Canadian Author & Bookman and Canadian Poetry HarperCollins UK

When your bestie is marrying a guy she barely knows, can you save her from the cult before it's too late? Natalie is living proof that love is a scam. She's traumatised by her parents' failed marriage and overwhelmed by her grandmother's expectations of good Lebanese girls — marriage, motherhood and exceptional tabouli-making skills. When her best friend decides to get hitched to a guy in the motherland, Nat's not exactly thrilled by the mammoth task before her: juggling cultural traditions, extra bridesmaid dresses and super-judgemental relatives. And to top it off there's the annoyingly good-looking best man and his constant need to mansplain all of the things. Natalie is in for the trip of her life. But can she save her friend from the cult of romance, without falling in love herself? PRAISE FOR THE CULT OF ROMANCE 'The Cult of Romance is a vividly realised, dazzling and charming book which made me snort with laughter as much as it compelled me to pause for thought. Ayoub tackles the agonies and joys of in-betweenness, of what, who and where we make and feel homeland and heartland. Her intimacy with the worlds she writes about is obvious in her rich and subtle descriptions. Ayoub has given Australian YA literature a fresh and uniquely cross-generational and cross-border perspective on perennial themes of identity, family, friendship, loyalty and love. A young Australian Lebanese woman grappling with these questions as she navigates her parent's homeland, Lebanon. The story invites readers to think about the many worlds-and worlds within worlds- children of migrants must navigate without losing sight of the humour, lightness and joys in the journey. Ayoub has written something truly original and special.' - Randa Abdel-Fattah, award-winning author of *When Michael Met Mina* 'The Cult of Romance is a fun, heartfelt and relatable read that buzzes with youthful energy. Sarah Ayoub manages to criss-cross two worlds and tenderly land in the space in between, where children of diaspora often find themselves. Her book deftly captures the angst of growing up torn between two cultures. The Cult of Romance is for those who've never seen themselves in the pages of a novel, whose old-country customs say more about who they are than who their parents or grandparents were. In this way, The Cult of Romance is a quintessentially Australian story about love, family, belonging and finding your place in the world.' - Jan Fran, social commentator and Walkley Award-winning journalist

The Pleasure Contract HarperCollins Australia

"The most complete and engrossing biography yet of this exotic Southern girl...Excellent."—Liz Smith She was the sex symbol who dazzled all the other sex symbols. She was the temptress who drove Frank Sinatra to the brink of suicide and haunted him to the end of his life. Ernest Hemingway saved one of her kidney stones as a sacred memento, and Howard Hughes begged her to

marry him—but she knocked out his front teeth instead. She was one of the great icons in Hollywood history—star of *The Killers*, *The Barefoot Contessa*, and *The Night of the Iguana*—and one of the few whose actual life was grander and more colorful than any movie. Her jaw-dropping beauty, charismatic presence, and fabulous, scandalous adventures fueled the legend of Ava Gardner—Hollywood's most glamorous, restless and uninhibited star. In this acclaimed first full biography of Gardner, Lee Server recreates—with great style and vivid detail—the actress's life, from her beginnings as a barefoot North Carolina farm girl to her heady days as a Hollywood goddess. He paints the full spectacle of her tumultuous private life—including her string of failed marriages to Mickey Rooney, Sinatra and Artie Shaw—and Gardner's lifelong search for adventure and love. Ava Gardner: "Love is Nothing" is both an exceptional work of biography and a richly entertaining read.
