compared to Shakespeare for his outpouring of creativity and to Saint Francis of Assisi for his spiritual wisdom. Yet his life has long remained the stuff of legend rather than intimate knowledge. In this breakthrough biography, Brad Gooch brilliantly brings to life the man and puts a face to the name Rumi, vividly coloring in his time and place—a world as rife with conflict as our own. The map

of Rumi's life stretched over 2,500 miles. Gooch traces this epic journey from Central Asia, where Rumi was born in 1207, traveling with his family, displaced by Mongol terror, to settle in Konya, Turkey. Pivotal was the disruptive appearance of Shams of Tabriz, who taught him to whirl and transformed him from a respectable Muslim preacher into a poet and mystic. Their vital

connection as teacher and pupil, friend and beloved, is one of the world's greatest spiritual love stories. When Shams disappeared, Rumi coped with the pain of separation by composing joyous poems of reunion, both human and divine. Ambitious, bold, and beautifully written, Rumi's Secret reveals the unfolding of Rumi's devotion to a "religion of love," remarkable in his own time

and made even more relevant for the twenty-first century by this compelling account. Gold MSU Press Buddhism: Introducing the Buddhist Experience, Second Edition, focuses on the depth of Buddhist experience as expressed in the teachings and practices of its religious and philosophical traditions. Taking a broad and inclusive approach, this unique work

spans over 2,500 years, offering chapters on Buddhism's origins in India; Theravada and Mahayana Buddhism; and Buddhism in Southeast Asia, Tibet, China, Korea, and Japan. Author Donald W. Mitchell provides substantial selections of primary text material throughout that illustrate a great variety of moral, cultural, psychological, meditative, and spiritual Buddhist experiences.

The second edition adds six brief end-of-chapter essays by scholars and practitioners on cultural experiences of Buddhism in Thailand, Tibet, China, Korea, Japan, and America. It also offers additional photographs, new sections on topics like Buddhist cosmology, expanded coverage of Buddhism and globalization, and updated suggestions for further reading The Rumi Collection Oxford

"Rumi, known in Iran and Central Asia as Mowlana Jalaloddin Balkhi, was born in 1207 in the province of Balkh, now the border region between Afghanistan and Tajikistan. Rumi expressed a new vision of reality in volumes of mystical poetry. His enormous collection of lyrical poetry is considered one of the best that has ever been produced, while his

poem in rhyming couplets, the Masnavi, is so reversed as the most consummate expression of Sufi mysticism that it is commonly referred to as 'the Koran in Persian'."--

Rumi - Past and Present, East and West
Wellfleet Press
Begun in 1262 AD, Masnavi-ye Ma navi, or spiritual couplets', is thought to be the longest single-authored mystical poem ever written. As the spiritual masterpiece of the Persian Sufi tradition, it teaches how to progress to the ultimate

goal of the Sufi path - union with God. Jalaloddin Rumi was a poet and a mystic, but he was first a teacher; in these verses he draws the reader into the complexities of human love and separation and explains the path to divine love through the elimination of self-regard and worldly desires. Drawing on diverse sources from bawdy tales and fables to stories of the

prophet Mohammed, these verses are brief in expression yet copious in meaning. *W.B. Yeats* The Masnavi "Rumi, known in Iran and Central Asia as Mowlana Jalaloddin Balkhi, was born in 1207 in the province of Balkh, now the border region between Afghanistan and Tajikistan. including photographs, posters, diplomatic records, and literary works. Rumi's Secret Oxford University Press 'Loathsomeness waits and dreams in the deep, and decay spreads over the tottering cities of men. A time will come - but I must not and cannot think!' H. P. Lovecraft (1890-1937) was a reclusive scribbler of horror stories for the American pulp magazines that specialized in

Gothic and science fiction in the interwar years. He often published in Weird Tales and has since become the key figure in the slippery genre of 'weird fiction'. Lovecraft developed an extraordinary vision of feeble men driven to the edge of sanity by glimpses of malign beings that have survived from human prehistory or by malevolent extra-terrestrial visitations. The ornate language of

his stories builds towards grotesque moments of revelation, quite unlike any other writer. This new selection brings together nine of his classic tales, focusing on the 'Cthulhu Mythos', a cycle of stories that develops the mythology of the Old Ones, the monstrous creatures who predate human life on earth. It includes the Introduction from Lovecraft's critical essay, 'Supernatural

Literature', in
which he gave

'weird fiction'.

The Poetry of Rumi OUP

Oxford A new translation of the late-tenth-century Persian epic follows its story of pre-Islamic Iran's mythic time of Creation through the seventh-century Arab invasion, tracing ancient Persia's

incorporation into an expanding Islamic empire. 15,000 first printing.

Faces of Love: Hafez and the Poets of Shiraz Pages from History (Paperback) Step by Step Up to Union with God recounts the life story, from birth to death, of the celebrated 13th-century Persian Sufi poet, Jalal-al-Din of Balkh, commonly known in the West as Rumi, being the creator of one of the most

exquisite collections of lyrical poems (designated Ghazaliyyat-e Shams) and the greatest versified presentation of Islamic mysticism. It covers the poet's childhood, his emigration at the age of 13, accompanying his father, through Khorasan and Baghdad to Anatolia, where he eventually settled in Konya for the rest of his life. *The Masnavi. Book Four* Harper Collins Revision of the author's

doctoral thesis, submitted to the Oriental Institute of Oxford University in 1997. **Rumi: Bridge to the Soul** Routledge This sourcebook presents more than fifty new translations of key Islamic texts. Edited and translated by three leading specialists it illustrates the growth of Islamic thought from its seventh-century origins to the end of the medieval period.

The Life and Work of Muhammad Jalal-ud-Din Rumi Austin Macauley This new volume of Rumi's works, the first-ever English translation of his Arabic poems, will be exciting for the newcomer to Rumi's verses as well as to readers already familiar with his mystical philosophy. The poems take the reader on a journey of spiritual exploration, ecstatic union, cruel rejection, and

mystic reconciliation. Rumi reveals his soul and welcomes everyone to his spiritual feast. This dual-language volume opens a treasury of Rumi's mystic thought and startling poetry. His verses pulsate with desire and longing, with sensuality, and with ecstatic celebration. Rumi found in his mystic poetry a vehicle for the expression of the endless spiritual bounties of love. He

placed love at the center of his faith and doctrine, and he pronounced it to be the goal of his life and the only form of true worship. This collection is stunningly rendered in English by an award-winning poet and a distinguished translator of Arabic poetry. **The Masnavi** Oxford University Press Jalaloddin Rumi's Masnavi-ye Ma'navi, or 'Spiritual Couplets', composed in the 13th

Century, is a monumental work of poetry in the Sufi tradition of Islamic mysticism. For centuries before his love poetry became a literary phenomenon in the West, Rumi's Masnavi had been revered in the Islamic world as its greatest mystical text. Drawing upon a vast array of characters, stories and fables, and deeply versed in spiritual teaching, it takes us on a profound and playful

journey of discovery along the path of divine love, toward its ultimate goal of union with the source of all Truth. In Book Two of the Masnavi, the second of six volumes, we travel with Rumi toward an understanding of the deeper truth and reality, beyond the limits of the self. Alan Williams's authoritative new translation is rendered in highly readable blank verse and includes

the original Persian text for reference. True to the spirit of Rumi's poem, this new translation establishes the Masnavi as one of the world's great literary achievements for a global readership. Translated with an introduction, notes and analysis by Alan Williams and including the Persian text edited by Mohammad Este'lami. *The Essential Rumi - reissue* Skyhorse Publishing, Inc.
