Brings alive some of the major events in
British history.

The Gunpowder Plot Ernst Klett Sprachen

This is the story of what happened to
make the 5th of November become so
famous in English history. Remember,
remember! The 5th of November, The
Gunpowder treason and plot; There is no

reason Why the Gunpowder treason
Should ever be forgot! This short story is
about Catholic conspirator Guy Fawkes,
who was part of the infamous Gunpowder
Plot of 1605. It explains the origins of the
English 5th of November celebrations with
humorous cartoon-style illustrations to
bring the story alive.

Press. Good Press publishes a wide range
of titles that encompasses every genre.
From well-known classics & literary fiction
and non-fiction to forgotten—or yet
undiscovered gems—of world literature,
we issue the books that need to be read.
Each Good Press edition has been
meticulously edited and formatted to

boost readability for all e-readers and devices. Our goal is to produce eBooks that are user-friendly and accessible to everyone in a high-quality digital format.

The Gunpowder Plot Manchester University Press

There was a real plot we shall have to judge for ourselves as the tense story unfolds; but it is not to be wondered at that Englishmen felt a shock of horror and of relief from catastrophe on November 5, 1605, or that we still celebrate the deliverance. Men, who were themselves good, in the sense that they were filled with religious zeal, had certainly planned one of the most evil deeds in history. They had planned murder on a mass scale; murder of King and Lords. The aim of this book is to take a familiar event in history and examine the cause and effect so that it no longer stands isolated from its background.

Unlike some other reproductions of classic texts (1) We have not used OCR(Optical Character Recognition), as this leads to bad quality books with introduced typos. (2) In books where there are images such as portraits, maps, sketches etc We have

endeavoured to keep the quality of these images, so they represent accurately the original artefact. Although occasionally there may be certain imperfections with these old texts, we feel they deserve to be made available for future generations to enjoy.

The Fifth of November; Or, The Gunpowder Plot Random House (UK)

This early work is William Harrison Ainsworth's 1841 historical romance, "Guy Fawkes Or The Gunpowder Treason". The first book in Ainsworth's of "Lancashire novels" series, it deals with the infamous Gunpowder Plot of 1605. An exciting and masterful retelling of the scheme to destroy British Parliament, this book is highly recommended for lovers of historical fiction, and constitutes a must-read for fans of Ainsworth's work. William Harrison Ainsworth (1805-1882) was an English novelist, famous for his historical fiction. Many classic books such as this are becoming increasingly rare and expensive. We are republishing this volume now in an affordable, modern, high-quality edition complete with a specially commissioned new biography of the author.

The Gunpowder Plot and Lord

Mounteagle's Letter Bloomsbury Publishing

Early Modern Britain's most dramatic story, the Gunpowder Plot, brought to life with unique original sources.

Faith and Treason Raintree

Remember, remember, the Fifth of November ... With a narrative that grips the reader like a detective story, Antonia Fraser brings the characters and events of the Gunpowder Plot to life. Dramatically recreating the conditions and motives that surrounded the fateful night of 5 November 1605, she unravels the tangled web of religion and politics that spawned the plot. 'An excellent book which unravels the whole story of the plot' Literary Review 'Told with impressive scholarship and panache ... with a sense of pace and tension worthy of a John le Carré novel' Sunday Telegraph

The Gunpowder Plot Cherrytree Books

Gunpowder treason and plot We see no reason Why Gunpowder treason Should ever be forgot" In 1605, Guy Fawkes was one of over a dozen conspirators in the famous Gunpowder Plot, an attempt to assassinate England's King James I. When the plot was discovered on the 5th of November, Fawkes and other conspirators were quickly convicted and executed, and the King asked his subjects to remember the date as "the joyful day of deliverance." Fawkes was but one of a countless number of failed assassins, but in a perversely ironic way, the King's declaration ultimately turned November 5 into Guy Fawkes Day, a celebratory day that usually had children creating an effigy that would then be burned in a bonfire. While the effigy was usually Fawkes, others made it a custom to burn an effigy of the pope, a tradition that came to the 13 Colonies in America as well. Though he was only one of the plotters, Fawkes became the one most associated with the act, and he was viewed as a symbol of treason. A strange thing happened, however, in the 19th century, as Fawkes began to undergo a sort of character rehabilitation, beginning with William

Harrison Ainsworth's 1841 historical fiction *Guy Fawkes; or, The Gunpowder Treason*. Suddenly, Fawkes became an anti-hero who had the best interest of the public at heart and was taking action to effect change. Other British literature of the century depicted Fawkes as some sort of action hero. In 2005's *Remember, Remember: A Cultural History of Guy Fawkes Day*, writer J.A. Sharpe noted Fawkes is sometimes remembered tongue-in-cheek as "the last man to enter Parliament with honest intentions." With that new perception of Fawkes taking hold, Fawkes managed to become a symbol of defiance against government. The popular movie *V for Vendetta* reintroduced Fawkes to American audiences, and Fawkes and the Guy Fawkes Mask have taken on a new life as a rally cry and symbol for groups protesting the government. The major hacking network Anonymous uses the Guy Fawkes Mask as its hallmark, and the Guy Fawkes Mask was a common sight at Occupy protests across America in 2011. As a result, even though Guy Fawkes wasn't even the leader of the plot, the twists and turns of his legacy have ensured that the Gunpowder Plot remains

one of the most noteworthy and widely studied conspiracies of history, despite its ultimate failure. The Gunpowder Plot of 1605: The History of the Famous Conspiracy to Assassinate King James I of England examines the failed plot and how Guy Fawkes and the Gunpowder Plot have been remembered over time as a pop culture fixture around the globe.

Find out why we remember the famous Gunpowder Plot of 1605, where Guy Fawkes and his fellow conspirators tried to blow up the Houses of Parliament - with the king inside! This simple, friendly children's first history series, aimed at readers aged 5 and up, takes a close look at some key events and personalities through history and reveals how and why they are still important to us today. A perfect support to learning about history at Key Stage 1, each book uses a rich variety of historical sources, from diaries to paintings, to bring events to life, while simple historical vocabulary is introduced and explained. Each book also features a simple timeline and explores how we find about the past. All text has been carefully checked by a historian.

Guy Fawkes Or The Gunpowder Treason - An Historical Romance The History Press
A closer view of the famous scheme to murder James I & blow up both Houses of Parliament. Illus.

The Gunpowder Plot Franklin Watts
The great events of British history are part of our shared heritage and it is important that children know the facts behind the famous dates from a young age. In this series, Gillian Clements tells the stories of some of these events through a lively combination of text and illustration (including some speech bubbles, labelled maps etc). In this way she makes history child-friendly and accessible but still manages to incorporate, wherever possible, primary source material (such as eyewitness accounts and documentary evidence). THE GREAT FIRE OF LONDON retells the events leading up to the fire of 1666 and its consequences. THE GUNPOWDER PLOT looks at the reasons for the plan to blow up the houses of Parliament in 1605, and the key figures involved including Guy Fawkes. Each book has been thoroughly checked by a history educationalist for accuracy, language levels and appropriate content, and a

timeline and glossary are included. These simple, gently-humorous stories give readers the information they need and encourage the development of a real sense of history and how it works.

The Gunpowder Plot London, Longmans
Every child has heard of Guy Fawkes and will most likely have watched a 'guy' being burnt on a bonfire and fireworks lighting up the night sky on Bonfire Night. This book answers the questions of history that lie behind the celebrations of 5 November. Who was Guy Fawkes and how did he come to be below the chamber of the House of Lords in the first hour of 5 November 1605. What desperation drove those involved to plan a horrific massacre of the Protestant royal family and government? Alan Hayne's probing analysis offers the clearest, most balanced view yet of often conflicting evidence, as he disentangles the threads of disharmony, intrigue, betrayal, terror and retribution. In this new, updated edition he gathers together startling evidence to uncover the depth and extent of the plot, and how close the plotters came to destabilising the government in one of the most notorious terrorist plots of British

history. This enthralling book will grip the general reader, while the scope of its detailed research will require historians of the period to consider again the commanding importance of the plot throughout the seventeenth century.

[Investigating Gunpowder Plot](#) Routledge
The Gunpowder Plot of 1605 is one of the most commemorated events in English history, but remains shrouded in mystery. The central aim of his account is to explain why there should have been a plot at all, and why the conspirators risked their lives for what they believed to be the cause of God and their country. The narrative reads like a detective story as Antonia Fraser sets with sympathy and objectivity to untangle the intricate relationship between religion and politics in early-17th-century England.

Alan Haynes uncovers the truth about this Catholic conspiracy. His probing analysis offers the clearest, most balanced view yet of often conflicting evidence, as he disentangles the threads of disharmony, intrigue, betrayal, terror and retribution.

What was the Gunpowder Plot?
Createspace Independent Publishing Platform
In England, November 5 is Guy Fawkes Day, when fireworks displays commemorate the shocking moment in 1605 when government authorities uncovered a secret plan to blow up the

House of Parliament--and King James I along with it. A group of English Catholics, seeking to unseat the king and reintroduce Catholicism as the state religion, daringly placed thirty-six barrels of gunpowder in a cellar under the Palace of Westminster. Their aim was to ignite the gunpowder at the opening of the Parliamentary session. Though the charismatic Catholic, Robert Catesby, was the group's leader, it was the devout Guy Fawkes who emerged as its most famous member, as he was the one who was captured and who revealed under torture the names of his fellow plotters. In the aftermath of their arrests, conditions grew worse for English Catholics, as legal penalties against them were stiffened and public sentiment became rabidly intolerant. In a narrative that reads like a gripping detective story, Antonia Fraser has untangled the web of religion, politics, and personalities that surrounded that fateful night of November 5. And, in examining the lengths to which individuals will go for their faith, she finds in this long-ago event a reflection of the religion-inspired terrorism that has produced gunpowder plots of our own time.
