From her reflections on African American life and hardship in Just Give Me a Cool Drink of Water 'fore I Diiie to her revolutionary celebrations of womanhood in Phenomenal Woman and Still I Rise, and her elegant tributes to dignitaries Bill Clinton and Nelson Mandela (On the Pulse of Morning and His Day Is Done, respectively), every inspiring word of Maya Angelou's poetry is included in the pages of this volume.

A History of Indian Literature: 1911-1956, struggle for freedom : triumph and tragedy Rashmirathi

Representation of the subordinated has always been a problematic issue in popular literature. Even though fiction

provides ample freedom in this regard, it brings with it a share of its own problems. Indian Fiction is a wide field where various societies and cultures co-exist, making it a unique field of opportunities.

Krishna and Jara Rupa Publications India

Novel written about the humor and hope in the lives of the lower middle class people of India.

the consequences of communalism which are of immense relevance even today.

Raag Darbari Penguin Books India

Karn: The Luminous Warrior is a work based on "Rashmirathi", which is a highly celebrated Hindi poem written by Ramdhari Singh Dinkar, one of the most prominent poets of modern Hindi literature. He was also popularly referred to as 'Rashtra Kavi' i.e., National Poet. The poem Rashmirathi was first published in 1952 and is considered one of the finest examples of Hindi literature. The poem is a dramatic monologue delivered by Karn as well as a few other central characters of the Indian Itihasa epic Mahabharat. As I grew up, Rashmi Rathi became one of the greatest sources of inspiration for me over time. It is interesting to see how the poem 'Rashmirathi' goes beyond being just a piece of poetry and contains a deep philosophical aspect. This poem serves as a reminder of the valuable teachings of the Indic knowledge systems that are still relevant in today's world. Therefore, I have made my best effort to translate and render the meaning of the Hindi poem into its truest sense in English, with some changes to keep the proper flow of poetry. I wish that this timeless message and teachings of Rashmirathi and Mahabharat can reach a broader readership in India as well as beyond.

The Incredible History of India's Geography Rajkamal Prakashan Pvt Ltd

Maangey Allah se bas itni dua hai Rashid Main jo Urdu mein vaseyat likhoon beta parh ley All Rashid asks of Allah is just one small gift: If I write my will in Urdu, may my son be able to read it. Urdu, one of the most widely used languages in the subcontinent, is, sadly, dying a slow death in the land where it was born and

Aadhunik Bodh : Dinkar Granthmala National Book Trust India

Translated by the author 'Tamasdrove the point home that ordinary people want to live in peace' The Guardian Set in a small-town frontier province in 1947, just before Partition, Tamas tells the story of a sweeper named Nathu who is bribed and deceived by a local Muslim politician to kill a pig, ostensibly for a veterinarian. The following morning, the carcass is discovered on the steps of the mosque and the town, already tension-ridden, erupts. Enraged Muslims massacre scores of Hindus and Sikhs, who, in turn, kill every Muslim they can find. Finally, the area's British administrators call out the army to prevent further violence. The killings stop but nothing can erase the awful memories from the minds of the survivors, nor will the various communities ever trust one another again. The events described in Tamas are based on true accounts of the riots of 1947 that Sahni was a witness to in Rawalpindi, and this new and sensitive translation by the author himself resurrects chilling memories of

where it flourished. This definitive collection spans over 200 years of Urdu poetry, celebrating well-known and relatively unknown poets alike. It is essential reading for all who love Urdu verse and for all looking for the ideal introduction.

Stories from the Mahabharatha

Rashmirathi Bhartiya Sahitya Inc.

In this landmark book, bestselling author, leadership coach and mythologist Devdutt Pattanaik shows how, despite its veneer of objectivity, modern management is rooted in Western beliefs and obsessed with accomplishing rigid objectives and increasing shareholder value. By contrast, the Indian way of doing business, as apparent in Indian mythology but no longer seen in practice accommodates subjectivity and diversity and offers an inclusive, more empathetic way of achieving success. Great value is placed on darshan, that is, on how we see the world and our relationship with Lakshmi, the goddess of wealth. Business Sutra uses stories, symbols and rituals drawn from Hindu, Jain and Buddhist mythology to understand a wide variety of business situations that range from running a successful tea stall to nurturing talent in a large multinational corporation. At the heart of the book is a compelling premise: if we believe that wealth needs to be chased, the workplace becomes a rana-bhoomi - a battleground

of investors, regulators, employers, employees, vendors, competitors and customers, if we believe that wealth needs to be attracted, the workplace becomes a ranga-bhoomi - a playground where everyone is happy.

Divya Lokbharti Prakashan

In a remote village in the foothills of the Himalayas, a gifted but unknown poet named Kalidas nurtures an unconventional romance with his youthful muse, Mallika. When the royal palace at Ujjayini offers him the position of court poet, Kalidas hesitates, but Mallika persuades him to leave for the distant city so that his talent may find recognition. Convinced that he will send for her, she waits. He returns years later, a broken man trying to reconnect with his past, only to discover that time has passed him by. // A classic of postcolonial theatre, Mohan Rakesh's Hindi play is both an unforgettable love story and a modernist reimagining of the life of India's greatest classical poet. It comes alive again in Aparna and Vinay Dharwadker's new English translation, authorized by the author's estate. This literary rendering is designed for performance on the contemporary cosmopolitan stage, and it is enriched by extensive commentary on the play's contexts, legacy, themes and dramaturgy.

Karn Virago Press

From the introduction by Michael Hamburger: "Baudelaire's prose poems were written at long intervals during the last twelve or

An enduring icon of India, Rabindranath Tagore made extraordinary contributions as an artist, nationalist, educationist and philosopher. Deeply aware of the historical significance of his times, he built on the heritage of nineteenth-century Indian renaissance to become one of the makers of the modern Indian mind. In this first-of-its-kind intellectual biography, historian Sabyasachi Bhattacharya sketches a compelling portrait of a Tagore who was innately sceptical, self-critical and tormented by conflicts in his 'inner life'. He draws on letters, autobiographical

accounts and literary works, some translated for the first time, to explore Tagore's chief dilemmas. He reveals how despite Tagore's apparently contradictory ideas on patriotism and international humanism, modernity and traditional practices, secularism and religious influence, there was a unified vision that tied together his diverse oeuvre. Thoroughly researched and evocatively written, Rabindranath Tagore: An Interpretation offers profound insights into Tagore's life and multiple influences that shaped his genius.
