One of Vogue's Best Books of 2022 So Far, Buzzfeed's Summer Books You Won't Be Able To Put Down, Book Riot's Best Summer Reads for 2022, and Dazed's Queer Books to Read in 2022

"[Nevada] is defiant, terse, not quite cynical, sometimes flip, addressed to people who think they know. It is, if you like, punk rock." —The New Yorker "Nevada is a book that changed my life: it shaped both my worldview and personhood, making me the writer I am. And it did so by the oldest of methods, by telling a wise, hilarious, and gripping story." —Torrey Peters, author of *Detransition, Baby* A beloved and blistering cult classic and finalist for the Lambda Literary Award for Transgender Fiction finally back in print, Nevada follows a disaffected trans woman as she embarks on a cross-country road trip. Maria Griffiths is almost thirty and works at a used bookstore in New York City while trying to stay true to her punk values. She's in love with her bike but not with her girlfriend, Steph. She takes random pills and drinks more than is good for her, but doesn't inject anything except, when she remembers, estrogen, because she's trans. Everything is mostly fine until Maria and Steph break up, sending Maria into a tailspin, and then onto a cross-country trek in the car she steals from Steph. She ends up in the backwater town of Star City, Nevada, where she meets James, who is probably but not certainly trans, and who reminds Maria of her younger self. As Maria finds herself in the awkward position of trans role model, she realizes that she could become James's savior—or his downfall. One of the most beloved cult novels of our time and a landmark of trans literature, Imogen Binnie's Nevada is a blistering, heartfelt, and evergreen coming-of-age story, and a punk-smear excavation of marginalized life under capitalism. Guided by an instantly memorable, terminally self-aware protagonist—and back in print featuring a new afterword by the author—Nevada is the great

American road novel flipped on its head for a new generation.

American Accent Training Design Originals

Directed to speakers of English as a second language, a multimedia guide to pronouncing American English uses a "pure-sound" approach to speaking to help imitate the fluid ways of American speech.

Loom Magic Xtreme! Cosimo, Inc.

Rubber Band Jewellery Fox Chapel Publishing

An everyday object (the endlessly versatile rubber band) becomes

an invitation to imagine new possibilities in the latest laugh-out-loud picture book from acclaimed author-illustrator Shinsuke Yoshitake! What can you do with a rubber band? You can do everyday things, like keep it close when you sleep or bring it along at bath time. And you can do exciting, unexpected things, like use it to bungee jump out of a plane or to grab a snack. With a special object of your very own, the possibilities are as limitless as your imagination! Acclaimed Japanese author-illustrator Shinsuke Yoshitake (*The Boring Book*, *There Must Be More Than That!*, *I Can Be Anything*, *The I Wonder Bookstore*) delivers another laugh-out-loud experience in his latest picture book. With signature humor, wit, and boundless creativity, this charming story celebrates the potential of everyday objects to become catalysts for curiosity and play, at once honoring a child's attachment to favorite objects and opening the door to a world of exciting new objects and experiences. SHINSUKE YOSHITAKE IS A STAR: Fans of the critically acclaimed picture books *The Boring Book* and *There Must Be More Than That!* will immediately recognize Japanese author-illustrator Shinsuke Yoshitake's signature art style, humor, and imaginative sensibility! ENCOURAGES CREATIVE THINKING: Imaginative play is on full display in this smart and silly picture book about finding joy in an everyday object that others might overlook. Even the smallest of items offers a portal to possibility and play—all you need is a little humor and lots of imagination! EXCELLENT CHOICE FOR STORY TIME: The tone and antics in this picture book are just right for the three-to-five age set, and the quirky, thought-provoking scenarios are fodder for laugh-out-loud moments. Parents and kids alike will enjoy reading this fun and funny tale out loud together! IDEAL FOR RELUCTANT READERS: With a comic-esque style, unique narrative approach, fast pace, and charming voice, this humorous offering packs lots of reluctant-reader appeal. Perfect for: • Fans of Shinsuke Yoshitake • Fans of Japanese picture books • Parents, grandparents, and caregivers • Teachers and librarians • Gift-givers looking for a unique and funny present • Lovers of thoughtful, humorous, and imaginative children's books

Nevada HarperCollins Australia

This book is packed with ways to use rubber bands to make bracelets, belts, desk organizers, toys, musical instruments, art projects, and much more. Peppered through the pages are fun and interesting facts and trivia about rubber bands.

Rubber Band Bracelets GMC Publications

New York Times Bestseller • Finalist for the Pulitzer Prize • An Oprah's Book Club Selection "Powerful . . . [Kingsolver] has with infinitely steady hands worked the prickly threads of religion, politics, race, sin and redemption into a thing of terrible beauty." —Los Angeles Times Book Review *The Poisonwood Bible*, now celebrating its 25th anniversary, established Barbara Kingsolver as one of the most thoughtful and daring of modern writers. Taking its place alongside the classic works of postcolonial literature, it is a suspenseful epic of one family's tragic undoing and remarkable reconstruction over the course of three decades in Africa. The story is told by the wife and four daughters of Nathan Price, a fierce, evangelical Baptist who takes his family and mission to the Belgian Congo in 1959. They carry with them everything they believe they will need from home, but soon find that all of it—from garden seeds to Scripture—is calamitously transformed on African soil. The novel is set against one of the most dramatic political chronicles of the twentieth century: the Congo's fight for independence from Belgium, the murder of its first elected prime minister, the CIA coup to install his replacement, and the insidious progress of a world economic order that robs the fledgling African nation of its autonomy. Against this backdrop, Orleana Price reconstructs the story of her evangelist husband's part in the Western assault on Africa, a tale indelibly darkened by her own losses and unanswerable questions about her own culpability. Also narrating the story, by turns, are her four daughters—the teenaged Rachel; adolescent twins Leah and Adah; and Ruth May, a prescient five-year-old.

These sharply observant girls, who arrive in the Congo with racial preconceptions forged in 1950s Georgia, will be marked in surprisingly different ways by their father's intractable mission, and by Africa itself. Ultimately each must strike her own separate path to salvation. Their passionately intertwined stories become a compelling exploration of moral risk and personal responsibility.

The Poisonwood Bible Apple Press

The Wonderful Wizard of Oz has been enchanting audiences since it was first published in 1900. While many fans may know the work only by its movie counterpart, the world L. Frank Baum built within the books is much more elaborate. Since the more recent publication of Gregory Maguire's *Wicked: The Life and Times of the Wicked Witch of the West* and the Broadway play of the same name, fans have had a rekindled interest in Baum's original works from which the retellings draw heavily. Anyone interested in fantasy, magic, and silliness is sure to love this American classic. L. Frank Baum (1856-1919) is one of the most recognized and beloved children's authors, though he is often recognized for only one of his many stories. The Wonderful Wizard of Oz is easily his most popular work, though Baum actually wrote 13 sequels in Oz. His writings consist of practically every genre: Baum wrote 55 novels in total, 82 short stories, more than 200 poems, as well as scripts, and other miscellaneous writings. Interestingly, many of his non-Oz works were published under pseudonyms. Baum made many attempts to bring his work to stage and screen, but the most successful productions were not made until after his death.
