Which translation do I choose? In an age when there is a wide choice of English Bible translations, the issues involved in Bible translating are steadily gaining interest. Consumers often wonder what separates one Bible version from another. The contributors to this book argue that there are significant differences between literal translations and the alternatives. The task of those who employ an essentially literal Bible translation philosophy is to produce a translation that remains faithful to the original languages, preserving as much of the original form and meaning as possible while still communicating effectively and clearly in the receptors' languages. Translating Truth advocates essentially literal Bible translation and in an attempt to foster an edifying dialogue concerning translation philosophy. It addresses what constitutes "good" translation, common myths about word-for-word translations, and the importance of preserving the authenticity of the Bible text. The essays in this book offer clear and enlightening insights into the foundational ideas of essentially literal Bible translation.

In a Culture of Distortions, Discover God-Defined Womanhood and Beauty In a culture where airbrushed models and career-driven women define beauty and success, it's no wonder we have a distorted view of femininity. Our impossible standards place an incredible burden of stress on the backs of women and girls of all ages, resulting in anxiety, eating disorders, and depression. One question we often forget to ask is this: What is God's design for womanhood? In *Girl Defined*, sisters and popular bloggers Kristen Clark and Bethany Beal offer women a countercultural view of beauty, femininity, and self-worth. Based firmly in God's design for their lives, this book helps women rethink what true success and beauty look like. It invites them on a liberating journey toward a radically better vision for femininity that ends with the

discovery of the kind of hope, purpose, and fulfillment they've been yearning for. *Girl Defined* helps readers · discover God's design for femininity and his definition of a successful woman · uncover the secrets of lasting worth, purpose, and fulfillment · be equipped and empowered to live out a radically better vision for womanhood · gain personal insight through the chapter-by-chapter study guide

A Year of Biblical Womanhood Baker Books

What is the relationship between feminist theology and classical Christian theology? Is feminist theology "Christian," and if so, in what respect and to what extent? This study seeks to analyze and evaluate the relation of feminist "reconstructions" to traditional Christian teaching. Greene-McCreight uses the extent to which the biblical depiction of God is allowed to guide theological hermeneutics as a test of orthodoxy. She looks at the writings of a wide range of contemporary feminist theologians, discusses their doctrinal patterns, and demonstrates how the Bible is used in undergirding their theological reconstructions.

[Neither Complementarian nor Egalitarian](#) Multnomah

Popular national radio host Julie Roys rejects both fundamentalist caricature and feminist distortion to reveal God's amazingly relevant and compelling vision for women, showing them how to redeem their feminine souls and become all God designed them to be. Christian women today feel torn between the demands of motherhood, career, and ministry—and by a church that gives them conflicting ideas of what it means to be a woman. In *Redeeming the Feminine Soul: God's Surprising Vision for Womanhood*, popular national radio host Julie Roys reveals the stunning truth that no one else is talking about: women are destroying themselves. Internalizing society's devaluation of the feminine, some women are killing their own natural impulses to pursue a feminist ideal that bears no relation to God's good design. Other women struggle to conform to a fundamentalist, feminine caricature, which requires denying their full humanity and gifting. Defying both feminists and fundamentalists, Julie Roys reveals God's true, affirming, and compelling vision for women, showing them how to reclaim what is uniquely feminine, and become healthy, balanced women of God.

[Evangelical Feminism & Biblical Truth: an Analysis of More Than One Hundred Disputed Questions](#) Baker Books

The roles of men and women are immensely contested in both society and the church today. Christians are looking for answers from the Bible regarding how God intends for men and women to relate to one another. In this concise and accessible resource, well-known authors and Bible teachers John Piper and Wayne Grudem respond to fifty crucial questions often asked in relation to biblical manhood and womanhood. Answering objections raised against the view that God created men and women equal in value but distinct in role, Piper and Grudem winsomely present a biblical vision of gender roles that is life-giving and fulfilling for both men and women.

Living on the Boundaries SkyLight Paths Publishing

This text depicts the long-running battle within the fundamentalist movement over the roles of men and women both within the church and outside it. Drawing on interviews and written sources, the author surveys the interplay between fundamentalist theology and fundamentalist practice.

Evangelical Feminism and Biblical Truth : An Analysis of 118 Disputed Questions

How Interpretation Becomes Truth Moody Publishers

For years a debate has raged over how to define true masculinity and true femininity. While there is agreement that men and women share equally in the privilege of being made in God's image, some views of manhood and womanhood blur God-given gender distinctions. Wayne Grudem assembled a team of distinguished writers to show how egalitarian views destroy God's ideal for your relationships, marriage, and life purposes. The contributors to this book include: John Piper, Pastor of Bethlehem Baptist Church, Minneapolis, Minnesota Bruce A. Ware, Senior Associate Dean of the School of Theology and Professor of Christian Theology at The Southern Baptist Theological Seminary Richard W. Hove, Director of Campus Crusade for Christ at Duke University Daniel Doriani, Dean of the Faculty and Professor of New Testament at Covenant Theological Seminary Daniel R. Heimbach, Professor of Christian Ethics at Southeastern Baptist

Theological Seminary Peter Jones, Professor of New Testament at Westminster Theological Seminary in California These writers explore key issues, including the interchangeability of male-female roles, the meaning of submission, and the historical novelty of egalitarian interpretations of Scripture. This book will demonstrate how some views of manhood and womanhood tamper with our understanding of God's character and why the extremes of male domination and feminism destroy the beauty of our sexual differences-differences that celebrate the excellence of men and women as God created us.

Countering the Claims of Evangelical Feminism CBE Bookstore

For most people, the terms "evangelical" and "feminism" are contradictory. "Evangelical" invokes images of conservative Christians known for their strict interpretation of the Bible, as well as their support of social conservatism and traditional gender roles. So how could an evangelical support feminism, a movement that seeks, at its most basic level, to redress the inequalities, injustice, and discrimination that women face because of their sex? Evangelical Feminism offers the first history of the evangelical feminist movement. It traces the emergence and theological development of biblical feminism within evangelical Christianity in the 1970s, how an internal split among members of the movement came about over the question of lesbianism, and what these developments reveal about conservative Protestantism and religion generally in contemporary America. Cochran shows that biblical feminists have been at the center of changes both within evangelicalism and in American culture more broadly by renegotiating the religious symbols which shape its deepest values.

Good News for Women Monarch Books

Biblical womanhood is not for the weak. In an age that seeks to obliterate God and His authority, modeling biblical womanhood involves spiritual warfare. RadicalWomanhood seeks to equip new believers and long-time Christians alike, exposing the anti-God agenda of the three waves of feminism to date and presenting the pro-woman truth of the Scriptures. Illustrated with numerous personal testimonies, this book will dig deep into the Word and show how it can be lived out today. The foundation and core message of Radical Womanhood is consistent with the traditional complementarian teaching on biblical womanhood. However, the

target audience, tone, and style are radically different. Most books on this subject take a heavily didactic tone that assumes an awareness of Christian lingo and a high degree of spiritual maturity. Radical Womanhood has the narrative approach appreciated by postmodern readers, but still incorporates solid, biblically-based teaching for personal application and growth.

The Liberating Truth HarperChristian + ORM

Regarding gender relations, the evangelical world is divided between complementarians and egalitarians. While both perspectives have much to contribute, the discussion has reached a stalemate. Michelle Lee-Barnewall critiques both sides of the debate, challenging the standard premises and arguments and offering new insight into a perennially divisive issue in the church. She brings fresh biblical exegesis to bear on our cultural situation, presenting an alternative way to move the discussion forward based on a corporate perspective and on kingdom values. The book includes a foreword by Craig L. Blomberg and an afterword by Lynn H. Cohick.

Finally Feminist McFarland

The swooning Victorian ladies and the 1950s housewives genuinely needed to be liberated. That much is indisputable. So, First-Wave feminists held rallies for women's suffrage. Second-Wave feminists marched for Prohibition, jobs, and abortion. Today, Third-Wave feminists stand firmly for nobody's quite sure what. But modern women--who use psychotherapeutic antidepressants at a rate never before seen in history--need liberating now more than ever. The truth is, feminists don't know what liberation is. They have led us into a very boring dead end. Eve in Exile sets aside all stereotypes of mid-century housewives, of China-doll femininity, of Victorians fainting, of women not allowed to think for themselves or talk to the men about anything interesting or important. It dismisses the pencil-skirted and stiletto-heeled executives of TV, the outspoken feminists freed from all that hinders them, the brave career women in charge of their own destinies. Once those fictionalized stereotypes are out of the way--whether they're things that make you gag or things you think look pretty fun--Christians can focus on real women. What did God make real women for?

Christian Ethics Baker Academic

What does the Bible teach about gender roles? Is there a difference as seen in Scripture? Understanding the debate over

biblical feminism is essential to answering the questions about the role of women in the church. In this book, Dr. Cottrell "stands squarely in the path of the evangelical feminists who want to prove that the Bible agrees with their egalitarian views" (Clark H. Pinock, Ph.D., McMaster Divinity College). Lightning Print On Demand Title.

Evangelical Feminism and Biblical Truth Thomas Nelson Inc

Denominations that formerly welcomed women in ministry often now oppose their ministry, not understanding their own history. No Time for Silence documents evangelical women who taught at Bible institutes, preached at Bible conferences, served at local church pastorates, and evangelized and lead revivals more than 100 years ago. Debate over women's public ministry tends to focus on biblical and theological issues without grappling with the historical questions. Janette Hassey counters the popular but misleading claim that evangelical feminism (the movement for women's equality rooted in Scripture and evangelical Christian faith) is simply an accommodation to recent secular feminist and theologically liberal movements for women's rights. Rather, evangelical feminism in America first surfaced in the mid-nineteenth century and accelerated at the turn of the century. Those who endorsed women's public ministry were convinced that a literal approach to the Bible, and especially prophecy, demanded such leadership by women.

Evangelical Feminism and Biblical Truth Canon Press & Book Service

The goal of this book is not to analyze the competing viewpoints, "women's equality" versus traditional family values", in any depth, but simply to step outside the familiar rhetoric in an attempt to obtain a view of the Big Picture. The aim of this inquiry is a clearing of the conceptual atmosphere.

Understanding Scripture Crossway

A collection of essays by proclaimed feminist Christians, discussing their accomplishments and examining the lasting problems that hinder women's participation in the Christian community.

Wild at Heart Crossway

"This is the most thorough, balanced, and biblically accurate treatment of feminism and the Bible I have seen." —Stu Weber Evangelical feminists boldly assert that male and female roles in the church are interchangeable. Society reflects the argument.

But what does the Bible have to say? Wayne Grudem offers more than forty biblical responses to the most crucial questions on this topic, showing God's equal value in men and women and why their roles in the church are complementary, not interchangeable. This to-the-point handbook is a valuable resource enabling every Christian to grasp the issues, including: • What the Bible says about the roles of men and women in marriage • Women in the church and in church leadership • Theology and the concepts of equality, fairness, and justice • Claims that a complementarian view is harmful "No one will be able to deny the cumulative strength of the case this author makes." —J. I. Packer "After the Bible, I cannot imagine a more useful book for finding reliable help in understanding God's will for manhood and womanhood in the church and the home." —John Piper

[Evangelical Feminism](#) Yale University Press

This book dismantles every mistruth that you've heard about the role of women in the Bible, her place in the church, and the patriarchal lie of so-called "biblical manhood and womanhood." In its place, Aimee Byrd details a truly biblical vision of women as equal partners in Christ's church and kingdom. The church is the school of Christ, commissioned to discipleship. The responsibility of every believer—men and women together—is being active and equal participants in and witnesses to the faith. And yet many women are trying to figure out what their place is in the church,

fighting to have their voices heard and filled with questions: Do men and women benefit equally from God's word? Are we equally responsible in sharpening one another in the faith and passing it down to the next generation? Do we really need men's Bibles and women's Bibles, or can the one Holy Bible guide us all? The answers lie neither with radical feminists, who claim that the Bible is hopelessly patriarchal, nor with the defenders of "biblical manhood," whose understanding of Scripture is captive to the culture they claim to distance themselves from. *Recovering from Biblical Manhood and Womanhood* presents a more biblical account of gender, marriage, and ministry. It explores the feminine voice in Scripture as synergistic with the dominant male voice. It fortifies churches in a biblical understanding of brotherhood and sisterhood in God's household and the necessity of learning from one another in studying God's word. Until both men and women grow in their understanding of their relationship to Scripture, there will continue to be tension between the sexes in the church. Church leaders can be engaged in thoughtful critique of the biblical manhood and womanhood movement, the effects it has on their congregation, and the homage it ironically pays to the culture of individualism that works against church, family, and a Christ-like vision of community.

A New Gospel for Women Multnomah Pub

How do I get more out of my Bible reading? What was going on during the gap between the Old and New Testaments? How do all the books of the Bible fit together as a whole? This book answers these questions and puts clear, readable Bible study aids at your fingertips. It contains thirteen essays from some of today's best evangelical scholars including C. John Collins, Thomas Schreiner, Gordon Wenham, and Darrell Bock, and will help you to: See the big-picture storyline of the Bible Understand the theology of the Old and New Testaments Read the different sections of Scripture effectively Know what happened between the testaments In addition to essays on each genre of the Bible, the book addresses the general Greco-Roman world and specific Jewish groups at the time of the New Testament. To aid in putting Bible passages in context, it also includes timelines of the Old and New Testaments and intertestamental events. Useful as both a general overview of the Bible and as a tool for more specific reference and training, this book will help you grow in your understanding of Scripture and your ability to apply the Bible to life.

Women in the Church Liveright Publishing

Nicola Hoggard Creegan and Christine D. Pohl tell their own stories and draw from the experiences of ninety other women scholars to helpfully and hopefully address the boundary between the evangelical world and the concerns of feminism found in the academy.
