and *Jenn Bennett*, this charming, sparkly rom-com follows a wish-granting teen forced to question if she's really doing good—and if she has the power to make her own dreams come true. Charity is a fairy godmother. She doesn't wear a poofy dress or go around waving a wand, but she does make sure the deepest desires of the student population at Jack London High School come true. And she knows what they want even better than they do because she can glimpse their perfect futures. But when Charity fulfills a glimpse that gets Vindhya crowned homecoming queen, it ends in disaster. Suddenly, every wish Charity has ever granted is called into question. Has she really been helping people? Where do these glimpses come from, anyway? What if she's not getting the whole picture? Making this existential crisis way worse is Noah—the adorkable and (in

Charity's opinion) diabolical ex of one of her past clients—who blames her for sabotaging his prom plans and claims her interventions are doing more harm than good. He demands that

she stop granting wishes and help him get his girl back. At first, Charity has no choice but to play along. But soon, Noah becomes an unexpected ally in getting to the bottom of the glimpses.

Before long, Charity dares to call him her friend...and even starts to wish he were something more. But can the fairy godmother ever get the happily ever after?
