EMILIANO OCONNELL

Timber Creek The
Countryman Press

No other campground
guidebook focuses solely
on the Michigan quite like
Kevin Revolinski's.

Michigan offers a surprising array of quiet, out-of-the-way parks replete with lakes, rivers, rugged hills, and even rocky cliffs. Fully revised and updated, *Camping Michigan* opens the door to these places. It includes: Ø Up-to-date trail information and route descriptions Ø Accurate directions to popular as well as less-traveled trails Ø Difficulty ratings for each hike Ø Historical highlights Ø Detailed trail maps Ø Zero-impact camping, and wilderness safety tips and techniques

Manistee National Forest
Huron Photo
Challenging hikes to the precipices of dramatic cliffs, gentle walks to breathtaking waterfalls, and satisfying rambles to geological formations that reveal millions of years of natural history. In the same class as the Appalachian Trail, the North Country National Scenic Trail is over twice as long as its older cousin. *50 Hikes on Michigan & Wisconsin's North Country Trail* is a guidebook for both the day hiker and the long-distance

backpacker. With full-color maps and elevation profiles, it covers the certified trail on the ground as well as portions yet to be certified in adjoining states. Included are resources for long-distance backpackers to help them connect trail segments and find local services, as well as mileage charts and other valuable information. Nearly 1,000 miles of trail and connecting routes are covered.

**Sand Lake
Campground** Rowman & Littlefield

Based on the popular Lost In Michigan website that was featured in the Detroit Free Press, It contains locations throughout Michigan, and tells their interesting story. There are over 50 stories and locations that you will find fascinating.
