Over the past 10 years Hanif Kureishi has charted the gradual widening of the gulf between fundamentalist Islam and Western values. Starting with THE BLACK ALBUM, Kureishi portrayed the ongoing argument between Islam and Western liberal values, between Islamic certainty and Western rational scepticism. By the time he was writing the short story, MY SON THE FANATIC, the break was complete - there was no longer any attempt by the fundamentalists to find any common ground with Western culture. The outbreak of the Iraq war and its aftermath, plus the recent bombings in London, have stimulated Kureishi to write further about this great divide between the East and the West, and this volume collects Kureishi's writings from the past 10 years which have dealt with this subject, charting Islam's disengagement from dialogue with the West. The volume also contains a new piece, written especially for this book, which brings Kureishi's analysis of the situation right up to date.

A New York Times Best Seller A February IndieNext Pick Named A Most Anticipated Book of 2019 by Buzzfeed, Nylon, The A. V. Club, CBC Books, and The Rumpus. And a Winter's Most Anticipated Book by Vanity Fair and The Week Starred Reviews: Kirkus and Booklist "Warm, immediate and intensely personal."—New York Times How does one pay homage to A Tribe Called Quest? The seminal rap group brought jazz into the genre, resurrecting timeless rhythms to create masterpieces such as The Low End Theory and Midnight Marauders. Seventeen years after their last album, they resurrected themselves with an intense, socially conscious record, We Got It from Here . . . Thank You 4 Your Service, which arrived when fans needed it most, in the aftermath of the 2016 election. Poet and essayist Hanif Abdurraqib digs into the group's history and draws from his own experience to reflect on how its distinctive sound resonated among fans like himself. The result is as ambitious and genre-bending as the rap group itself. Abdurraqib traces the Tribe's creative career, from their early days as part of the Afrocentric rap collective known as the Native Tongues, through their first three classic albums, to their eventual breakup and long hiatus. Their work is placed in the context of the broader rap landscape of the 1990s, one upended by sampling laws that forced a reinvention in production methods, the East Coast–West Coast rivalry that threatened to destroy the genre, and some record labels' shift from focusing on groups to individual MCs. Throughout the narrative Abdurraqib connects the music and cultural history to their street-level impact. Whether he's remembering The Source magazine cover announcing the Tribe's 1998 breakup or writing personal letters to the group after bandmate Phife Dawg's death, Abdurraqib seeks the deeper truths of A Tribe Called Quest; truths that—like the low end, the bass—are not simply heard in the head, but felt in the chest.

There is music for dancing & for grieving, for sexting & responding to a snarky rejection letter. In his follow-up to the acclaimed *The Crown Ain't Worth Much*, Hanif Willis-Abdurraqib channels Ginuwine, Prince, and Carly Rae Jepsen to artfully reflect on intimacy, friendship, and becoming an adult. *Vintage Sadness* further cements Willis-Abdurraqib as one of the most important voices of our generation and proves that each life has its own tender soundtrack.

"When an author's unmitigated brilliance shows up on every page, it's tempting to skip a description

and just say, Read this! Such is the case with this breathlessly powerful, deceptively breezy book of poetry." —Booklist, Starred Review In his much-anticipated follow-up to *The Crown Ain't Worth Much*, poet, essayist, biographer, and music critic Hanif Abdurraqib has written a book of poems about how one rebuilds oneself after a heartbreak, the kind that renders them a different version of themselves than the one they knew. It's a book about a mother's death, and admitting that Michael Jordan pushed off, about forgiveness, and how none of the author's black friends wanted to listen to "Don't Stop Believin'." It's about wrestling with histories, personal and shared. Abdurraqib uses touchstones from the world outside—from Marvin Gaye to Nikola Tesla to his neighbor's dogs—to create a mirror, inside of which every angle presents a new possibility.

Winner of the Whitbread First Novel Award 'A wonderful novel. I doubt I will read a funnier one, or one with more heart, this year, possibly this decade.' Angela Carter, Guardian The hero of Hanif Kureishi's first novel is Karim, a dreamy teenager, desperate to escape suburban South London and experience the forbidden fruits which the 1970s seem to offer. When the unlikely opportunity of a life in the theatre announces itself, Karim starts to win the sort of attention he has been craving - albeit with some rude and raucous results. 'One of the best comic novels of growing up, and one of the sharpest satires on race relations in this country that I've ever read.' Independent on Sunday 'Brilliantly funny. A fresh, anarchic and deliciously unrestrained novel.' Sunday Times 'A distinctive and talented voice, blithe, savvy, alive and kicking.' Hermione Lee, Independent

New York Times bestselling *Music Is History* combines Questlove's deep musical expertise with his curiosity about history, examining America over the past fifty years—now in paperback Focusing on the years 1971 to the present, Questlove finds the hidden connections in the American tapes, whether investigating how the blaxploitation era reshaped Black identity or considering the way disco took an assembly-line approach to Black genius. And these critical inquiries are complemented by his own memories as a music fan and the way his appetite for pop culture taught him about America. A history of the last half-century and an intimate conversation with one of music's most influential and original voices, *Music Is History* is a singular look at contemporary America.

" Le personnage principal de cette aventure qui se déroule à Londres est un jeune Pakistanais résolu à mener à bien des études supérieures. Fan de rock et de littérature, notre héros, prénommé Shahid, est amoureux d'une prof genre gaucho-baba cool. Tout irait pour le mieux si Shahid ne faisait pas la connaissance de ses voisins de chambrée à la cité universitaire : pakistanais comme lui, ils ont de la réalité une autre perception. Musulmans intégristes, ils mènent la lutte sur tous les fronts, persuadés que les hérétiques, comme ils les appellent, entraînent le monde à sa perte. Entre Madonna et Allah, Shahid hésite un moment. [...] Black Album est de fait une formidable plongée au cœur de la comète musulmane intégriste en Grande-Bretagne. Kureishi agit ici en véritable reporter. Extraordinaire observateur, il ne dédaigne pas pour autant manier l'humour et le cynisme sans jamais tomber dans la caricature. " Bernard, Génies, Le Nouvel Observateur

*Making Sense of Contemporary British Muslim Novels* Faber & Faber

"Mamoon Azam is an eminent Indian-born writer who has made a career in England—but now, in his early seventies, his reputation is fading, his book sales are nonexistent, and his flamboyant second wife's expensive habits are bleeding him dry. In an attempt to revitalize his career and reputation, Mamoon's publisher commissions Harry, an ambitious young writer, to pen the famous writer's biography. Honored and slightly intimidated, Harry promises himself that he will present an unbiased look at his literary hero—but Mamoon's publisher is after a more naked truth, a salacious tale of the author's life that will generate headlines. Meanwhile, Mamoon is less than cooperative.

Vain, breathtakingly cynical, and cruelly manipulative, Mamoon turns out to have a hidden agenda of his own. Harry and Mamoon find themselves in a battle of wills, but which of them will have the last word? The ensuing struggle for dominance raises questions of love and desire, loyalty and betrayal, and the frailties of age versus the recklessness of youth. A poignant and brilliantly entertaining book, *THE LAST WORD* is a tale of youthful exuberance, as hilarious as it is moving, and is Kureishi's most important work to date"--

*All Heathens* University of Texas Press

A young man is caught between sexual fever and religious fervor in this hilarious, provocative novel by the acclaimed author of *The Buddha of Suburbia*. "Hanif Kureishi's book . . . crackles with identity politics, conflict, and humor. . . . Kureishi handles it all with grace, wit, and generosity".--Dan Levy, *San Francisco Chronicle Book Review*.

*All Heathens* is a declaration of ownership—of bodies, of histories, of time. Revisiting Magellan's voyage around the world, these poems explore the speaker's Filipino American identity by grappling with her relationship to her family and notions of diaspora, circumnavigation, and discovery. Whether rewriting the origin story of Eve ("I always imagined that the serpent had the legs of a seductive woman in black nylons"), or ruminating on what-should-have-been-said "when the man at the party said he wanted to own a Filipino," Chan paints wry, witty renderings of anecdotal and folkloric histories, while both preserving and unveiling a self-identity that dares any other to try and claim it.

NATIONAL BOOK AWARD FINALIST • A sweeping, genre-bending "masterpiece" (*Minneapolis Star Tribune*) exploring Black art, music, and culture in all their glory and complexity—from Soul Train, Aretha Franklin, and James Brown to *The Fresh Prince of Bel-Air*, Whitney Houston, and Beyoncé ONE OF THE TEN BEST BOOKS OF THE YEAR: *Chicago Tribune*, *The Philadelphia Inquirer*, *The Dallas Morning News*, *Publishers Weekly* "Gorgeous essays that reveal the resilience, heartbreak, and joy within Black performance."—Brit Bennett, #1 *New York Times* bestselling author of *The Vanishing Half* "I was a devil in other countries, and I was a little devil in America, too." Inspired by these few words, spoken by Josephine Baker at the 1963 March on Washington, MacArthur "Genius Grant"

Fellow and bestselling author Hanif Abdurraqib has written a profound and lasting reflection on how Black performance is inextricably woven into the fabric of American culture. Each moment in every performance he examines—whether it's the twenty-seven seconds in "Gimme Shelter" in which Merry Clayton wails the words "rape, murder," a schoolyard fistfight, a dance marathon, or the instant in a game of spades right after the cards are dealt—has layers of resonance in Black and white cultures, the politics of American empire, and Abdurraqib's own personal history of love, grief, and performance. Touching on Michael Jackson, Patti LaBelle, Billy Dee Williams, the Wu-Tan Clan, Dave Chappelle, and more, Abdurraqib writes prose brimming with jubilation and pain. With care and generosity, he explains the poignancy of performances big and small, each one feeling intensely familiar and vital, both timeless and desperately urgent. Filled with sharp insight, humor, and heart, *A Little Devil in America* exalts the Black performance that unfolds in specific moments in time and space—from midcentury Paris to the moon, and back down again to a cramped living room in Columbus, Ohio. The centerpiece of Hanif Kureishi's brilliant new collection of fiction delves into the fascinating concept of personal identity, and the extent to which this is rooted in our physical being. Middle-aged playwright Adam is amazed to be approached by a shadowy organization and offered the chance to trade in his decrepit body for a much younger model. He takes up the offer for a six-month period, and his consciousness is duly transplanted into the handsome body of his choice. But Adam soon finds that his new flesh brings with it grave and unforeseen dangers . . .

*A Fortune for Your Disaster* Hueber Verlag

In the essay 'The Rainbow Sign', which was first published in 1986 along with the screenplay of *My Beautiful Laundrette*, Kureishi recounts how, growing up in England, where racists 'weren't discriminating in their racial discrimination', he could understand the motives of 'a black boy who, [having] noticed that burnt skin turned white, jumped into a bath of boiling water'. Then, visiting Pakistan for the first time, Kureishi shook with incomprehension at the notion that he was not considered a foreigner. The collection's title piece is a fascinating account of how Kureishi overcame his 'educational anorexia', how curiosity developed, and how school-teaching could work if only those at the front of the class didn't loathe their pupils.

An award-winning Black feminist music critic takes us on an epic journey through radical sound from Bessie Smith to Beyoncé. Daphne A. Brooks explores more than a century of music archives to

examine the critics, collectors, and listeners who have determined perceptions of Black women on stage and in the recording studio. How is it possible, she asks, that iconic artists such as Aretha Franklin and Beyoncé exist simultaneously at the center and on the fringe of the culture industry? *Liner Notes for the Revolution* offers a startling new perspective on these acclaimed figures—a perspective informed by the overlooked contributions of other Black women concerned with the work of their musical peers. Zora Neale Hurston appears as a sound archivist and a performer, Lorraine Hansberry as a queer Black feminist critic of modern culture, and Pauline Hopkins as America's first Black female cultural commentator. Brooks tackles the complicated racial politics of blues music recording, song collecting, and rock and roll criticism. She makes lyrical forays into the blues pioneers Bessie Smith and Mamie Smith, as well as fans who became critics, like the record-label entrepreneur and writer Rosetta Reitz. In the twenty-first century, pop superstar Janelle Monáe's liner notes are recognized for their innovations, while celebrated singers Cécile McLorin Salvant, Rhiannon Giddens, and Valerie June take their place as cultural historians. With an innovative perspective on the story of Black women in popular music—and who should rightly tell it—*Liner Notes for the Revolution* pioneers a long overdue recognition and celebration of Black women musicians as radical intellectuals.

Described in a recent *New York Times Magazine* profile as a "postcolonial Philip Roth," Hanif Kureishi first captured the attention of audiences and critics in the 1980s with the award-winning novel *The Buddha of Suburbia* and the films *My Beautiful Laundrette* and *Sammy and Rosie Get Laid*. In three decades of acclaimed work, Kureishi has written fiction and films exploring a series of interconnected themes about identity and desire—from Islamic radicalism to kinky sex, and from psychoanalysis to the relationships of fathers and sons. After discovering an abandoned manuscript of his father's, hidden for years, Kureishi was compelled to turn his "unflinching perspective" (*Time Out*) onto his own history. Like Roth, Martin Amis and Geoffrey Wolfe, who also have written books about their fathers, Kureishi wanted to understand and perhaps to reconcile. *My Ear at His Heart* offers remarkable insight into the birth of a writer, chronicling how Kureishi's own literary calling emerged from the ashes of his father's aspirations. And so begins a journey that takes Kureishi through his father's privileged childhood by the sea in Bombay, through the turbulent birth of Pakistan and to his modest adult life in England—his days spent as a civil servant, his nights writing prose, hopeful of one day receiving literary recognition. "A beguiling and complex tale of fact, fiction and family tensions" (*The Guardian*), *My Ear at His Heart* was published to great acclaim in the United Kingdom in 2004 and went on to win the prestigious Prix France Culture Etranger. Now, this profound work from one of the most compelling artists of our time is at last available in a Scribner edition.
