A coffee war is brewing in Maple Falls, where Anita and Tanner are serving up plenty of sparks to keep the town buzzing. Anita Bedford needs to face reality. It's time to decaffeinate the dream that she and Tanner will ever be more than friends. Growing up in small-town Maple Falls, she's had a crush on Tanner for years. But he'll only ever see her as good, old, dependable Anita. Now she's finally ready to make her own goals a reality. In fact, that deserted building next door to Sunshine Diner looks like a promising location to open her own café. . . . Tanner Castillo may know how to operate a diner, but he doesn't know beans about love. After pouring his life savings into buying

the Sunshine Diner, he needs to keep his mind on making a success of it and supporting his widowed mother, not on kissing Anita Bedford. First order of business: improve his customers' coffee experience. Next, he should probably find out who bought the building next door. . . . It's a bitter cup to swallow when ambition turns longtime friends and coworkers Anita and Tanner into rivals. Now that they own competing businesses, how could they ever compete for each other's hearts? Known as “The Peanut Butter Brothers” for their Wisconsin family business, hardworking Andrew, Abraham, and Austin Petersheim have their plates too full for romance—until their little siblings decide to play matchmaker . . . With their house full to bursting since Mammi and Dawdi moved back in, the Petersheim twins know the only way to get their bedroom back is to get their older brothers married off. But Abraham is so shy, he’ll barely speak to girls. Still, they’ve noticed how he looks at Emma Wengerd at church. Emma is so talkative, Abraham’s quiet ways wouldn’t matter a bit. Soon, the boys have hatched a scheme that sends Abraham right to Emma’s door—and her chicken coop . . . Abraham doubts that pretty, popular Emma would be interested in him. Yet when he finds himself by her side, having to straighten out the twins’ mischief—more than once—he can’t help imagining a future with her. And the more time they spend together, the more Abraham realizes that perhaps no matter how many boys buzz around Emma, with faith, it’s only the right one that counts . . . It's a journey that takes him deep into the subcultures of San Francisco, from the bohemian heyday of the Beat Generation through the Internet mania of his contemporary world, even as it unleashes something primal, hungry, and slightly dangerous in Jamie. As his search for the elusive Dean Foster turns ever more obsessive, undermining his friendships, his income, and his fidelity to his partner, Jamie is forced to decide what he is willing to risk in the pursuit of the truth.
