adventures on the go.
This Nickelodeon read-

along contains audio
narration.

The Library of John Quinn
... New York Review of
Books

When you wander down a
leafy path I can smell your
invisible trail . . . This cozy
story gently teaches
children what to do if they
lose their way, and
reassures them that a
search-and-rescue dog
can find them wherever
they are. And once a child

is found, the dog will bring
people to make sure that
everyone gets home safe
and sound. Full of
interesting facts about
search-and-rescue dogs
and tips for young
children in case they get
lost, Margarita Engle's
When You Wander is a
fascinating peek into the
world of these amazing
dogs and the children
they save.

Mercy Watson to the Rescue

Zondervan
The incredible true story of the twelve boys trapped with their coach in a flooded cave in Thailand and their inspiring rescue—as seen in Ron Howard's *Thirteen Lives*. On June 23, 2018, twelve members of the Wild Boars soccer team and their coach were exploring the Tham Luang cave complex in northern Thailand when disaster struck. A rainy season

downpour flooded the tunnels, trapping them as they took shelter on a shelf of the dark cave. Eight days of searching yielded no signs of life, but on July 2 they were discovered by two British divers. The boys and their coach were eventually rescued in an international operation that took three days. What could have been a terrible tragedy became an amazing story of survival. Award-winning author Marc Aronson brings us the backstory behind how this

astounding rescue took place. *Rising Water* highlights the creative thinking and technology that made a successful mission possible by examining the physical, environmental, and psychological factors surrounding the rescue. From the brave Thai Navy SEAL who lost his life while placing oxygen tanks along the passageways of the cave, to the British divers that ultimately swam the boys to safety, to the bravery of the boys and their coach, this is the

brehtaking rescue that captivated the entire world.

Rescue Matters HMH

"Peter Zheutlin has written a lovely, moving, important book about a subject that is both heartbreaking and joyful."

- Dean Koontz How far would you go to save a life? This is the extraordinary story of one man who has driven more than 1 million miles to rescue thousands of dogs from hunger, abuse and neglect and give them a second chance at life and love. For years, Greg

Mahle struggled to keep the last of his family-run restaurants afloat in Ohio. When it finally closed, he was broke and unsure what to do next. Then a stranded van-load of puppies changed his life forever. Join journalist Peter Zheutlin as he travels with Greg from Ohio to the Gulf Coast on his Rescue Road Trips to bring hard-luck dogs from the deep South to loving "forever families" up north looking to adopt a pet, with the help of many selfless volunteers along the way. From Houston's

impoverished Fifth Ward--where thousands of strays roam the streets--and high-kill animal shelters in Louisiana, to joyous scenes of adopters embracing their new pups in the Northeast, Rescue Road is full of heart: an inspiring story about the unique bond between dogs and humans, and how going the extra mile can make a life-changing difference for these loyal canines--and for us all. A heartwarming, awe-inspiring story of how one man can impact so many lives, human and puppy

alike. Fans of Marley and Me, Oogy: The Dog Only A Family Could Love, and You Had Me At Woof will be inspired and touched by this story. What readers are saying about Rescue Road: "I stand in awe of those who can do this kind of rescue work, for their persistence, compassion and willingness to get dirty in the service of animals." "a heartwarming & eye opening journey into the world of dog rescue." "I highly recommend this book if you are looking to restore your faith in

humanity." "a heart-warming story that reaffirms there are many compassionate people who work tirelessly to save dogs." What reviewers are saying about Rescue Road: "An unabashedly sentimental and affecting portrait of a modern-day animal-loving hero." - Kirkus "a canine caravan with heart and soul..." - Teresa Rhyne, author of the #1 NYT bestseller *The Dog Lived (And So Will I)* "Heartwarming doesn't suffice to describe it... restores faith in

humanity." - Alexandra Horowitz, author of *Inside of a Dog: What Dogs See, Smell, and Know* "A tender, inspiring homage..." - Matthew Gilbert, author of *Off the Leash: A Year at the Dog Park* "Inspiring and riveting new book...a must-read..." - *The Bark On Wings of Eagles* Random House Books for Young Readers Fantasy adventure. With the help of a prince and an apprentice wizard, Wren strives to rescue Princess Tess, from the fortress of a wicked king.

Freddy to the Rescue

Farrar, Straus and Giroux
(BYR)

Winner, 2020 JDC-Herbert
Katzki Award for Writing

Based on Archival

Material, given by the
Jewish Book Council The

astonishing story of the
efforts of scholars and

activists to rescue Jewish
cultural treasures after

the Holocaust In March
1946 the American

Military Government for
Germany established the

Offenbach Archival Depot
near Frankfurt to store,
identify, and restore the

huge quantities of Nazi-
looted books, archival
material, and ritual
objects that Army
members had found
hidden in German caches.
These items bore
testimony to the cultural
genocide that
accompanied the Nazis'
systematic acts of mass
murder. The depot built a
short-lived lieu de
memoire—a “mortuary of
books,” as the later
renowned historian Lucy
Dawidowicz called it—with
over three million books
of Jewish origin coming
from nineteen different

European countries
awaiting restitution. A
Mortuary of Books tells
the miraculous story of
the many Jewish
organizations and
individuals who, after the
war, sought to recover
this looted cultural
property and return the
millions of treasured
objects to their rightful
owners. Some of the most
outstanding Jewish
intellectuals of the
twentieth century,
including Dawidowicz,
Hannah Arendt, Salo W.
Baron, and Gershom
Scholem, were involved in

this herculean effort. This led to the creation of Jewish Cultural Reconstruction Inc., an international body that acted as the Jewish trustee for heirless property in the American Zone and transferred hundreds of thousands of objects from the Depot to the new centers of Jewish life after the Holocaust. The commitment of these individuals to the restitution of cultural property revealed the importance of cultural objects as symbols of the enduring legacy of those

who could not be saved. It also fostered Jewish culture and scholarly life in the postwar world.

To the Rescue!

HarperCollins UK

Originally published as Sam's Speedy Truck, this best-selling multi-layered board book has been brought back with all-new art and story updates perfect for today's toddler. Ring! Ring! Will they save the day, or will a giant octopus leave them high and dry? Girls and boys ages 3 to 7 will love this full-color storybook, which

features a card game and over 30 stickers!
The Perfect Storm Studio Fun International
From New York Times bestselling author Jennifer A. Nielsen comes a thrilling World War II story of espionage and intrigue, as one girl races to crack a coded message to save her father and the French resistance. Six hundred and fifty-seven days ago, Meg Kenyon's father left their home in France to fight for the Allies in World War II, and that was the last time Meg saw him. Recently, she heard

he was being held prisoner by the Nazis, a terrible sentence from which Meg fears he'll never return. All she has left of him are the codes he placed in a jar for her to decipher, an affectionate game the two of them shared. But the codes are running low, and soon there'll be nothing left of Papa for Meg to hold on to at all. Suddenly, an impossible chance to save her father falls into Meg's lap. After following a trail of blood in the snow, Meggie finds an injured British spy hiding

in her grandmother's barn. Captain Stewart tells her that a family of German refugees must be guided across Nazi-occupied France to neutral Spain, whereupon one of them has promised to free Meg's father. Captain Stewart was meant to take that family on their journey, but too injured to complete the task himself, he offers it to Meg, along with a final code from Papa to help complete the mission -- perhaps the most important, and most difficult, riddle she's

received yet. As the Nazis flood Meg's village in fierce pursuit, she accepts the duty and begins the trek across France. Leading strangers through treacherous territory, Meg faces danger and uncertainty at every turn, all the while struggling to crack her father's code. The message, as she unravels it, reveals secrets costly enough to risk the mission and even her own life. Can Meg solve the puzzle, rescue the family, and save her father?
Rising Water Scholastic

Inc.
 "A wonderful nightmare of a book: tender and frightening, disturbing but compassionate. *Fever Dream* is a triumph of Schwebelin's outlandish imagination." –Juan Gabriel Vasquez, author of *The Sound of Things Falling* and *Reputations* A young woman named Amanda lies dying in a rural hospital clinic. A boy named David sits beside her. She's not his mother. He's not her child. Together, they tell a haunting story of broken souls, toxins, and the

power and desperation of family. *Fever Dream* is a nightmare come to life, a ghost story for the real world, a love story and a cautionary tale. One of the freshest new voices to come out of the Spanish language and translated into English for the first time, Samanta Schwebelin creates an aura of strange psychological menace and otherworldly reality in this absorbing, unsettling, taut novel.
Doc to the Rescue Basic Health Publications, Inc.
 The first adventure of this NEW YORK TIMES best-

selling porcine wonder is now available as an e-book. (Ages 6 - 8) Features an audio read-along! To Mr. and Mrs. Watson, Mercy is not just a pig – she's a porcine wonder. And to the portly and good-natured Mercy, the Watsons are an excellent source of buttered toast, not to mention that buttery-toasty feeling she gets when she snuggles into bed with them. This is not, however, so good for the Watsons' bed. BOOM! CRACK! As the bed and its occupants slowly sink

through the floor, Mercy escapes in a flash – "to alert the fire department," her owners assure themselves. But could Mercy possibly have another emergency in mind – like a sudden craving for their neighbors' sugar cookies? Welcome to the wry and endearing world of Mercy Watson – an ebullient new character for early chapter-book readers in a series that's destined to be a classic.

NEWBERY MEDAL WINNER

• TIME MAGAZINE'S 100 BEST FANTASY BOOKS OF ALL TIME • NOW A MAJOR MOTION PICTURE FROM DISNEY Read the groundbreaking science fiction and fantasy classic that has delighted children for over 60 years! "A Wrinkle in Time is one of my favorite books of all time. I've read it so often, I

know it by heart." —Meg Cabot Late one night, three otherworldly creatures appear and sweep Meg Murry, her brother Charles Wallace, and their friend Calvin O'Keefe away on a mission to save Mr. Murray, who has gone missing while doing top-secret work for the government. They travel via tesseract—a wrinkle that transports one across space and time—to the planet Camazotz, where Mr. Murray is being held captive. There they discover a dark force that

threatens not only Mr. Murray but the safety of the whole universe. A Wrinkle in Time is the first book in Madeleine L'Engle's Time Quintet. *General Awareness For SSC Book 2024 (English Edition) - 25 Solved Topic-wise Tests For SSC CGL, CPO, CHSL, MTS, Stenographer and Other SSC Exams* Puffin #1 bestselling author Ken Follett tells the inspiring true story of the Middle East hostage crisis that began in 1978, and of the unconventional means one American used to

save his countrymen. . . . When two of his employees were held hostage in a heavily guarded prison fortress in Iran, one man took matters into his own hands: businessman H. Ross Perot. His team consisted of a group of volunteers from the executive ranks of his corporation, handpicked and trained by a retired Green Beret officer. To free the imprisoned Americans, they would face incalculable odds on a mission that only true heroes would have dared.
