Original

essays on the  
past, present,

and future of

the Ohio &

Erie Canal

Combining

original essays  
based on the  
past, present,  
and future of  
the Ohio &  
Erie Canal,  
Canal Fever  
showcases the  
research and  
writing of the  
best and most  
knowledgeabl  
e canal  
historians,  
archaeologists  
, and  
enthusiasts.

Each  
contributor  
brings his or  
her expertise  
to tell the  
canal's story  
in three parts:  
the canal era--  
the creation of  
the canal and  
its importance  
to Ohio's early  
growth; the  
canal's  
decline--the  
decades when  
the canal was

merely a ditch and path in backyards all over northeast Ohio; and finally the rediscovery of this old transportation system and its transformation into a popular recreational resource, the Ohio & Erie Canalway. Included are many voices from the past, such as canalers, travelers, and immigrants, stories of canal use through various periods, and current interviews with many individuals

involved in the recent revitalization of the canal. Accompanying the essays are a varied and interesting selection of photographs of sites, events, and people, as well as original maps and drawings by artist Chuck Ayers. *Canal Fever* takes a broad approach to the canal and what it has meant to Ohio from its original function in the state's growth to its present-day function in revitalizing our region.

Canal buffs, historians, educators, engineers, and those interested in urban revitalization will appreciate its extensive use of primary source materials and will welcome this comprehensive collection. **Drop-Dead Easy Knits** Barrons Educational Series Revised and updated to reflect the most recent ACT college entrance tests, this manual presents a full-length

diagnostic test and four complete model ACTs, all with questions answered and explained. Extensive subject reviews of the test's main sections, cover English, math, reading, and science reasoning. Additional practice exercises plus an overview of the ACT and test-taking strategies make this a complete review, essential for all students planning to take the ACT. The

Cumulative Book Index  
Cengage Learning  
TheHoughton Mifflin College Writing Series is a three-volume series focusing on writing—from sentences to paragraphs to essays—in an easy-to-understand format and at an affordable price. Each volume of theCollege Writing Series presents students with comprehensive yet approachable coverage of the writing process, from prewriting

through peer evaluation, revision, and preparation of the final paper, and each also includes a section of numerous level-appropriate readings. A focus on student success in all areas of reading, writing, and studying helps students organize, manage, and implement techniques, including how to use a computer to assist in the writing process. Book Three includes

complete coverage of essay skills. The Houghton Mifflin College Writing Series features the same topics and content as other comparable textbooks—but for a third of the price. Step-by-step explanations of the writing process, including many student models, give students a clear understanding of how good writing actually works. The text features a multitude of practice

exercises, including self-tests that help students hone their writing skills. Suggested answers appear in the back of the book. Web Workboxes at the end of each chapter provide suggestions for Web sites with additional help, exercises, or suggestions for further exploration. Chapter pedagogy, including goals for each chapter and a chapter review self-test, supports students in

anticipating, learning, and reviewing key concepts. Book Three includes Focus on Research boxes to help students begin to think about how to find sources of information, how to keep track of their information, and ultimately how to appropriately incorporate sources into their own writing. South Atlantic Review National Geographic Books Includes Part 1, Number 1: Books and

help, exercises, or suggestions for further exploration. Chapter pedagogy, including goals for each chapter and a chapter review self-test, supports students in anticipating, learning, and reviewing key concepts. Book One includes pre- and post-tests to help students assess and then address specific skill areas. **The Working Reader** Patterns Plus Thinking Critically, 8/e,

teaches the fundamental thinking, reasoning, reading, and writing abilities that students need for academic success. The text begins with basic skills related to personal experience and then carefully progresses to the more sophisticated reasoning skills required for abstract, academic contexts. Thinking Critically introduces students to the cognitive process while teaching them

to develop their higher-order thinking and language abilities. A number of distinctive characteristics make the text an effective tool for both instructors and students. Exercises, discussion topics, and writing assignments encourage active participation, stimulating students to critically examine their own and others' thinking.

**Education**

Barron's Educational Series Finally, a knitting book featuring fantastic projects that don't require you to study a pattern for hours--a sure recipe for blissful, carefree knitting. A book of great potential gifts and keepsakes, this collection of 30 dynamic projects--from blankets to simple sweaters to wraps--is designed so you can easily pick up your needles

during moments of free time, whether binge-watching a show, waiting for your plane to board, or having a "wine and knitting" night with friends. For key moments--such as joining an arm to a sweater or casting on additional rows--patterns are coded with "concentration zones" and "cruise control" segments for when you can go into a mindful state and let the knitting take a back seat.

Thin enough to slip in your bag, with charming four-color photography throughout, Drop-Dead Easy Knits is the answer to all your laid-back knitting needs.

*Conlin Im Patterns*  
Houghton Mifflin  
Designed to provide students with a basic understanding of paragraph and essay writing, this rhetorically arranged reader contains paragraphs and short essays by professional and student writers alike. Patterns is organized around eight rhetorical methods, with additional chapters on fundamental writing skills and combining the modes. Each chapter offers a substantial introduction to the pattern, and extensive apparatus surrounds every selection.

Houghton Mifflin  
Revised and

updated to reflect the current ACT Assessment tests, this manual and its accompanying CD-ROM offers high school students comprehensive preparation for a major national college entrance exam. In-depth reviews cover all test areas: English, Math, Reading, and Science. Because the ACT also offers an extra and optional, half-hour-long Writing Test, the manual includes a

writer's guide specifically tailored to meet test-takers' needs. In addition to subject reviews, this book contains an overview of the ACT, a diagnostic test, and three full-length practice ACTs with all questions answered and explained. Students will find additional practice exercises in all subjects, study advice, and test-taking strategies. The accompanying CD-ROM simulates test-

taking conditions for the actual 2 hours, 55 minutes ACT test. It presents computerized versions of all tests in the book plus automatic scoring.
