**Spartacus International Gay Guide 2006** Routledge

This travel guide describes the top 20 destinations worldwide: gay metropolises, gay beaches and gay parties. The focus is set on the most popular locations where readers will encounter the hottest guys and where they can spend a really great time. From the publishers of the Spartacus Guide, with many insider tips.

*Lonely Planet Germany* Bruno Gmuender GMBH

First published in 1990, The Encyclopedia of Homosexuality brings together a collection of outstanding articles that were, at the time of this book's original publication, classic, pioneering, and recent. Together, the two volumes provide scholarship on male and female homosexuality and bisexuality, and, reaching beyond questions of physical sexuality, they examine the effects of homophilia and homophobia on literature, art, religion, science, law, philosophy, society, and history. Many of the writings were considered to be controversial, and often contradictory, at that time, and refer to issues and difficulties that still exist today. This volume contains entries from M-Z.

Spartacus International Hotel and Restaurant Guide Bruno Gmunder Verlag

Universally recognised as the best gay travel guide, 2014

Spartacus International Gay Guide has everything gay men need to know when visiting any country in the world. Includes maps, transport, accommodation, beaches, cruising areas, restaurants and nightlife. Now in its 43rd edition, this is the longest running gay guide in print. Spartacus is the benchmark for gay travel and the most authoritative, up-to-date guide available. Meticulously researched and fully revised, the all-new Spartacus takes the stress out of travel.

**STARZ Spartacus** Cornell University Press

Effective treatment for HIV and AIDS came in 1996. For sufferers in the developed world, this marked a true watershed moment: the end of the death sentence. But for many in the developing world, including in Southeast Asia, these new treatments remained far out of reach. In his early thirties, following the loss

of his partner to an AIDS-related illness, Chris Beyrer wrote the first edition of War in the Blood. Three decades later, having served as president of the International AIDS Society, he believes we have arrived at an extraordinary milestone. For the first time, a patient has been demonstrably cured of HIV, new vaccine trials in Thailand have shown great promise, and the PrEP programme genuinely works. So why are over half of the estimated 38.8 million people living with HIV still not on treatment? War in the Blood is a labour of love, both a celebratory account of Southeast Asia and the story of our failure to protect those most vulnerable the world over – gay men, adolescent girls, sex workers, drug users, and transgender women. Beyrer offers an impassioned plea for our communities and governments – and our own hearts and minds – to stop denying the realities of sex, sexuality, and gender, and to take affirmative action.

Spartacus, 1993-1994 Bruno-Books

The bestselling travel guide on the international gay market, the newest edition of this world- famous guide contains information for 160 countries worldwide, with 22,000 addresses. No matter what you're looking for, whether it be an extravagant hotel, the most popular beach, or the local gay switchboard, here you can find the hottest tips for your holiday plans. Illustrated with city and country maps and full-colour photographs.

**Berlin: Von Hinten Gay Guide** Bruno Gmuender GMBH

This Handbook provides a critical analysis of the evolution of the contemporary niche tourism phenomenon. By framing discussions around sustainable development thinking, concepts and practical applications, each chapter provides specific reflections on niche tourism trends, successes and/or failures, and the challenges and opportunities that destinations that pursue tourism as a vehicle for sustainable development face around the world.

*Spartacus Berlin Gay Guide 2017* Bruno Gmuender GMBH

Still universally recognised as the best gay travel planner, 2012 Spartacus International Gay Guide has everything gay men need to know when visiting any country in the world. Includes maps, transport, accommodation, beaches, cruising areas, restaurants and nightlife. Now in its 41st edition, this is the longest running gay guide in print and even though the competition increases,

Spartacus still manages to increase its sales and market share every year. Meticulously researched and fully revised, the all-new Spartacus takes the stress out of travel.

**Spartacus** Lonely Planet

The most exhaustive guide available to the jungle of gay websites across the world. Completely user friendly, with each entry giving detailed information on site contents and special characteristics, this is the global guide that no gay internet user should be without.

Spartacus Berlin gay guide Routledge

When elsewhere the streets empty for the night, the fun just starts in Berlin. Even during the day it never gets boring. With the abundance of clubs, bars, museums, galleries, and theaters one can quickly lose the overview. But not with this guide. This completely revised edition includes many free tickets and vouchers to various parties and sights--a must-have for every Berlin visitor.

**The Color of Desire** Bruno Gmuender GMBH

Seit 1981 erfreut sich unser schwuler Berliner Reiseführer Berlin von hinten großer Beliebtheit in der Szene. Da unser Guide mittlerweile mehr und mehr auch von internationalen Lesern angenommen wird, wollen wir dem auch mit einem neuen Titel Rechnung tragen. Berlin wird immer internationaler und zieht junge Menschen aus aller Welt an. Daher wird aus Berlin von hinten der Spartacus Berlin Gay Guide. Der Guide liefert viele Gründe, einen Berlin-Besuch zu machen. Sex, Events, Kultur, Sehenswürdigkeiten, Shopping in dieser Fülle ist das in Deutschland nur in dieser Stadt zu erleben. Hier findet man im Anschluss an den Texten zu den jeweiligen Themen eine Adressenliste von Geschäften und Locations, die es zu besuchen gilt. Auch Stadtteilkarten verhelfen hier dem Leser zum Durchblick in der Metropole. Man findet auch alle wichtigen Adressen zu Übernachtungsmöglichkeiten, Touristen-Infos, Fahrplan des öffentlichen S- und U-Bahn-Netzes, schwule Presse, Ärzte usw.

Spartacus International Gay Guide Bruno Gmuender GMBH

popular demand, provides a wealth of information on the international hotel and restaurant world for gay men. Offering detailed descriptions and practical information about gay-friendly accommodation and restaurants in nearly every holiday destination, be it exotic or local, this user-friendly guide is a must for the gay globe trotter.

Encyclopedia of Homosexuality Bruno Gmuender GMBH

The bestselling travel guide on the international gay market, the newest edition of this world-famous guide contains information for 160 countries worldwide, with 22,000 addresses matter what you're looking for, whether it be an extravagant hotel, the most popular beach, or the local gay switchboard, here you can find the hottest tips for your holiday plans. Illustrated with city and country maps and full-colour photographs.

**Spartacus** Bruno Gmunder Verlag

Gladiator, rebel slave leader, revolutionary: the figure of Spartacus frequently serves as an icon of resistance against oppression in modern political movements, while his legend has inspired numerous receptions over the centuries in many different media. With its visually excessive style of graphic sex and CGI-enhanced violence, the four seasons of the premium cable television series STARZ Spartacus tells the story of the historical Thracian gladiator who led a slave uprising against the Roman Republican army from 73 to 71 BC. STARZ Spartacus: Reimagining an Icon on Screen is the first scholarly volume to explore the entirety of this critically acclaimed and commercially successful drama series. This new volume brings together pioneering and provocative essays written by an international cast of leading classical scholars and experienced media critics. Turning a sharp eye on the series' historical framework, visual and narrative style, thematic overtones, and interaction with contemporary popular culture, this volume also engages with the authenticity of the production and considers its place in the tradition of epic films and television series set in ancient Rome. At once both erudite and entertaining, STARZ Spartacus: Reimagining an Icon on Screen is an invaluable resource for both students and scholars eager to confront a new Spartacus, as the hero of the slave revolt is recast for a twenty-first century audience.

Discourses of Global Queer Mobility and the Mediatization of Equality Bruno Gmunder Verlag

The best-selling travel guide on the international gay market, the 32nd edition of this world-famous guide contains information for 160 countries world-wide, with 22,000 addresses covering all areas of gay life. No matter what your looking for, whether it be an extravagant hotel, the most popular beach, or the local gay switchboard, here you can find the hottest tips for your holiday plans. Illustrated with city and country maps and full-colour photographs.

*Berlin von hinten.* Hong Kong University Press

The most successful travel guide for the gay market! A practical and easy guide: The important country information texts stand out in colour, distinct and colourful country and city maps assist rapid orientation, easy to find address listings for more than 160 countries worldwide in five different languages. Each country is introduced, describing the legal and social situation of gay men as well as notes on the culture. Contains over 21,000 addresses covering all aspects of gay life, from hotels to beaches.

**Spartacus International Gay Guide** Bruno Gmuender GMBH

The Color of Desire tells the story of how, in the aftermath of gay liberation, race played a crucial role in shaping the trajectory of queer, German politics. Focusing on the Federal Republic of Germany, Christopher Ewing charts both the entrenchment of racism within white, queer scenes and the formation of new, antiracist movements that contested overlapping marginalizations. Far from being discrete political trajectories, racist and antiracist politics were closely connected, as activists worked across groups to develop their visions for queer politics. Ewing describes not only how AIDS workers, gay tourists, white lesbians, queer immigrants, and Black feminists were connected in unexpected ways but also how they developed contradictory concerns that comprised the full landscape of queer politics. Out of these connections, which often exceeded the bounds of the Federal Republic, arose new forms of queer fascism as well as their multiple, antiracist contestations. Both unsettled the appeals to national belonging, or "homonationalism," on which many white queer activists based their claims. Thus, the story of the making of homonationalism is also the story of its unmaking. The Color of Desire explains how the importance of racism to queer politics cannot—and should not—be understood without also attending to antiracism. Actors worked across different groups, making it difficult to chart separable political trajectories. At the

same time, antiracist activists also used the fractures and openings in groups that were heavily invested in the logics of whiteness to formulate new, antiracist organizations and, albeit in constrained ways, shifted queer politics more generally.

*Spartacus '90/91* Edinburgh University Press

This is a fully revised and substantially expanded edition of Peter Jackson's highly regarded pioneering study of an Asian gay culture, *Male Homosexuality in Thailand* (1989). The hero of Jackson's fascinating narrative is "Uncle Go", which was the pen name of a popular magazine editor who, despite being avowedly heterosexual, was tolerant of all sexual practices and whose "agony uncle" columns in the 1970s provided unique spaces in the national press for Thailand's gays, lesbians and transgenders (kathoeyes) to speak for themselves in the public domain. By allowing the voices of alternative sexualities to be heard, Uncle Go emerged as Thailand's first champion of gender equality and sexual rights. Peter Jackson translates and analyses selected correspondence published in Uncle Go's advice columns, preserving and presenting important primary sources. In this new edition, Jackson has expanded his coverage to include not only letters from Thai gay men, but also those from lesbians and transgenders, thus capturing the full diversity of Thailand's modern queer cultures at a key moment in their historical development when new understandings of sexual identities were first communicated to the wider community. "How wonderful to see this classic volume printed in a new expanded edition for the 21st century! When first published the figure of Uncle Go became an instant and unique voice in Thai sexuality studies. Peter Jackson's contributions here are huge and foundational." —Gilbert Herdt, San Francisco State University "If Thailand is now well known for its unique milieu of sex and gender diversity, it is in large part due to Peter Jackson's writings. *First Queer Voices from Thailand* offers a rare archive of non-normative sexualities invaluable for anyone wishing to understand sexual modernity outside of the West." —Ara Wilson, Duke University "An amazing work. Most valuable for this new edition is perhaps the way in which it documents changes in Jackson's thinking, and in the field of sexuality studies, over the last twenty years, in response to the methodological challenges of queer and transgender scholarship." —Susan Stryker, University of Arizona

**Spartacus** Cambridge University Press

The only gay guide you will ever need, SPARTACUS continues to solidly outsell every other guide on the market. Now in its 29th edition, the gay equivalent of Fodors, Lonely Planet and Rough Guide, combined in one international volume, - always imitated - never equalled.
