Whether you're addressing an initial infraction or handling termination-worthy transgressions, you need to be 100 percent confident that every employee encounter is clear, fair, and most importantly, legal. Thankfully, HR expert Paul Falcone has provided this wide-ranging resource that explains in detail the disciplinary process and provides ready-to-use documents that eliminate stress and second-guessing about what to do and say. In 101 Sample Write-Ups for Documenting Employee Performance Problems, Falcone includes expertly crafted, easily customizable write-ups that address: sexual harassment, absenteeism, insubordination, drug or alcohol abuse, substandard work, email and phone misuse, teamwork issues, managerial misconduct, confidentiality breaches, social media abuse, and more! With each sample document also including a performance improvement plan, outcomes and consequences, and a section of employee rebuttal, it's easy to see why this guide makes life for managers and HR personnel significantly easier when it comes to addressing employee performance issues.

From the creator of the popular website Ask a Manager and New York's work-advice columnist comes a witty, practical guide to 200 difficult professional conversations—featuring all-new advice! There's a reason Alison Green has been called "the Dear Abby of the work world." Ten years as a workplace-advice columnist have taught her that people avoid awkward conversations in the office because they simply don't know what to say. Thankfully, Green does—and in this incredibly helpful book, she tackles the tough discussions you may need to have during your career. You'll learn what to say when • coworkers push their work on you—then take credit for it • you accidentally trash-talk someone in an email then hit "reply all" • you're being micromanaged—or not being managed at all • you catch a colleague in a lie • your boss seems unhappy with your work • your cubemate's loud speakerphone is making you homicidal • you got drunk at the holiday party Praise for Ask a Manager "A must-read for anyone who works . . . [Alison Green's] advice boils down to the idea that you should be professional (even when others are not) and that communicating in a straightforward manner with candor and kindness will get you far, no matter where you work."—Booklist (starred review) "The author's friendly, warm, no-nonsense writing is a pleasure to read, and her advice can be widely applied to relationships in all areas of readers' lives. Ideal for anyone new to the job market or new to management, or anyone hoping to improve their work experience."—Library Journal (starred review) "I am a huge fan of Alison Green's Ask a Manager column. This book is even better. It teaches us how to deal with many of the most vexing big and little problems in our workplaces—and to do so with grace, confidence, and a sense of humor."—Robert Sutton, Stanford professor and author of The No Asshole Rule and The Asshole Survival Guide "Ask a Manager is the ultimate playbook for navigating the traditional workforce in a diplomatic but firm way."—Erin Lowry, author of Broke Millennial: Stop Scraping By and Get Your Financial Life Together

This report is the early document of record for the Self-Sufficiency Project (SSP), a research and demonstration program that offers to supplement the earnings of single-parent income assistance recipients who have received benefits for at least one year, and who leave the welfare rolls to take a full-time job. It details the rationale, design, and early implementation of the SSP's earnings supplement program, the structure and methods of the SSP program evaluation, and SSP's first-year costs and welfare impacts. The report also describes SSP's sample members, selected at random from the population of long-term single-parent income assistance recipients in British Columbia and New Brunswick. Finally, the report reviews the early success of the program.

Gender, Race and Religion brings together a selection of original papers published in Ethnic and Racial Studies that address the intersections between gender relations, race and religion in our contemporary environment. Chapters address both theoretical and empirical aspects of this phenomenon, and although written from the perspective of quite different national, social and political situations, they are linked by a common concern to analyze the interface between gender

and other situated social relationships, from both a conceptual and a policy angle. These are issues that have been the subject of intense scholarly research and analysis in recent years, as well as forming part of public debates about the significance of gender, race and religion as sites of identity formation and mobilization in our changing global environment. The substantive chapters bring together insights from both theoretical reflection and empirical research in order to investigate particular facets of these questions. Gender, Race and Religion addresses issues that are at the heart of contemporary scholarly debates in the field of race and ethnic studies, and engages with important questions in policy and public debates. This book was originally published as a special issue of Ethnic and Racial Studies.
