An incident near the
desolate Chhinnamasta

temple on the rocky riverbank of Rajrappa leads to the death of Mahesh Chowdhury, the head of a Hazaribagh family. Adding to the mystery are a set of coded diaries, a valuable stamp collection that is missing and a tiger that is roaming the streets of Hazaribagh. One of Feluda's most intriguing adventures, this shows the master sleuth at his best.

It only takes one moment to change your life forever . . .

After her mother's deportation last year, all Soledad "Sol" Gutierrez wants is for her life to go back to normal.

Everything's changed—new apartment, new school, new family dynamic—and Sol desperately wants to fit in. When she joins her community college's history club, it comes with an odd initiation process: break into Westray's oldest house and steal . . . a fork? There's just one problem: while the owners of the house aren't home, their grandson Ethan is, and when he catches Sol with her hand in the kitchen drawer, she barely escapes with the fork intact. This one chance encounter

irrevocably alters her life, and Sol soon learns that sometimes fitting in isn't as important as being yourself—even if that's the hardest thing she's ever had to do.

The untold story of the root cause of America's education crisis--and the seemingly endless cycle of multigenerational poverty. It was only after years within the education reform movement that Natalie Wexler stumbled across a hidden explanation for our country's frustrating lack of progress when it comes to providing every child with a quality education.

The problem wasn't one of the usual scapegoats: lazy teachers, shoddy facilities, lack of accountability. It was something no one was talking about: the elementary school curriculum's intense focus on decontextualized reading comprehension "skills" at the expense of actual knowledge. In the tradition of Dale Russakoff's *The Prize* and Dana Goldstein's *The Teacher Wars*, Wexler brings together history, research, and compelling characters to pull back the curtain on this fundamental flaw in our

education system--one that fellow reformers, journalists, and policymakers have long overlooked, and of which the general public, including many parents, remains unaware. But *The Knowledge Gap* isn't just a story of what schools have gotten so wrong--it also follows innovative educators who are in the process of shedding their deeply ingrained habits, and describes the rewards that have come along: students who are not only excited to learn but are also acquiring the knowledge and vocabulary that will enable them to succeed. If we truly want to fix our education system and unlock the potential of our neediest children, we have no choice but to pay attention.

Go lingerie-shopping with him. Pass out drunk with her on the same bed. Cry on his shoulder when you break up. Bore her with football talk at 3 a.m. Ask him for advice on how to keep your boyfriend happy. Watch a cheesy movie with her and cry freely. Ask him to rate your butt. Dance with her in your boxers. But never, ever kiss your best friend. In this sequel to the bestselling *Just Friends*, find out what happens when headstrong and impulsive Tanie Brar meets her equally crazy best friend Sumer Singh Dhillon after five long years of separation. Heart-warming and poignant, *Never Kiss Your Best Friend* redefines the rules of friendship with its story of a boy and a girl who are soulmates in every sense.

Now the Netflix Limited Series *Unbelievable*, starring Toni Collette, Merritt Wever, and Kaitlyn Dever • Two Pulitzer Prize-winning journalists tell the riveting true crime story of a teenager charged with lying about having been raped—and the detectives who

followed a winding path to arrive at the truth.

“Gripping . . . [with a] John Grisham-worthy twist.”—Emily Bazelon,

New York Times Book Review (Editors’ Choice)

On August 11, 2008, eighteen-year-old Marie reported that a masked man broke into her apartment near Seattle, Washington, and raped her. Within days police and even those closest to Marie became suspicious of her story. The police swiftly pivoted and began investigating Marie.

Confronted with inconsistencies in her story and the doubts of others, Marie broke down and said her story was a lie—a bid for attention. Police charged Marie with false reporting, and she was branded a liar. More than two years later, Colorado detective Stacy Galbraith was assigned to investigate a case of sexual assault. Describing the crime to her husband that night, Galbraith learned that the case bore an eerie resemblance to a rape that had taken place months earlier in a nearby town. She joined forces with the detective on that case, Edna Hendershot, and the two soon discovered they were dealing with a serial rapist: a man who

photographed his victims, threatening to release the images online, and whose calculated steps to erase all physical evidence suggested he might be a soldier or a cop. Through meticulous police work the detectives would eventually connect the rapist to other attacks in Colorado—and beyond. Based on investigative files and extensive interviews with the principals, *Unbelievable* is a serpentine tale of doubt, lies, and a hunt for justice, unveiling the disturbing truth of how sexual assault is investigated today—and the long history of skepticism toward rape victims. “Gora” is one of the finest masterpieces of Rabindra Nath Tagore. This novel is about a young man who is a traditional Hindu. He presents himself against the British colonists culture. He takes the support of organized religion to oppose the British regime in India. the fine portrayal of the Bengal of 1900’s is a major achievement for Tagore. The tussle between old and new is very thrilling, although Tagore’s ‘mild style’

makes the proceedings 'soft and humble'. No doubts, 'Gora' is one of the finest literary pieces of Bangla literature and here we present an authentic English version of 'Gora'. A must-read for the elite thinkers.

March 22, 2025. For Air Force 2nd LT Andy Newton, it was just another boring night at the Project NEO (Near Earth Orbit) tracking station at Kirtland Air Force Base. Every now and then, the tracking system monitoring the sky would "tag" a new target, but it was always just another piece of space junk. Space junk, however, doesn't change course, but when one piece suddenly does, Andy's curiosity leads him to an alien ship, a secret organization within the Department of Defense, a beautiful technician working for a defense contractor, and a turf war between two powerful Generals. What starts as a normal weekend turns into the adventure of a lifetime!

An incisive and exhilarating debut novel following three Anglo-Nigerian best friends and the lethally glamorous fourth woman who infiltrates their group—the most unforgettable girls since Carrie, Miranda, Charlotte, and Samantha. Ronke wants happily ever after and 2.2. kids. She's dating Kayode and wants him to be "the one" (perfect, like her dead father). Her friends think he's just another in a long line of dodgy Nigerian boyfriends. Boo has everything Ronke wants—a kind husband, gorgeous child. But she's frustrated, unfulfilled, plagued by guilt, and desperate to remember who she used to be. Simi is the golden one with the perfect lifestyle. No one knows she's crippled by impostor syndrome and tempted to pack it all in each time her boss mentions her "urban vibe." Her husband thinks they're trying for a baby. She's not. When the high-

flying, charismatic Isobel explodes into the group, it seems at first she's bringing out the best in each woman. (She gets Simi an interview in Shanghai! Goes jogging with Boo!) But the more Isobel intervenes, the more chaos she sows, and Ronke, Simi, and Boo's close friendship begins to crack. A sharp, modern take on friendship, ambition, culture, and betrayal, Wahala (trouble) is an unforgettable novel from a brilliant new voice. Harry Potter: Magical Film Projections: Patronus Charm Lion Children's School refusal affects up to 5% of children and is a complex and stressful issue for the child, their family and school. The more time a child is away from school, the more difficult it is for the child to resume normal school life. If school refusal becomes an ongoing issue it can negatively impact the child's social and educational development. Psychologist Joanne Garfi spends most of her working life assisting parents, teachers, school counsellors, caseworkers, and community policing officers on how best to deal with school refusal. Now her experiences and expertise are available in this easy-to-read practical

book. *Overcoming School Refusal* helps readers understand this complex issue by explaining exactly what school refusal is and provides them with a range of strategies they can use to assist children in returning to school. Areas covered include:

- types of school refusers
- why children refuse to go to school
- symptoms
- short term and long term consequences
- accurate assessment
- treatment options
- what parents can do
- what schools can do
- dealing with anxious high achievers
- how to help children on the autism spectrum with school refusal

The first graphic history of sex chronicles sexuality and human intimacy through the ages, from our primate pasts to our robotic futures. Humans have had sex on the brain since pre-civilization either for pleasure, power, revenge, a desire for children, or simply because it isn't allowed. Today, sex is all around us but it's rarely explained and almost never taught. In *The Story of Sex*, sexologist Phillipe Brenot combines anthropology, sociology, psychology and history with witty comics

by Latetita Coryn for an in-depth explanation of this essential aspect of humanity. Organized chronologically into sections like *Babylon: Free Love*, *The Middle Ages: Heaven and Hell*, and *The 20th Century: Sexual Liberation*, Brenot explores what eroticism really is, how our ancestors behaved sexually, when the first couple was established, how superstition and morality laws shaped sexuality, the use of pornography in the digital age, and how some ancient civilizations were far ahead of their time when it came to gender equality. Full of fascinating details like Cleopatra's invention of the vibrator and a Dutch shopkeeper's accidental discovery of the existence of sperm--all accompanied by hilarious comics and dialogue -- *The Story of Sex* is informative, unique, and entertaining book.

Man from the South is a short, sharp, chilling story from Roald Dahl, the master of the shocking tale. In Man from the South, Roald Dahl, one of the world's favourite authors, tells a sinister story about the darker side of human nature.

Here, a man takes part in a very unusual bet, one with appalling consequences . . . Man from the South is taken from the short story collection Someone Like You, which includes seventeen other devious and shocking stories, featuring the wife who serves a dish that baffles the police; a curious machine that reveals the horrifying truth about plants; the man waiting to be bitten by the venomous snake asleep on his stomach; and others. 'The absolute master of the twist in the tale.' (Observer) This story is also available as a Penguin digital audio download read by Stephen Mangan. Roald Dahl, the brilliant and worldwide acclaimed author of Charlie and the Chocolate Factory, James

and the Giant Peach, Matilda, and many more classics for children, also wrote scores of short stories for adults. These delightfully disturbing tales have often been filmed and were most recently the inspiration for the West End play, Roald Dahl's Twisted Tales by Jeremy Dyson. Roald Dahl's stories continue to make readers shiver today.
