Step inside the enchanted world of arcane imagery and rich esoteric symbolism in this deeply imaginative embroidery art book! Author Gayla Partridge draws upon her knowledge of vintage anatomical artwork, floral design, palmistry, Ouija, and oddities from the natural world to create magical, witchy twists on an age-old craft. Through extraordinary, stylized photography and detailed close-ups of designs, the embroidery art in *Stitchcraft* is entirely achievable with basic stitches and easy-to-follow instructions, enchanting beginners and expert crafters alike. *Stitchcraft* features: • 30

intricate embroidery designs, using a combination of nine basic stitches • Insights from the author on how she created each piece • 30 basic patterns to get you started embroidering your own version of her designs From the anatomy of a snake to floral skulls, from palmistry hands to botanical hearts, readers will be inspired to recreate Partridge's spellbinding designs and to make them their own.

The Art of Bead Embroidery Search Press Limited

Stash-busting embroidery projects for home décor, clothes, and accessories with folk art-inspired designs, by author of *Modern Folk Embroidery*. Big Embroidery is all about stitching beautiful designs up fast using yarn instead of embroidery thread. Designer

Nancy Nicholson has created a collection of stunning designs based on traditional crewel work, and adapted them for a modern audience using everyday yarn. Crewel embroidery is traditionally done using two-ply wool and stitched onto linen. Nancy shows how to get beautiful results using different types of yarn and fabric, including upholstery fabrics, woolens, and tweeds, to create a collection of stunning quick-to-stitch projects. Choose from home decor items such as cushions, bags, wall hangings and table runners, as well as ideas for embellishing clothing. Nancy shows readers how to do all the key embroidery stitches with a stitch library featuring easy-to-follow diagrams of all the basic crewel embroidery stitches in detail. Explore personal transformation through the stitching of dreams and intentions. Anything but ordinary, *Mystical Stitches* combines the beloved and accessible craft of embroidery with a spiritual element, introducing a rich treasury of 200 magical symbols you can use to set an intention and create personal icons to wear or embellish items in the home. Christi Johnson offers unique patterns inspired by botanicals, animals, numbers, the cosmos, earth elements, zodiac signs, and mythical beasts, for novice or well-practiced crafters to combine into talismans with personal meaning. Johnson's folk art style is vibrant and unintimidating and provides a framework for bringing spiritual elements into physical form. This publication conforms to the EPUB

An accessible guide to understanding and using Spoonflower to design your own fabric, wallpaper, and gift wrap. Designing fabric, wallpaper, and gift wrap used to be the stuff of dreams. Only a few select creatives got to do it, and it required formal training and significant financial investment. But times have changed, and today anyone with a computer, Internet connection, and idea can upload a file and order their own fabric or paper, printed affordably one yard or more at a time. At the forefront of this revolutionary DIY movement is Spoonflower, a North Carolina startup that produces designs

for hundreds of thousands of users worldwide—twenty-four hours a day/seven days a week to keep up with demand. With step-by-step tutorials and projects that span a wide spectrum of skills, *The Spoonflower Handbook* is written for both new and experienced users of this print-on-demand technology. Covering everything from equipment to software to working with photos, scans, repeats, vector files, and more, it is an essential guide to a booming new creative outlet.

Hand Embroidery Dictionary CICO Books Colorful and contemporary embroidery for the modern stitcher. There's something magical about embroidery—some floss, some stitches, some time, and suddenly a plain piece of material is transformed into a picture, a pattern, or a piece of geometric art. Embroidery today is moving away from

the traditional to the modern, with motifs including everything from cacti to crystals, simple white stitching on colored cloth, decorative stitches on denim, and mandala patterns as wall art. Laura Strutt has designed 35 modern makes taking you from the simplest of stitches to more sophisticated techniques. Each make has full step-by-step instructions and there are colored charts where needed for you to recreate the look exactly—but of course you can always choose your own colors if you prefer. With tips on everything from finishing pieces to color theory, and a techniques section covering all the stitches you will need to know, you can hand-embroider any of these projects with confidence.
