Detective Michael Bennett finally returns to New York City—and to the most unsettling, horrific case of his career in this #1 New York Times bestseller. At last, Detective Michael Bennett and his family are coming home to New York City. Thanks to Bennett, the ruthless crime lord whose vengeful mission forced the Bennett family into hiding has been

brought down for good. Back in the city that never sleeps, Bennett takes over a chaotic Outreach Squad in Harlem, where he receives an unusual call: a man claims to have seen a group of well-dressed men holding a bizarre party in a condemned building. With no clear crime or evidence, Bennett dismisses the report. But when a charred body is found in that very same building, he is forced to take the demented caller seriously-and is drawn into an underground criminal world of terrifying depravity.

All David Flinch ever wanted was a normal life. But when you're a member of the Flinch

family, normal has never been easy. For hundreds of years, the eldest male Flinch has been servant and guardian to the vampire, Lord Underwood. While the Flinches have changed through the generations, Underwood has remained eternal. David had hoped to be spared the horror of serving his family's lord and master, but when he is summoned to the Flinch home in Spain by his dying older brother, he knows his luck has run out. After fifty years of slumber, Underwood is to be resurrected from the grave in a ritual of human sacrifice, and David, by right of succession, is to be his resurrector. But there is another Flinch, one who craves the role of

guardian to the vampire: David's sister, Lydia. It's a job she means to have, even if it means making David's the first blood shed in this new age of Underwood and Flinch.

Wall Street Journal BESTSELLER New York Times bestselling author of Rich Bitch and renowned money expert Nicole Lapin makes investing accessible and fun so women can make bank and become Miss Independent. You've worked hard for your money and now it's time for your money to work for you. You will never earn or budget your way into real wealth. Growing your money significantly doesn't require starting with a lot of money. It requires a little bit of

knowledge about taking smart risks and as much time as possible to take advantage of the glorious power of compound interest, which Einstein refers to as the eighth wonder of the world. From automating your savings to easy, no-stress investing strategies, Nicole will teach you how to take your financial knowledge and portfolio to the next level and start you on your journey to your ultimate destination: true financial independence. In Miss Independent, you will learn: The freedom that wealth affords you, whether it's the ability to leave a crappy job or significant other, go on the vacation of your dreams or otherwise

live life on your own terms. The best method for establishing your “number”—the amount of wealth you want to accumulate before you retire—and getting it. The meaning of the most common investing terms, like stocks and bonds, (and some more exotic ones like REITs or cryptocurrency) and how to make them work to your advantage. The ins and outs of big financial decisions and concepts, like taking out a mortgage, owning investment properties, and buying life insurance. Miss Independent takes the fear out of money management and investing once and for all. Using her own vulnerable stories and her signature

conversational style, let Nicole show you all the different ways and paths that you can take to become financially free at last. *I Didn't Do the Thing Today* Little, Brown
 Police officers shot Detective Michael Bennett arrests an infamous Mexican crime lord in a deadly chase that leaves Bennett's lifelong friend Hughie McDonough dead. From jail, the prisoner vows to rain epic violence down upon New York City-and to get revenge on Michael Bennett. Judges murdered To escape the chaos, Bennett takes his ten kids and their beautiful nanny, Mary Catherine, on a much-needed vacation to his family's cabin near Newburgh, New York. But instead of the

calm and happy town he remembers from growing up, they step into a nightmare worse than they could have ever imagined.

Newburgh is an inferno of warring gangs, and there's little the police-or Bennett-can do to keep the children safe.

Target: Michael Bennett As violence overwhelms the state, Bennett is torn between protecting his hometown and saving New York City. A partner in his investigations, federal prosecutor Tara McLellan, brings him new weapons for the battle-and an attraction that endangers his relationship with Mary Catherine. A no-holds-barred, pedal-to-the-floor, action-packed novel, I, Michael Bennett is James

Patterson at his most personal and most thrilling best.

The director of the famed Bodleian Libraries at Oxford narrates the global history of the willful destruction—and surprising survival—of recorded knowledge over the past three millennia. Libraries and archives have been attacked since ancient times but have been especially threatened in the modern era. Today the knowledge they safeguard faces purposeful destruction and willful neglect; deprived of funding, libraries are fighting for their very existence. *Burning the Books* recounts the history that brought us to this point. Richard Ovenden describes the deliberate destruction of knowledge held in libraries and archives from ancient Alexandria to

contemporary Sarajevo, from smashed Assyrian tablets in Iraq to the destroyed immigration documents of the UK Windrush generation. He examines both the motivations for these acts—political, religious, and cultural—and the broader themes that shape this history. He also looks at attempts to prevent and mitigate attacks on knowledge, exploring the efforts of librarians and archivists to preserve information, often risking their own lives in the process. More than simply repositories for knowledge, libraries and archives inspire and inform citizens. In preserving notions of statehood recorded in such historical documents as the

Declaration of Independence, libraries support the state itself. By preserving records of citizenship and records of the rights of citizens as enshrined in legal documents such as the Magna Carta and the decisions of the US Supreme Court, they support the rule of law. In *Burning the Books*, Ovenden takes a polemical stance on the social and political importance of the conservation and protection of knowledge, challenging governments in particular, but also society as a whole, to improve public policy and funding for these essential institutions. *Ballroom* Doubleday
How to release productivity guilt and embrace the hidden values in our daily lives. Any given day

brings a never-ending list of things to do. There's the work thing, the catch-up thing, the laundry thing, the creative thing, the exercise thing, the family thing, the thing we don't want to do, and the thing we've been putting off, despite it being the most important thing. Even on days when we get a lot done, the thing left undone can leave us feeling guilty, anxious, or disappointed. After five years of searching for the secret to productivity, Madeleine Dore discovered there isn't one. Instead, we're being set up to fail. *I Didn't Do the Thing Today* is the inspiring call to take productivity off its pedestal—by dismantling our comparison to others,

aspirational routines, and the unrealistic notions of what can be done in a day, we can finally embrace the joyful messiness and unpredictability of life. For anyone who has ever felt the pressure to do more, be more, achieve more, this antidote to our doing-obsession is the permission slip we all need to find our own way.

Sinister sorcery.
Gallows humor. A queer romance so glorious it could be right out of fae legend itself. Master of One is a fantasy unlike any other. Rags the thief has never met a pocket he couldn't pick, but when he's captured by a sorcerer with world-ending plans, he realizes even he is in

over his head. Forced to use his finely honed skills to nab pieces of an ancient fae relic, Rags is stunned to discover that those "relics" just happen to be people: A distractingly handsome Fae prince, A too-honorable Queensguard deserter, A scrappy daughter of a disgraced noble family, A deceptively sweet-natured prince, A bona fide member of the Resistance, And him. Rags. They may all be captives in the sorcerer's terrible scheme, but that won't stop them from fighting back. And, sure, six unexpected allies against one wicked enemy doesn't make for generous odds, but lucky for him, Rag's not generous—he's smart. And he has a plan that

just might get them out of this alive. With the heist and intrigue of *Six of Crows* and the dark fairy tale feel of *The Cruel Prince*, this young adult fantasy debut will have readers rooting for a pair of reluctant heroes as they take on a world-ending fae prophecy, a malicious royal plot, and, most dangerously of all, their feelings for each other.

Face the Music Little, Brown

A terrible fire in a wealthy suburban home leaves a married couple dead and Detective Lindsay Boxer and her partner Rich Conklin searching for clues. And after California's golden boy, Michael Champion has been missing for a month, there finally seems to be a lead in his case--a very

devastating lead. As fire after fire consume couples in wealthy, comfortable homes, Lindsay and the Murder Club must race to find the arsonists responsible and get to the bottom of Michael Champion's disappearance. But suddenly the fires are raging too close to home. Frightened for her life and torn between two men, Lindsay must find a way to solve the most daunting dilemmas she's ever faced--at work and at home. *Underwood and Flinch* Samuel French, Inc. To save her own life, Nina Bloom vanished. Now, to rescue an innocent man, she confronts the killer she thought she had escaped forever. A successful lawyer and loving mother, Nina

Bloom would do anything to protect the life she's built in New York - including lying to everyone, even her daughter, about her past. Nina's secret life began eighteen years ago. She had a carefree existence in Key West, a handsome police-officer husband, and a baby on the way. But Nina's world is shattered when she unearths a terrible secret that causes her to run for her life and change her identity. Now, years later, when an innocent man is framed for murder, Nina knows she must return to Florida and confront the murderous evil she fled.

Hazelwood, this “sweet

and funny” (Kerry Winfrey, author of *Waiting for Tom Hanks*) teen rom-com is hopelessly romantic with enemies to lovers and grumpy x sunshine energy! Liz hates her annoyingly attractive neighbour but he’s the only in with her long-term crush... Perpetual daydreamer and hopeless romantic Liz Buxbaum gave her heart to Michael a long time ago. But her cool, aloof forever crush never really saw her before he moved away. Now that he’s back in town, Liz will do whatever it takes to get on his radar—and maybe snag him as a prom date—even befriend Wes Bennet. The annoyingly attractive next-door neighbour might seem like a prime candidate for romantic comedy

fantasies, but Wes has only been a pain in Liz's butt since they were kids. Pranks involving frogs and decapitated lawn gnomes do not a potential boyfriend make. Yet, somehow, Wes and Michael are hitting it off, which means Wes is Liz's in. But as Liz and Wes scheme to get Liz noticed by Michael so she can have her magical prom moment, she's shocked to discover that she likes being around Wes. And as they continue to grow closer, she must re-examine everything she thought she knew about love—and rethink her own ideas of what Happily Ever After should look like. *Better Than the Movies* features quotes from the best-loved rom-coms of cinema and

takes you on a rollercoaster of romance that isn't movie-perfect but jaw-dropping and heart-stopping in unexpected ways. Pre-order *Nothing Like the Movies*, the swoony sequel to *Better than the Movies* and don't miss out on *The Do-Over* and *Betting On You* from Lynn Painter! [Manhunt](#) Little, Brown In this poignant memoir, the internationally celebrated bandleader reflects on family, illness, grief, and a bygone era of glamour, contemplating not just his career but the history of midcentury music and nightlife—and the enormously important role that the bandstand played in his life. The internationally-famous bandleader Peter

Duchin's six decades of performing have taken him to the most exclusive dance floors and concert halls in the world. He has played for presidents, kings, and queens, as well as for civil rights and cultural organizations. But in 2013, Duchin suffered a stroke that left him with limited use of his left hand, severely impacting his career. Days of recuperating from his stroke—and later from a critical case of Covid-19—inspired Duchin to reconsider his complicated past. His father, the legendary bandleader Eddy Duchin, died when Peter was twelve; his mother, Marjorie Oelrichs Duchin, died when he was just six days old. In the succeeding decades, Duchin would

follow his father to become the epitome of mid-20th Century glamour. But it was only half a century later, in the aftermath of his sudden illnesses, that he began to see his mother and father not just as the parents he never had, but as the people he never got to know; and at the same time, to reconsider the milieu in which he has been both a symbol and a participant. More than a memoir, *Face the Music* offers a window into the era of debutantes and white-tie balls, when such events made national headlines. Duchin explores what “glamour” and “society” once meant, and what they mean now. With sincerity and humor, *Face the Music* offers a moving portrait

of an extraordinary life, its disruptions, and revitalization.

Bringing Down the House Random House Only Detective Michael Bennett stands in the way of two lethal cartels fighting for New York City's multi-million-dollar opioid trade. And they know where he and his family live. An anonymous tip about a crime in Upper Manhattan proves to be a setup. An officer is taken down -- and, despite the attackers' efforts, it's not Michael Bennett. New York's top cop is not the only one at risk. One of Bennett's children sustains a mysterious injury. And a series of murders follows, each with a distinct signature, alerting Bennett to the presence of a

professional killer with a flair for disguise. Bennett taps his best investigators and sources, and they fan out across the five boroughs. But the leads they're chasing turn out to be phantoms. The assassin takes advantage of the chaos, enticing an officer into compromising Bennett, then luring another member of Bennett's family into even graver danger. Michael Bennett can't tell what's driving the assassin. But he can tell it's personal, and that it's part of something huge. Through twist after twist, he fights to understand exactly how he fits into the killer's plan, before he becomes the ultimate victim.
