German Homoeopathic Pharmacopoeia JP Medical Ltd

As one begins to learn the homeopathic methodology, repertorising is a difficult, if not ominous endeavor. This book helps to sort out the many nuances of old, and clarify much of the "older" jargon. It explains to the novice homeopath just how to begin taking a case and using the Repertory in practical terms. The author presents the subject in a very logical and understandable sequence. A subject that is normally difficult to master is easily grasped with the help of this book.

Homoeopathy and Homoeopathic Prescribing Prabhat Prakashan

The new edition of this textbook is a complete guide to parasitology for undergraduate medical students. Divided into 23 chapters, each topic has been thoroughly updated and expanded to cover the most recent advances and latest knowledge in the field. And although regulation of these products varies from country to country, universally they are required satisfy the same quality requirements as the medicines used in allopathy. Filling the need for an authoritative resource, German Homoeopathic Pharmacopoeia contains monographs covering homoeopathic products and their related analytical and manufacturing techniques. Each monograph is uniformly structured supplying, where applicable: Origin Description Characteristics Identification Purity Tests Assays Basic dosage forms Manufacture Storage Completely revised and updated, the volumes put the latest information within easy reach. An extensive collection of manufacturing and testing techniques, German Homoeopathic Pharmacopoeia establishes standards to ensure the pharmaceutical quality and safety of homoeopathic medicinal products.

Drug relationship B Jain Pub Pvt Limited

With growing popularity of homeopathy world-wide, it has gained an official status. Homeopathic Pharmacy has never been a static subject, it kept growing, and today, we find immense amount of work available on subject. There is a need for standardisation as there are many up-and-coming pharmacopoeias of various countries, including India. Thus, there is a need for making 'Homeopathic Pharmacy' a more comprehensible subject. While making this book, an effort has been made to maintain the originality of subject while incorporating new technologies. This book is of use to both undergraduates and to those pursuing post-graduation, in the subject.

The Chronic Miasm With Repertory B. Jain Publishers

This is a book by Dr V K Chauhan, who is an eminent clinician and academician. The book contains multiple choice questions on all twelve subjects of Homeopathy which have been collected from previous year's examination for the aspirants of UPSC and MD (Hons) to help them crack their examination with minimum hassles. The explanations and details for the correct choice of the answer are mentioned along with the answer which saves the time of going back to the books and referring to the source. The references of the explanation have also been given with book's name and chapter name which makes the authenticity of the book more valid than any such work available in the market. There are chapters on various organisations of Homeopathy in India, History of Homoeopathy in India, Homoeopathic pharmacopoeia, which is useful for the interviews for UPSC & MD Entrance exam.
