Little Sister, Big Sister Funstory

“Fresh and often hysterically funny, this story also has a solid emotional core.” — Romantic Times The complete As You Wish series in one bundle! This boxed set includes: "Wishful Thinking": Kelly Reilly's acting career and love life are spiraling out of control before she receives a magic lamp, complete with a gender-bending, wish-granting genie. Act One, Wish One:

Kira Franklin, a stage manager, wishes to find true love while working on a production of Romeo and Juliet. Soon she has to decide between a gorgeous actor and a steady-going set designer—before her last wish runs out. Wishing in the Wings: Producer Becca Morris gets the lamp—and the opportunity to make a difference with a brilliant new play (and its adorkable playwright), but only if she can find a way to finance the production before she runs out of wishes. Wish Upon a Star: Erin Hollister, an actress, uses the lamp to land the musical theater role—and

the man—of her dreams. But will she give up everything for a genie's true love? (Books in this box set were formerly released as How Not to Make a Wish, When Good Wishes Go Bad, and To Wish or Not To Wish.) If you like paranormal romance, urban fantasy, humorous fantasy, light fantasy, romcoms (romantic comedy), chicklit, genies, magic lamps (magic lanterns), Broadway, Off-Broadway, theater, musicals, drama, actors, actresses, acting, dramaturgs (dramaturges), stage managers, stage management, Shakespeare, Romeo and

Juliet, Kismet, Gypsy, guerilla gardening, arts funding, hospital romance, medical romance, love triangles, Minneapolis, Minnesota, Africa, Burkina Faso, or Manhattan (New York City), then this is the book for you! 010323mfm

This little children's book addresses the age old problem of "sibling rivalry." It is specifically written from the younger child's point of view and the frustrations felt by this child in many different actual life situations. The young co-author and illustrator, expressed to her grandmother one day that she really did NOT like being the little sister and wished she could be the BIG sister. She recalled many of her own life experiences that had made her feel like life had been "unfair" to her because she was the "little" one. As the character in the book, Rosie, recalls several of her unhappy situations, she is faced with a new outlook presented to her by her Aunt Sara. She begins to look at things differently in the future and...does she change her mind? Take a look at the pages inside this little book and find out! *I Wish I Could be the Big Sister* is dedicated to all of the younger siblings in the world

that can related to the main character's frustrations. We hope that it will inspire them to think about their own situation and learn to appreciate the positive aspects of being a younger sibling! Eileen Simonsen is a retired classroom teacher, and this is her second children's book. She has taught countless children to read and, hopefully, to love reading! Kate Horstman is her second grandchild, and as a devoted grandmother, she also tried to instill in Kate a love for books and for reading. Since Eileen Simonsen's first book, *Am I Big or Am I Little?* was inspired by her first grandchild, this one was inspired, co-authored and illustrated, by her second grandchild. Kate was asked, when she was only three, what she would like her book to be about, she immediately replied, "I don't really like being the little sister." Thus, her book, *I Wish I Could be the Big Sister...* was conceived! Kate is now seven years old and is in second grade. She not only loves to read but she also loves to draw, so she is the primary illustrator of this book.

Following the success of *Sit, Stay, Love and Pugs and Kisses*, J.J. Howard returns with an adorable story of sweet pugs, friend mix-ups, and first crushes. Original for the WISH line. When Sam comes home one day to find two mystery pugs left on her porch, she's sure it's destiny. She's always wanted a dog of her own, even though her parents say that their catering

business keeps the family too busy for a pet -- let alone two! But Sam has to take in the sweet, abandoned pups . . . at least until their real owners turn up. Only, she's not quite prepared for how hard it is to wrangle two frisky dogs, especially when she sneaks them into the parties her parents cater. Thankfully, cute new boy in town, Jai, whose dad works at the same events, is on hand to help when the pugs start wreaking havoc. Sam and Jai are also determined to find just where the pugs came from, and they start posting about the pups online. But if they solve the mystery, and the dogs' owner does come forward, will Sam have to give up the pugs she's fallen in love with?

Wishes for a Mother's Heart

Atheneum/Anne Schwartz Books

Three friends with wildly different lives-but the same heart-come together to celebrate hopes, dreams, and the wishes that fuel them. A trio of mothers: TV journalist/author Leeza Gibbons, author Tricia LaVoice, and designer/restaurateur Barbara Lazaroff, have created a timeless collection of original reflections and pragmatic suggestions for a more fulfilling and purposeful life. A tribute to women of

all ages, this book honors the significant connections that women share with their mothers, daughters, grandmothers, sisters, aunts, cousins, and friends--and the bonds of sisterhood that permeates their lives with support, devotion and wisdom.

Bestselling author Jeffrey Archer's *Be Careful What You Wish For* opens with Harry Clifton and his wife Emma rushing to

hospital to learn the fate of their son Sebastian, who has been involved in a fatal car accident. But who died, Sebastian or his best friend Bruno? When Ross Buchanan is forced to resign as chairman of the Barrington Shipping Company, Emma Clifton wants to replace him. But Don Pedro Martinez intends to install his puppet, the egregious Major Alex Fisher, in order to destroy the Barrington family firm just as the company plans to build its new luxury liner, the MV Buckingham. Back in London, Harry and Emma's adopted daughter wins a scholarship to the Slade Academy of Art where she falls in love with a fellow student, Clive Bingham, who asks her to marry him. Both families are delighted until Priscilla Bingham, Jessica's future mother-in-law, has a visit from an old friend, Lady Virginia Fenwick, who drops her particular brand of poison into the wedding chalice. Then, without warning, Cedric Hardcastle, a bluff Yorkshireman who no one has come across before, takes his place on the board of Barringtons. This causes an upheaval that none of them could have anticipated, and will change the lives of every member of the Clifton and Barrington families.

Hardcastle's first decision is who to support to become the next chairman of the board: Emma Clifton or Major Alex Fisher? And with that decision, the story takes yet another twist that will keep you on the edge of your seat. Be Careful What You Wish For showcases the master storyteller's talent as never before – when the Clifton and Barrington families march forward into the sixties, in this epic tale of love, revenge, ambition and betrayal.

A dying girl gives a boy the strength to live in this lyrical novel that will break your heart and lift your spirit Peter Stone's parents and siblings are extroverts, musicians, and yellers—and the louder they get, the less Peter talks, or even moves, until he practically fits his last name. When his family moves to the Texas Hill Country, though, Peter finds a tranquil, natural valley where he can, at last, hear himself think. There, he meets a girl his age: Annie Blythe. Annie tells Peter she's a "wish girl." But Annie isn't just any wish girl; she's a "Make-A-Wish Girl." And in two weeks she will begin a dangerous treatment to try and stop her cancer from

spreading. Left alone, the disease will kill her. But the treatment may cause serious, lasting damage to her brain. Annie and Peter hatch a plan to escape into the valley, which they begin to think is magical. But the pair soon discovers that the valley—and life—may have other plans for them. And sometimes wishes come true in ways they would never expect.

Running Toward the Guns is an autobiographical story and an accounting of Chanty Jong's personal inner self-healing journey that led to a successfully unexpected discovery. Jong survived the Cambodian genocide during the Khmer Rouge regime of 1975-1979, witnessing the horrors of the killing fields, torture, starvation and much more. Her vivid narrative recounts the suffering under the Khmer Rouge, her perseverance to survive physically and emotionally and her perilous escape to America. Her memoir relives the traumatic memories of her experiences and traces her arduous personal transformation toward a life of inner peace through intensive meditation. *A Texas Christmas Wish & The Doctor's Christmas Wish* Icarus Publishing

A holiday filled with hope A Season for Grace by Linda Goodnight The moment they met, social worker Mia Carano knew Officer Collin Grace was the perfect mentor for a runaway teen in her care. Though a childhood spent in foster care had hardened Collin, Mia was determined to reveal the caring man she knew was inside. After all, breaking through his gruff exterior would fulfill a boy's Christmas wish...and maybe even her own. Heart of the Family by Margaret Daley A former foster child himself, Dr. Jacob Hartman is deeply committed to working with the kids at the Stone's Refuge home for children. But why is social worker Hannah Smith keeping him at such a distance? When he discovers just where their pasts intertwined, he wonders if they can ever hope for a future. But Christmas has a way of bringing hearts together.
