A 2019 NEWBERY HONOR BOOK "A gripping, nuanced story of the human cost of conflict appropriate for both children and adults." - Kirkus, starred review In the vein of *Inside Out* and *Back Again* and *The War That Saved My Life* comes a poignant, personal, and hopeful tale of India's partition, and of one girl's journey to find a new home in a divided country It's 1947, and India, newly independent of British rule, has been separated into two countries: Pakistan and India. The divide has created much tension between Hindus and Muslims, and hundreds of thousands are killed crossing borders. Half-Muslim, half-Hindu twelve-year-old Nisha doesn't know where she belongs, or what her country is

anymore. When Papa decides it's too dangerous to stay in what is now Pakistan, Nisha and her family become refugees and embark first by train but later on foot to reach her new home. The journey is long, difficult, and dangerous, and after losing her mother as a baby, Nisha can't imagine losing her homeland, too. But even if her country has been ripped apart, Nisha still believes in the possibility of putting herself back together. Told through Nisha's letters to her mother, *The Night Diary* is a heartfelt story of one girl's search for home, for her own identity...and for a hopeful future.

**Fortnite: Beginner's Guide** Little, Brown Books for Young Readers

Slime entrepreneurs face off in an epic battle to see who can sell the most slime, while navigating sticky situations with friends and family. From the award-winning author of *The House That Lou Built* comes another story about a creative kid with something to prove. Alex Manalo and his dad have just moved back to Sacramento to revive their extended family's struggling Filipino market. While Alex likes helping at the store, his true passion is making slime! He comes up with his own recipes, playing with ingredients, colors, and textures, which make his slime truly special. Encouraged by a new friend at school, Alex begins to sell his creations, leading to a sell-off battle with a girl who previously had a slime-opoly. Winner gets bragging rights and the right to be the only slime game in town. But Alex's dad thinks Alex should be focused more on "traditional" boy pastimes and less on slime. As the new soccer coach, Dad wants Alex to join the team. Alex is battling on multiple fronts--with his new friends at school, and

with his dad at home. It will be a sticky race to the finish to see who oozes out on top.
