Princess Labelmaker to the Rescue! (Origami Yoda #5) Courier Corporation
 This one-of-a-kind maze book set in a galaxy far, far away is a fun, interactive way to explore the Star Wars(TM) universe. Expert maze creator and lifelong Star Wars fan Sean C. Jackson brings the saga to life through more than 30 beautifully illustrated mazes of iconic scenes and locations ranging from the forest moon of Endor to Bespin's Cloud City, the dark side planet of Exegol, Jabba's palace, pod races, clone armies, and much more. Each full-color maze includes notes about the environment and special bonus elements to find hidden along the way. Star Wars fans of all ages will enjoy racing through the corridors of the Death Star, scavenging inside a fallen star destroyer on Jakku, searching the rocky cliffs of Ahch-To, and much more. - EXPLORE A GALAXY FAR, FAR AWAY: Immerse yourself in a brand new way when you explore your favorite Star Wars locations via exciting mazes. - ACCOMPLISH MISSIONS WITH EACH MAZE: Each of the dozens of unique mazes comes with its own mission that's accomplished by finishing the maze, such as "Return to the base to escort the last transport off planet," "Take the smuggler Han Solo back to your ship," and "Locate Jedi Master Yoda in the mysterious swamp." - EXTRA, FINDABLE ITEMS IN EACH MAZE: In addition to the maze itself, each includes other game activities or elements to find. - BEAUTIFULLY ILLUSTRATED AND REPLAYABLE: The gorgeously detailed full color mazes may be solved by pen or pencil, but using a non-writing item to follow the paths leaves the book ready to replay.  Frank Lloyd Wright Paper Models features step-by-step instructions and templates so you can create beautiful kirigami versions of Frank Lloyd Wright's iconic modernist architecture. Frank Lloyd Wright (1867–1959) is the most renowned and popular architect and designer in America. His buildings, including Fallingwater and New York's Guggenheim Museum, are iconic landmarks. Now you can create 14 of his best-loved buildings using the art of kirigami. Frank Lloyd Wright building kirigami templates included are: • Unity Temple • Frederick C. Robie House • Imperial Hotel • Aline Barnsdall "Hollyhock" House • Millard House (La Miniatura) • John Storer House • Freeman House • Charles Ennis House • National Life Insurance Building • Taliesin West • Herbert And Katherine Jacobs I House • Edgar J. Kaufmann House "Fallingwater" • Johnson Wax Administration Building • Solomon R. Guggenheim Museum Perfect for those that enjoy origami, each project features a short history of each house, step-by-step instructions and a template that you remove from the book. You follow the lines on the template, cutting and folding to make your own model. All you need is a scalpel, a cutting mat and a ruler. Clear cutting tips help you with the tricky stages, while photos of the finished model show you the final design. To make things easier, the most intricate parts of the templates have been pre-cut. Simply display your finished model and admire your handiwork. Frank Lloyd Wright Paper Models is a must for Wright fans and architectural model enthusiasts. "Kirigami is the elegant Japanese art of folding and cutting paper to create intricate models. It's also the perfect medium for recreating the harmonious architecture of Frank Lloyd Wright."  In Princess Labelmaker to the Rescue , the war against the FunTime Menace--aka test prep--wages on at McQuarrie Middle School. Our heroes have already won one battle, with the help of surprising ally Jabba the Puppett. But to defeat the Dark Standardized Testing Forces they're going to need an even bigger, even more surprising ally: Principal Rabbski. With pressure from great forces--the school board--will this former enemy join the Rebellion, or will her transformation into Empress Rabbski, Dark Lord of the Sith, be complete? With this topical episode, Tom Angleberger demonstrates once again that his "grasp of middle-school emotions, humor and behavior is spot-on" (Scripps Howard News Service). Praise for Princess Labelmaker to the Rescue "Fans will devour this satisfying and nicely realistic conclusion to the story set up in the previous volume. Characters grow, and non-Star Wars pop-culture references seep in. Readers new to the series are advised to go back to the beginning; they won't regret it." --Kirkus Reviews "These books are more popular than a

working droid on Tatooine. Expect the usual army of young Jedi to come out swinging for a copy." --Booklist

"This stunningly illustrated book, rendered in deep blues and greens, charts a river's meandering course through cities, farms and jungles." —Entertainment Weekly A Winner of the New York Times/New York Public Library Best Illustrated Children's Books Award There's a river outside my window. Where will it take me?

So begins the imaginary journey of a child inspired by the view outside her bedroom window: a vast river winding through a towering city. A small boat with a single white sail floats down the river and takes her from factories to farmlands, freeways to forests, out to the stormy and teeming depths of the ocean, and finally back to the comforts—and inspirations—of home. This lush, immersive book by award-winning picture book creator Marc Martin will delight readers of all ages by taking them on a transcendent and aspirational journey through an imaginative landscape. "A subtle study of how imagination allows children to safely explore the unknown without ever leaving home."
