The Mom Test is a quick, practical guide that will save you time, money, and heartbreak. They say you shouldn't ask your mom whether your business is a good idea, because she loves you and will lie to you. This is technically true, but it misses the point. You shouldn't ask anyone if your business is a good idea. It's a bad question and everyone will lie to you at least a little . As a matter of fact, it's not their responsibility to tell you the truth. It's your responsibility to find it and it's worth doing right . Talking to customers is one of the foundational

skills of both Customer Development and Lean Startup. We all know we're supposed to do it, but nobody seems willing to admit that it's easy to screw up and hard to do right. This book is going to show you how customer conversations go wrong and how you can do better.

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. Inside the Whale, the eighth in the Orwell's Essays series, discusses Henry Miller's

controversial Tropic of Cancer, and considers the driving power behind the great books of the 1930s. Comparing Miller with other literary giants, Orwell lambasts the notion that all literature is good, forcing the reader to think for themselves, with his final words ringing in their ears: 'five thousand novels are published in England every year and four thousand nine hundred of them are tripe.'

These twelve dazzling stories from Chimamanda Ngozi Adichie — the Orange Broadband Prize-winning author of *Half of a Yellow Sun* — are her most intimate works to date. In these stories Adichie turns her penetrating eye to the ties that bind men and women, parents and children, Nigeria and the United

States. In "A Private Experience," a medical student hides from a violent riot with a poor Muslim woman, and the young mother at the centre of "Imitation" finds her comfortable life in Philadelphia threatened when she learns that her husband has moved his mistress into their Lagos home. Searing and profound, suffused with beauty, sorrow and longing, this collection is a resounding confirmation of Adichie's prodigious literary powers.

A #1 New York Times bestselling author and leadership expert answers questions from his readers about what it takes to be in charge and make a difference. John Maxwell, America's #1 leadership authority, has mastered the art of asking questions, using them to learn and grow,

connect with people, challenge himself, improve his team, and develop better ideas. Questions have literally changed Maxwell's life. In *GOOD LEADERS ASK GREAT QUESTIONS*, he shows how they can change yours, teaching why questions are so important, what questions you should ask yourself as a leader, and what questions you should be asking your team. Maxwell also opened the floodgates and invited people from around the world to ask him any leadership question. He answers seventy of them--the best of the best--including . . . What are the top skills required to lead people through difficult times? How do I get started in leadership? How do I motivate an unmotivated person? How can I succeed working under poor leadership? When is

the right time for a successful leader to move on to a new position? How do you move people into your inner circle? No matter whether you are a seasoned leader at the top of your game or a newcomer wanting to take the first steps into leadership, this book will change the way you look at questions and improve your leadership life.

Author of *War Horse*, and bestselling storyteller Michael Morpurgo touched our hearts with this beautiful story of a boy, his lost dog, and the lengths he would go to be reunited. This timely story of battle-scarred Afghanistan delivers a masterful portrait of war, love, and friendship. With the horrors of war bearing down on them, Aman and his mother are barely surviving in an Afghan

cave, and staying there any longer will end horribly. The only comfort Aman has is Shadow, the loyal spaniel that shows up from places unknown, it seems, just when Aman needs him most. Aman, his mother, and Shadow finally leave the destroyed cave in hopes of escaping to England, but are held at a checkpoint, and Shadow runs away after being shot at by the police. Aman and his mother escape--without Shadow. Aman is heart-broken. Just as they are getting settled as free citizens in England, they are imprisoned in a camp with locked doors and a barbed wire fence. Their only hope is Aman's classmate Matt, his grandpa, and the dream of finding his lost dog. After all, you never lose your shadow.

Don't miss Selznick's other novels in words and pictures, *The Invention of Hugo Cabret* and *Wonderstruck*, which together with *The Marvels*, form an extraordinary thematic trilogy! A breathtaking new voyage from Caldecott Medalist Brian Selznick. Two stand-alone stories--the first in nearly 400 pages of continuous pictures, the second in prose--create a beguiling narrative puzzle. The journey begins at sea in 1766, with a boy named Billy Marvel. After surviving a shipwreck, he finds work in a London theatre. There, his family flourishes for generations as brilliant actors until 1900, when young Leontes Marvel is banished from the stage. Nearly a century later, runaway Joseph Jervis seeks refuge with

an uncle in London. Albert Nightingale's strange, beautiful house, with its mysterious portraits and ghostly presences, captivates Joseph and leads him on a search for clues about the house, his family, and the past. A gripping adventure and an intriguing invitation to decipher how the two stories connect, *The Marvels* is a loving tribute to the power of story from an artist at the vanguard of creative innovation.

Down and Out in Paris and London by George Orwell: Step into the world of social observation and personal experience with George Orwell's "Down and Out in Paris and London." This autobiographical work recounts Orwell's firsthand experiences of poverty and

hardship in the two cities. His exploration of the lives of the working class and the struggles of the marginalized provides a poignant and insightful narrative. Why This Book? "Down and Out in Paris and London" offers a gritty and compassionate portrayal of poverty and social inequality, drawing from George Orwell's own experiences. Orwell's keen observations and his exploration of societal disparities make this work a compelling read for those interested in social justice and firsthand accounts of challenging life circumstances.

The Road to Wigan Pier Center Street
The assassinated Shah Jahan lies entombed beside his beloved wife in the Taj Mahal, while their progeny drag the Mughal Empire into a three-sided

struggle over the succession to the Peacock Throne. The diplomatic and trade mission from the United States of Europe is openly siding with Princess Jahanara and her brother Dara Shikoh. The mission, made up largely of Americans transplanted in time by the Ring of Fire, is providing the siblings with technical assistance as they prepare to fight their rivals for the throne, Aurangzeb and Shah Shuja. Meanwhile, the Afghan adventurer Salim Gadh Yilmaz, confidant of two emperors—Shah Jahan and now his son Dara Shikoh—has been elevated to the position of general. He has great challenges to face, not the least of which is resisting the fierce and forbidden mutual attraction between himself and Princess Jahanara. As the conflict deepens, the junior members of

the mission are sent east to buy opium needed by the USE's doctors. Their guide, merchant Jadu Das, has an agenda of his own, one entrusted to him by Jahanara: seek out her great uncle, Asaf Khan, and promise whatever is needed to bring his army over to Dara's side. The USE's mission was sent to India in search of goods needed in Europe. But now they find that straightforward task has become enmeshed in a great civil war—for control of the Peacock Throne. At the publisher's request, this title is sold without DRM (Digital Rights Management). The astonishing story of the soldiers, conservationists, and ordinary Iraqis who united to save the animals of the Baghdad Zoo When the Iraq war began, conservationist Lawrence Anthony could think of only one thing: the fate of the Baghdad Zoo, caught in the crossfire at the heart of the city. Once Anthony entered Iraq he discovered that hostilities and uncontrolled looting had devastated the zoo and its animals. Working with members of the zoo staff and a few compassionate U.S. soldiers, he defended the zoo, bartered for food on war-torn streets, and scoured bombed palaces for desperately needed supplies. *Babylon's Ark* chronicles

Anthony's hair-raising efforts to save a pride of Saddam's lions, close a deplorable black-market zoo, run ostriches through shoot-to-kill checkpoints, and rescue the dictator's personal herd of Thoroughbred Arabian horses. A tale of the selfless courage and humanity of a few men and women living dangerously for all the right reasons, *Babylon's Ark* is an inspiring and uplifting true-life adventure of individuals on both sides working together for the sake of magnificent wildlife caught in a war zone.

George Orwell set out 'to make political writing into an art', and to a wide extent this aim shaped the future of English literature - his descriptions of authoritarian regimes helped to form a

new vocabulary that is fundamental to understanding totalitarianism. While 1984 and Animal Farm are amongst the most popular classic novels in the English language, this new series of Orwell's essays seeks to bring a wider selection of his writing on politics and literature to a new readership. Shooting an Elephant, the fifth in the Orwell's Essays series, tells the story of a police officer in Burma who is called upon to shoot an aggressive elephant. Thought to be loosely based on Orwell's own experiences in Burma, the tightly written essay weaves together fact and fiction indistinguishably, and leaves the reader contemplating the heavy topic of colonialism, with the words 'when the white man turns tyrant it is his own freedom that he destroys' echoing from

the page. 'A remarkable piece.' (Jeremy Paxman) 'A writer who can – and must – be rediscovered with every age.' (Irish Times)

When South African conservationist Lawrence Anthony was asked to accept a herd of "rogue" wild elephants on his Thula Thula game reserve in Zululand, his common sense told him to refuse. But he was the herd's last chance of survival: they would be killed if he wouldn't take them. In order to save their lives, Anthony took them in. In the

years that followed he became a part of their family. And as he battled to create a bond with the elephants, he came to realize that they had a great deal to teach him about life, loyalty, and freedom. The Elephant Whisperer is a heartwarming, exciting, funny, and sometimes sad account of Anthony's experiences with these huge yet sympathetic creatures. Set against the background of life on an African game reserve, with unforgettable characters and exotic wildlife, it is a delightful book that will appeal to animal lovers and adventurous souls everywhere.

Burmese Days is George Orwell's first novel, originally published in 1934. Set in British Burma during the waning days of the British empire, when Burma was ruled from Delhi as part of British India, the novel serves as a portrait of the dark side of the British Raj. At the center of the novel is John Flory, trapped within a bigger system that is undermining the better side of human nature. The novel deals with indigenous corruption and imperial bigotry in a society where natives peoples were viewed as interesting, but ultimately inferior. Includes a bibliography and brief bio of

the author.
