*The Roommate's Baby*  
HarperCollins

A single text message can change everything!  
Flirting has never been Denny's strong suit, but so what if she's too shy to ask women out? She's content with her simple life, working as a cashier

and helping her sister raise her niece. But then she gets a wrong-number text message from a stranger named Eliza, asking her of all people for dating advice! Eliza is Denny's total opposite: witty, outgoing--and straight. Despite their differences, the accidental text sparks an unlikely friendship. Soon, Eliza--self-proclaimed queen of disastrous first dates--

would rather banter back and forth with Denny than to keep trying her luck at online dating. When they meet in person, there's an instant connection. But what Eliza is feeling can't be attraction, right? It doesn't mean a thing that she's starting to wish the guys she dates would be more like Denny. Or does it? Can the wrong number lead to the right woman after all? Wrong Number,

Right Woman is a light-hearted, slow-burn lesbian romance that embraces likable characters without all the drama.

*Roommate Rules* Simon and Schuster  
 NEW YORK TIMES  
 BESTSELLER A Most Anticipated Book of 2022  
 by Cosmopolitan, Goodreads, PopSugar, and more! From the author of the Goodreads Choice Award winner *The Spanish Love Deception*, the eagerly anticipated follow-up featuring Rosie Graham and Lucas Martín, who are forced to share a

New York apartment. Rosie Graham has a problem. A few, actually. She just quit her well paid job to focus on her secret career as a romance writer. She hasn't told her family and now has terrible writer's block. Then, the ceiling of her New York apartment literally crumbles on her. Luckily she has her best friend Lina's spare key while she's out of town. But Rosie doesn't know that Lina has already lent her apartment to her cousin Lucas, who Rosie has been stalking—for

lack of a better word—on Instagram for the last few months. Lucas seems intent on coming to her rescue like a Spanish knight in shining armor. Only this one strolls around the place in a towel, has a distracting grin, and an irresistible accent. Oh, and he cooks. Lucas offers to let Rosie stay with him, at least until she can find some affordable temporary housing. And then he proposes an outrageous experiment to bring back her literary muse and meet her deadline: He'll

take her on a series of experimental dates meant to jump-start her romantic inspiration. Rosie has nothing to lose. Her silly, online crush is totally under control—but Lucas's time in New York has an expiration date, and six weeks may not be enough, for either her or her deadline.

EZRAPartying, dudes, and hockey. What more could a gay NHL player want? If it weren't for Anton Hayes, my life would be perfect. Not that he affects my life in any way. At all. That would imply I care what the winger from Philly thinks of me. Which I don't. Not even a one-night stand with him can thaw his misplaced animosity toward me. He

says I'm the one with the ego, but he can talk. He rivals me for most egotistical puck boy in the league. I hate him as much as he hates me. Even if I crave a repeat. ANTON When it comes to hockey, I'm all about the game. I've worked for years to be one of the best in the league, and I've done it without splashing my orientation all over the tabloids. My hockey image is one I've carefully cultivated, and after one night with Ezra Palaszczuk, I risk it

all. He's cocky, obnoxious, and has an ego bigger than Massachusetts. And okay, maybe he's the sexiest man I've ever known. We'll never get along. Not when we sleep together. Not even when my possessive streak awakens. That doesn't stop us from falling into bed together over and over again.

Sheldon's Roommate Agreement  
Ballantine Books

"Warmly funny and gorgeously sexy."—New York Times Book Review  
A LibraryReads Pick House

Rules: Do your own dishes  
Knock before entering the bathroom  
Never look up your roommate online  
The Wheatons are infamous among the east coast elite for their lack of impulse control, except for their daughter Clara. She's the consummate socialite: over-achieving, well-mannered, predictable. But every Wheaton has their weakness. When Clara's childhood crush invites her to move cross-country, the offer is too tempting to resist. Unfortunately, it's also too

good to be true. After a bait-and-switch, Clara finds herself sharing a lease with a charming stranger. Josh might be a bit too perceptive—not to mention handsome—for comfort, but there's a good chance he and Clara could have survived sharing a summer sublet if she hadn't looked him up on the Internet... Once she learns how Josh has made a name for himself, Clara realizes living with him might make her the Wheaton's most scandalous story yet. His professional prowess

inspires her to take tackling the stigma against female desire into her own hands. They may not agree on much, but Josh and Clara both believe women deserve better sex. What they decide to do about it will change both of their lives, and if they're lucky, they'll help everyone else get lucky too.

### Roommate Arrangement

#### NOLO

Let your homeless best friend stay with you, he said. Being roommates will be fun, he said. It's only temporary, he

said. He never said I'd fall for him. You know what isn't 'temporary?' The endless stream of dirty socks in my bathroom and empty food packets under the sofa--and don't even get me started on the hot guys who take over my living room every Sunday to watch sports. I can't take anymore. So I propose a roommate agreement. One that will bring peace and order back to my life, complete with rules that might just stop my newfound crush on my best friend in its tracks. After all, there's

only so many times you can see your best friend naked before you start to lose your mind. Rules. They're meant to be broken... Aren't they?

**The Flatshare** Kennedy Fox

The Roommate Agreement was written by Sheldon and was signed by Leonard when they first became roommates. These events were shown during a flashback in The Staircase Implementation (S03E22). Sheldon starts mentioning paragraphs from the Roommate Agreement in the episode

The Cooper-Nowitzki Theorem (S02E06) and continues to do so throughout the series, usually when one of the clauses is being violated. This Roommate Agreement is one you could also use in real life. It is complete and coherent with real legal clauses used in real agreements. The first 42 sections form a roommate agreement you might have even signed. The last sections contain Sheldon's special clauses to suit his quirks. They come with foot notes so

you can find the references. Contents: Roommate Agreement Sheldon's Schedule Relationship Agreement **A Convenient Arrangement** Kendall Ryan  
 Conor Brady is the hottest man I have ever laid eyes on. Ever. He's also my new roommate. In the past few days, I became jobless, homeless, and boyfriendless. So, I did what any 28-year-old woman with her life together would do: I ran. Far, far away from my life in New York and straight

to my big brother's house in Atlanta. Only, it turns out that my brother is away on a business trip. And, he failed to tell me that a full-on, godlike hottie-who happens to be a premier house flipper-has taken up residence in the spare bedroom while his enormous new house is being renovated. There's a million reasons why I shouldn't fall for Conor. But our chemistry is undeniable. Which means I have a teeny, tiny situation on my hands... The Roommate Situation is a laugh-out-

loud funny, swoony, closed door romantic comedy. Expect some mild language and suggestive jokes alongside sizzling hot chemistry and tension you could cut with a knife-all without the explicit scenes.

#### Egotistical Puckboy

Independently Published Fake Cinderella. Real Romance. Luke Pardini is many things: playboy, tabloid fodder, ridiculously attractive billionaire. He's the Prince Charming every woman dreams of. And he wants me to be his

fake girlfriend. I don't want a relationship, even a make-believe one, but I do need the money. Writing isn't paying the bills, and I hardly have time for a second job, let alone a romance. But he's offering me a dream-come true. I'll get the fancy dresses, the formal dinners, the full Luke Pardini experience. I get to be Cinderella for a few weeks, then I'll trade in the shoes. No problem, right? Except I don't have to pretend when he touches me, but he's made it clear I only get to

play his girlfriend for a few weeks. When midnight strikes, our Cinderella Arrangement is over. He promised the arrangement would be simple. I promised I wouldn't fall in love. Author's Note: The Cinderella Arrangement was previously published as Break and Crash. The books have been re-edited and some elements of the story changed. Both stories are standalone novels with HEAs.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called “the Dear Abby of the work world.” Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green

does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit “reply all” • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making

you homicidal • you got drunk at the holiday party Praise for Ask a Manager “A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work.”—Booklist (starred review) “The author's friendly, warm, no-nonsense writing is a pleasure to read, and her

advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of

humor."—Robert Sutton, Stanford professor and author of *The No Asshole Rule* and *The Asshole Survival Guide* "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of *Broke Millennial: Stop Scraping By and Get Your Financial Life Together*  
**Roommate Arrangement** Scholastic Inc.  
 Mike Bravo. Knights in shining ? camo. Irisl live for adrenaline. The thrill of the chase. And because

I work for Mike Bravo, a private black-ops firm, it's my job to go into dangerous situations. But when we're called in to extract a military team from a hostile situation, the thrill is so much better. Because one of those men happen to be the golden boy from my basic training days. Brock "Saint" Harlow was a walking Captain America in the flesh. The perfect soldier. Now my boss wants to recruit him, and I can't wait to rub it in his face that he was rescued by me. The class

clown. I'm not called Iris "I require intense supervision" for nothing. Saint Military life is all I've known since I was born. I was raised to be a soldier. But when a top-secret mission fails, I find myself suddenly discharged with nowhere to go. Mike Bravo saved my life, and they want me to join them, but there's one small problem. Isaac "Iris" Griffin. He's as irresistibly snarky as he always was, only there's a big difference this time. I'm no longer closeted or scared to live

my truth. And the truth is, I've always wanted him. It's against Mike Bravo's rules to fraternize with other team members, and I always follow orders. But something tells me Iris might be worth the insubordination. *The Roommates* Absolute Books Completely revised and updated with a focus on civility and inclusion, the 19th edition of Emily Post's *Etiquette* is the most trusted resource for navigating life's every situation From social

networking to social graces, Emily Post is the definitive source on etiquette for generations of Americans. That tradition continues with the fully revised and updated 19th edition of *Etiquette*. Authored by etiquette experts Lizzie Post and Daniel Post Senning—Emily Post's great-great grandchildren—this edition tackles classic etiquette and manners advice with an eye toward diversity and the contemporary sensibility that etiquette is defined

by consideration, respect, and honesty. As our personal and professional networks grow, our lives become more intertwined. This 19th edition offers insight and wisdom with a fresh approach that directly reflects today's social landscape. Emily Post's Etiquette incorporates an even broader spectrum of issues while still addressing the traditions that Americans appreciate, including: Weddings Invitations Loss, grieving, and condolences Entertaining at home and

planning celebrations Table manners Greetings and introductions Social media and personal branding Political conversations Living with neighbors Digital networking and job seeking The workplace Sports, gaming, and recreation Emily Post's Etiquette also includes advice on names and titles—including Mx.—dress codes, invitations and gift-giving, thank-you notes and common courtesies, tipping and dining out, dating, and life

milestones. It is the ultimate guide for anyone concerned with civility, inclusion, and kindness. Though times change, the principles of good etiquette remain the same. Above all, manners are a sensitive awareness of the needs of others—sincerity and good intentions always matter more than knowing which fork to use. The Emily Post Institute, Inc., is one of America's most unique family businesses. In addition to authoring books, the Institute

provides business etiquette seminars and e-learning courses worldwide, hosts the weekly Q&A podcast Awesome Etiquette and trains those interested in teaching Emily Post Etiquette.

NEW YORK TIMES  
BESTSELLER • A stunning  
“portrait of the enduring  
grace of friendship” (NPR)

about the families we are born into, and those that we make for ourselves. A masterful depiction of love in the twenty-first century. NATIONAL BOOK AWARD FINALIST • MAN BOOKER PRIZE FINALIST • WINNER OF THE KIRKUS PRIZE A Little Life follows four college classmates—broke, adrift, and buoyed only by their friendship and ambition—as they move to New York in search of fame and fortune. While their relationships, which are tinged by addiction, success, and pride,

deepen over the decades, the men are held together by their devotion to the brilliant, enigmatic Jude, a man scarred by an unspeakable childhood trauma. A hymn to brotherly bonds and a masterful depiction of love in the twenty-first century, Hanya Yanagihara’s stunning novel is about the families we are born into, and those that we make for ourselves. Look for Hanya Yanagihara’s latest bestselling novel, To Paradise.  
Emily Post's Etiquette,

19th Edition Penguin  
Payne: In search of: room to rent. Must ignore the patheticness of a forty-year-old roommate. Preferably dirt cheap as funds are tight (nonexistent). There's nothing sadder than moving back to my hometown newly divorced, homeless, and lost for what my next move is. When my little brother's best friend offers me a place to stay in exchange for menial duties, I swallow my pride and jump at the offer. I need this. I also need

Beau to wear a shirt. And ditch the gray sweatpants. And not leave his door ajar when he's in compromising positions ...  
Beau: In search of: roommate. Must be non smoker and non douchebag. Room payment to be made in meal planning, repairs, and dumb jokes. Since my career took off, I barely have time to breathe, let alone keep my life in order. I'm naturally chaotic, make terrible decisions, and scare off potential dates with my "weirdness". So when

Payne gets back into town and needs somewhere to stay, I offer him my spare room with one condition: while he's staying with me, I need him to help me become date-able. And while he does that, I can focus on my other plan: ignoring that Payne is the only man I've ever wanted to date.

*The Roommate Arrangement* Createspace Independent Publishing Platform

Two best friends. Seven years of pining. One explosive summer...  
Romance is weakness,

and Jasmine Allen doesn't have time for either. Lifelong cynic Jas is the queen of one-night things—until a plumbing disaster screws everything up and leaves her temporarily homeless. Luckily, she has someone to turn to: her best friend Rahul. For seven years, Rahul Khan has followed three simple rules. Don't touch Jasmine if you can help it. Don't look at her arse in that skirt. And don't ever—ever—tell her you love her. He should've added another rule: Do not, under any

circumstances, let Jas move into your house. Now Rahul is living with the friend he can't have, and it's decimating his control. He knows their shared dinners aren't dates, their late-night kisses are a mistake, and the tenderness in Jasmine's gaze is only temporary. One wrong word could send his skittish best friend running. So why is he tempted to risk it all? The Roommates Anchor My brother gave me a place to stay. These are his rules: 1. Cook and

clean for his seven hot roommates. 2. Do not sleep with his friends 3. Do not under any circumstances talk to his ex-best friend, Grayson Grayson is a six-foot-two athlete with sun-kissed skin, slabs and slabs of muscle, and gorgeous dimples curving into his cheeks. My brother hates him, and the feeling is mutual. The moment I saw Grayson, I was smitten. Then he kissed me. Laid me on the kitchen table. Stroked my body with his tongue. Now we can't keep our hands

off each other. It's a forbidden romance, a hot summer fling, but I'll trade everything to have endless balmy nights with him. We could have it all if it weren't for my overprotective brother. The guy holding an axe over my future. He'll kick me to the curb if he finds out, but I'm risking it all just to have Grayson for one more night. Seven hot bachelors. One delicious mistake. Snow White never had it this bad.

Author's Note: This is the second in the series, but it is a full-length standalone

novel.

Just for Show Simon and Schuster

A feisty comedian. A former cop with a wounded heart. An unusual roommate arrangement... Comedian Stephanie Renshaw hopes to finally get her big break in LA. A chance encounter lands her the perfect apartment close to the comedy clubs, but it comes with a catch: she needs a roommate to afford the rent. Enter Rae Coleman, a former police officer working the door at one of the top comedy

clubs. After getting injured in the line of duty and losing her job with the LAPD, Rae guards her wounded soul behind a tough exterior. At first, the two clash horribly before a tentative friendship develops. Bit by bit, Steph manages to break through the walls Rae has built around her. But Steph has never been in a relationship, preferring casual flings, and Rae isn't sure she's ready to be happy again. Will they find the courage to open themselves up to love? Falling in love is not

a laughing matter in this opposites-attract lesbian romance with a bit of a fake relationship thrown in.

*The Roommate*

*Arrangement* Sleeping

Dragon Books

She wants a baby but not a relationship. Her hot roommate has always preferred No Strings Attached. On paper, it seems like a perfect arrangement. Until they spend the night together. Until their hearts start racing with more than just lust. Until both of them

realize they want more than they signed up for. But what if it's too late to change the deal?

*The Roommate* Kiersten Modglin

Cuffing season has come for lesbians. Jess Archer, digital journalist for the internet's hottest lesbian media platform, has been assigned to research cuffing, from an up close and personal perspective. She's not sure it's really her thing, but the assignment gives her the chance to write something

more substantial than her usual fluff pieces. All she needs now is a willing lesbian. For Cody Dawson, signing up for Jess's project is a no-brainer.

She gets to date an interesting woman, enjoy her company, and not disrupt the tidy life she's built for her son.

Everything's perfect until she starts falling for Jess. When she realizes she's heart-deep in the feelings she's agreed not to have, their convenient arrangement becomes anything but.
