THORNTON ACEVEDO

The Advanced Business English Guide: How to Communicate Effectively at The Workplace and Greatly Improve Your Business Writing Skills Cambridge University Press

Who's it for? Intermediate and advanced classes of English (16+) as a foreign or second language (EFL, ESL), in any part of

the world. How does it work? Students discuss questions, which are either in the form of a fun / factual quiz, or related to an authentic text / quotation. What's new? The questions and texts break with the approach typically used in ESL /EFL textbooks by presenting a new slant on some traditional topics, and also offering topics that have never been found before in a discussion book. Students will feel they are discussing something interesting, and that the language of discussion just happens to be in English. How

controversial are the discussions? Unlike Volume 2 and Volume 3, this volume contains no particularly risky exercises in terms of subject matter. What preparation is involved for the teacher? In around 90% of the exercises, no preparation is required. Students simply turn to the right page, and away they go. Details are outlined in the Teachers Introduction and the Students Introduction. What's the duration of a typical exercise? Depending on the students' level of interest, some exercises can be used as 10-minute warm

ups or lesson fillers, others may develop into full-blown 60-minute discussions. What else do I need to know? The table of contents indicates which exercises might not be suitable with certain classes, which require preparation by the teacher, and which have a key. Where can I find sample pages and the teacher's book?

ESL Conversation Book for Business English Createspace Independent Publishing Platform

Teaching English Online - Business English through Coaching and Conversation - Full Ebook - 195 pages Are you an existing Online English Teacher with a desire to incorporate Business English into your teaching arsenal? Or, perhaps, you're planning to pursue Online Teaching as either a full-time profession or side-hustle. Whichever box you fall into, this Ebook could be for you! As an experienced Online English Teacher with a background in HR and over 20 years of work experience, I largely specialise in Business English, teaching via the popular language-learning platform, Italki, in addition to offering private lessons on my website. The vast majority of my students are B1-

C2 level ADULT PROFESSIONALS based in Russia, and across Europe. Many work in particular fields such as IT, Banking and HR. Students such as these may be working for an international company, are relocating to an English-speaking country, or may simply want to focus on their interview technique. The issue is, however, is that much of the Business English material available to teachers has a tendency to focus on overly-formal language, outdated situations and generalised vocabulary which may not be relevant to individual students. Also, professionals may be able to describe the technical intricacies of their job role, but struggle when it comes to discussing behaviours. 2020 has also seen a change in Business English. Boardroom meetings have turned into Zoom calls, Job Interviews take place over Skype, and the use of informal language on modern communication platforms has become far more prominent. This Ebook is split into three simple parts - WHY, HOW, AND WHAT. The 'Why' section is aimed at teachers who may have little to no experience in teaching Business English. What types of student need to improve

their Business English through coaching and conversation? For what reasons? In what situations do students need to improve their Business English? The 'How' section describes useful teaching techniques I have used, such as an adapted PPP lesson plan, methods of building writing capability, a behavioural interview focus, and much more! Classroom lessons and textbooks for advanced students are not necessarily useful. Advanced students want to have a conversation, build their confidence and learn new, relevant vocabulary. Keeping this in mind, the 'What' section consists of over 60 behavioural, skills-based, issues-based, and industry-specific conversational lesson plans. Each lesson plan contains useful prompts for the teacher, relevant phrasal verbs, idioms, and collocations for the student to use during a lesson, in addition to pre-work/technical prompts for both the student and teacher in the industry-specific topics. These lesson plans will last you forever!! You can also find examples of behavioural interview questions which are typically asked in modern times, particularly around failure and reflection,

leadership skills and more, instead of the typical "What are your strengths and weaknesses" questions. Overall, Business English students need support with confidence. This can only be achieved through 1-2-1 coaching and conversation. If you are an existing, experienced teacher who would simply like to have some useful lesson plans to hand, you can purchase the lesson plans-only version from this site. Happy Teaching!

40 Business English Dialogues Chimayo Press

This innovative ESL/EFL textbook helps advanced English language learners develop conversation skills and improve fluency by sharing experiences, reflecting on their lives, and discussing proverbs and quotations. The oral skills English textbook includes 45 thematic chapters, over 1,350 questions, 500 vocabulary words, 250 proverbs and American idioms, and 500 quotations. Designed for both adult education and intensive English language students, the conversations and activities deepen critical thinking skills and develop speaking skills essential to success in community college and university programs. Compelling Conversations has

been used in classrooms in over 40 countries, recommended by English Teaching Professional magazine, adopted by conversation clubs and private English tutors, and enjoyed by thousands of English students.

ESL Conversation Dialogues Scripts 51-60 Volume 6: General English Expressions

McGraw Hill Professional
ESL Conversation Book for Business English

Intermediate ESL English Discussion Topics Maldek House

Business, Basically is designed as a practical introduction to Business English that introduces students to relevant vocabulary as well as relevant situations and documents that they may encounter in the business world. The lessons in this book can be used for either classes with several students or one-on-one teaching. A typical lesson will include warm-up questions, an introduction to vocabulary or a particular type of business document (email, resume, cover letter, job application, etc.), discussion questions, and an activity or assignment. In short, while the lessons in this book aim to give students a brief introduction to business

settings and business English, the process of teaching these lessons should similarly serve to prepare students for a challenging business world in which independence, confidence, and public speaking are indispensable assets.

Discussions Volume 1 Maldek House

The lessons that follow can be adapted to run from 30 to 90 minutes. They often start with about 5-10 minutes of free talking. This can cover how the students are, what they have been doing or plan to do, as well as contributions from the teacher. The structure of the lessons is modular, with clear and obvious steps to take. Everything starts with the teacher's preparation work. Depending on the students' ability, topics might need a quick worksheet or short classroom activity at the start of the lesson, and you will need to set aside time to devise this. The purpose of each lesson is for students to gain confidence and increase their vocabulary by talking about different topics. If they are unsure about what to do, this might mean introductory work is needed first. I have taught classes with anything up to twenty students using these materials. The lessons are easy to

adapt depending on your classroom size and level. For example, with a large class you can encourage smaller groups to discuss topics together and then ask students to share their ideas with the whole class. Be aware of students' sensitivities. Some students may be a little nervous about expressing their opinions and emotions in front of the class. However, over time, they will come to realize that everyone else feels the same and their confidence will improve.

The Big Picture Lydia Paish

A handy ESL phrase guide that helps you converse like a native English speaker—now enhanced via app with audio recordings of key expressions. If you're an intermediate level speaker of English, you know that idiomatic speech, slang and other English phrases can create a barrier to conversing confidently in casual and work-related situations. In *Perfect Phrases for ESL: Conversation Skills, Premium Third Edition* you'll find a phrase guide that allows you to say the right words at the right time in any setting with perfect confidence. Written in an accessible, easy-to-understand way by a highly experienced ESL instructor, *Perfect*

Phrases for ESL: Conversation Skills helps you navigate idiomatic speech and nuanced conversation with hundreds of ready-to-use English phrases and example dialogues. You'll discover phrases for talking with friends, offering opinions, collaborating with co-workers, addressing misunderstandings, and more—including common slang expressions frequently used by native English speakers. Now enhanced with audio recordings of key expressions available online and via app, *Perfect Phrases for ESL: Conversation Skills* give you the confidence you need to participate fully and confidently in any situation. Features:

- Clear, straightforward style, geared specifically for non-native speakers
- Ideal level for intermediate ESL (nonnative) speakers of English
- Essential phrases to communication in any situation
- Helpful direction on idiomatic speech and nuanced conversation
- Useful phrase clusters that range from formal to casual speech
- Audio recordings of key phrases and conversations via app

The ebook - *ESL Conversation Dialogues Scripts 1-10*. For Tutors Teaching Mature Upper Intermediate to Advanced ESL

Students in Private English Language Lessons. Volume 1: *English Phrasal Verbs I* - has been developed to fulfill a demand in the ESL industry for more mature style conversations for use in private tuition, as well as pair or group work in the adult classroom. This volume includes the dialogues: Dialogue 01: A Visit to the Hospital Dialogue 02: Holidays and Business Dialogue 03: Backpackers and Homestay Hostels Dialogue 04: Buying a House Dialogue 05: Buying a Car Dialogue 06: Getting a Savings Account at the Bank Dialogue 07: After High School Dialogue 08: Touring Dialogue 09: Kitchen Party Dialogue 10: Markets and More. These have been reformatted for use on a variety of platforms, so that users can practice reading the dialogues out loud, and discuss the language used with their tutor or with each other. These eBooks just contain dialogues. It is up to the tutor or teacher to create their own lessons around these conversation dialogues. As a private conversation and pronunciation tutor for over 16 years, I've always found dialogues to be useful in vocabulary acquisition, pronunciation practice, confidence building, and more besides. Students

regularly comment on how useful the dialogues are and always request more, which is why there are now 10 volumes in the series with more on the way. Volume 1 contains general dialogues with a number of common phrasal verbs thrown in to challenge the student. While upper intermediate level and above is recommended, these dialogues can also be used to challenge upper beginners into improving their reading and pronunciation skills. Approximately 4000 words

Compelling Conversations: Questions and Quotations on Timeless Topics ECQ Publishing

ESL Conversation Dialogues Scripts 51-60
Volume 6: General English Expressions features some common phrases and sayings as well as difficult vocabulary thrown in to challenge the student. These dialogues are a little bit longer than in previous volumes so, if your class is short, you may wish to break the dialogue up into sections. While intermediate level and above is recommended, these dialogues can also be used to challenge beginners into improving their reading and pronunciation skills. This series of dialogues and conversations has been

released to fulfill a demand in the ESL industry for more mature style conversations for use in private tuition as well as pair or group work in the adult classroom. These have been reformatted for use on a Kindle so that ESL Kindle users can practice reading the dialogues out loud and discuss the language used with their tutor or with each other. These eBooks contain just dialogues. It is up to the tutor to create their own lessons around these dialogues. Some suggestions include: a) Library lend the file to other Kindle users and create a play in the classroom b) Create listening test questions and use the text-to-speech function on Kindle c) Create a discussion about some of the phrases used For ESL tutors, the ideas are endless. As a tutor I've always found dialogues to be useful in vocabulary acquisition, pronunciation practice, confidence building, and more besides. Students regularly comment on how useful the dialogues are and always request more, which is why there are more dialogues on the way.

Business English and Conversation for the EFL-ESL Classroom CreateSpace

About this ESL conversation book for adults: ESL speaking activities for busy teachers Make your TEFL lesson planning easier" ESL Speaking Activities: The Ultimate Book for Busy English Teachers. Intermediate to Advanced Conversation Book for Adults" is jam-packed full of speaking cards, worksheets and conversation cards to whip out whenever you want and make your TEFL lesson plans instantly easier. It includes 100+ instant games & activities for Teaching English as a Second or Foreign Language Online & Offline. Speaking is often the most intimidating part of English for many students, and it can be daunting as a teacher, when your students won't speak in class out of shyness or reluctance. This

conversation book for adults will give you the tools needed to get students speaking, which will make your classes both more enjoyable and more productive! In the Phrasal Verbs section of this book, you'll find grammar and vocabulary hand-outs before each set of speaking questions. You can do some of these handouts in class, or you can set them as homework if you prefer. They are ideal for preparing students for exams such as the Cambridge Business English exams, and other Cambridge exams like First Certificate and Advanced CAE, as well as IELTS and TOEFL. All the worksheets and ESL conversation cards can be photocopied and used in the classroom and can be adapted to classroom games and warmers.

Intermediate English Discussion

Topics Cambridge University Press Discussions You've Never Had is exactly that - around one hundred stimulating discussion topics in an exercise format that has never been used in EFL/ESL. Level? Low-intermediate to advanced, with no adaptation necessary by the teacher. What's new? The choice of topic is made by both teachers and students. This gives

both teacher and student a feeling of being emancipated from course books. Discussions You've Never Had provide a refreshing alternative to the usual formula of: one topic + many related questions. Instead the formula is MANY TOPICS in the same exercise. Preparation? Once the Teachers Introduction has been read, the discussions require virtually no preparation. The exercises can be quickly dictated to students, thus no photocopies are required. Duration? The discussions can be exploited both as warm ups or as 20-30 minute discussions. Anything else? Some of the discussions lend themselves well to practising particular grammar and vocabulary points. It is up to the teacher to decide whether to make such points a focus or not. If they do decide to exploit this element, then in this case the preparation simply involves reading the associated teachers notes.

Business, Basically McGraw Hill Professional

Learning English can be fun. Learning how to use English correctly can be fun as well. This book has that purpose in mind: to turn the EFL or ESL classroom into a place where learning takes place through fun

activities which accomplish their objective: fluency in spoken and written English. By having students use Business English and Conversation in class, the teacher will make them develop the four skills which are essential when learning another language: Listening Speaking Reading Writing To help the teacher lead his or her students towards attaining such fluency, the book contains hundreds of exercises of all kinds, including some which are optional. It also contains varied samples and recycling of all material. In an ideal EFL-ESL situation, the teacher will adapt the book to suit the needs of his or her students.

ESL Conversation Dialogues Scripts 1-10

Volume 1: English Phrasal Verbs I

Independently Published

ESL Conversation Dialogues Scripts 21-30 contains dialogues featuring Australian English expressions, with a number of common expressions thrown in to challenge the student. While intermediate level and above is recommended, these dialogues can also be used to challenge beginners into improving their reading and pronunciation skills. The 10 dialogues in volume 3 feature over 200 Aussie English

expressions which can give students planning to go to Australia, or those who have recently arrived, a quick crash course on common Aussie Lingo. This volume also features a bonus glossary with a brief explanation of what the Australian English words, phrases and idioms mean. Normally a glossary is not included as most native English speakers from Australia would know the meanings of the expressions used in the dialogues in the series, and would be able to explain them to students, but in an effort to help people to understand Australian English, even those native English speaking tutors and teachers who are not Australian would be able to quickly understand these dialogues and be able to teach them to others, with help from the glossary. These dialogues have been tested in private tuition lessons hundreds of times and have received great feedback from students new to Australia who are struggling to understand Australians. It is recommended that tutors add to the enjoyment of the lesson by using a strong Australian accent when reading their part of the dialogue. This series of dialogues and conversations has been released to fulfil a demand in the

ESL industry for more mature style conversations for use in private tuition as well as pair or group work in the adult classroom. These have been reformatted for use on an ebook device, so users can practice reading the dialogues out loud and discuss the language used with their tutor or with each other. These eBooks contain just dialogues. It is up to the tutor to create their own lessons around these dialogues. For ESL tutors, the ideas are endless. As a tutor I've always found dialogues to be useful in vocabulary acquisition, pronunciation practice, confidence building, and more besides. Students regularly comment on how useful the dialogues are and always request more, which is why there are more sets of dialogues due out soon. I wish you all the best in teaching Australian English.
