#1 New York Times #1 Wall Street Journal #1 Los Angeles Times #1 Entertainment Weekly #1 Publishers Weekly Stephanie Plum is thinking her career as a fugitive apprehension agent has run its course. She's been shot at, spat at, cussed at, fire-bombed, mooned, and attacked by dogs. Time for a change, Stephanie thinks. Time to find the kind of job her mother can tell her friends about without making the sign of the cross. So Stephanie Plum quits. Resigns. No looking back. No changing her mind. She wants something safe and normal. As it turns out, jobs that are safe and normal for most people aren't necessarily safe and normal for Stephanie Plum. Trouble follows her, and the kind of trouble she had at the bail bonds office can't compare to the kind of trouble she finds herself facing now. Her past has come back to haunt her. She's stalked by a maniac returned from the grave for the sole purpose of putting her into a burial plot of her own. He's killed before, and he'll kill again if given the chance. Caught between staying far away from the bounty hunter business and staying alive, Stephanie reexamines her life and the possibility that being a bounty hunter is the solution rather than the problem. After disturbingly brief careers at the button factory, Kan Klean Dry Cleaners, and Cluck-in-a-Bucket, Stephanie takes

an office position in security, working for Ranger, the sexiest, baddest bounty hunter and businessman on two continents. It might not be the job she'll keep for the rest of her life, but for now it gives her the technical access she needs to find her stalker. Tempers and temperatures rise as competition ratchets up between the two men in her life---her on-again, off-again boyfriend, tough Trenton cop Joe Morelli, and her bad-ass boss, Ranger. Can Stephanie Plum take the heat? Can you? Between the adventure and the adversity there's attitude, and Stephanie Plum's got plenty in her newest misadventure from Janet Evanovich, *Eleven on Top*.

An NPR Best Book of 2016 A New Yorker Book We Loved in 2016 Named to Kirkus Reviews' Best Books of 2016 The Millions Most Anticipated Book of 2016 Flavorwire Most Anticipated Book From the critically acclaimed author of *The Virgins*, *Eleven Hours* is an intimate exploration of the physical and mental challenges of childbirth, told with unremitting suspense and astonishing beauty. Lore arrives at the hospital alone—no husband, no partner, no friends. Her birth plan is explicit: she wants no fetal monitor, no IV, no epidural. Franckline, a nurse in the maternity ward—herself on the verge of showing—is patient with the young woman. She knows what it's like to worry that something might go wrong, and she understands the distress when it does. She knows as well as anyone the severe challenge of childbirth, what it does to the mind and the body. *Eleven Hours* is the story of two soon-to-be mothers who, in the midst of a difficult labor, are forced to reckon with their pasts and re-create their futures. Lore must disentangle herself from a love triangle; Franckline must move beyond past traumas to accept the life that's waiting for her. Pamela Erens moves seamlessly between their begrudging partnership and the memories evoked by so intense an experience: for Lore, of the father of her child and her former best friend; for Franckline, of the family in Haiti from which she's exiled. At turns urgent and lyrical, Erens's novel is a visceral portrait of childbirth, and a vivid rendering of the way we approach motherhood—with fear and joy, anguish and awe.

A Coretta Scott King Author Honor Book Winner of the Scott O'Dell Award for Historical Fiction When eleven-year-old Langston's father moves them from their home in Alabama to Chicago's Bronzeville district, it feels like he's giving up everything he loves. It's 1946. Langston's mother has just died, and now they're leaving the rest of his family and friends. He misses everything--Grandma's Sunday suppers, the red dirt roads, and the magnolia trees his mother loved. In the city, they live in a small apartment surrounded by noise and chaos. It doesn't feel like a new start, or a better life. At home he's lonely, his father always busy at work; at school he's bullied for being a country boy. But Langston's new home has one fantastic thing. Unlike the whites-only library in Alabama, the Chicago Public Library welcomes everyone. There, hiding out after school, Langston discovers another Langston--a poet whom he learns inspired his mother enough to name her only son after him. Lesa Cline-Ransome, author of the Coretta Scott King Honor picture book *Before She Was Harriet*, has crafted a lyrical debut novel about one boy's experiences during the Great Migration. Includes an author's note about the historical context and her research. Don't miss the companion novel, *Leaving Lymon*, which centers on one of Langston's classmates and explores grief, resilience, and the circumstances that can drive a boy to become a bully-- and offer a chance at redemption. Ogawa stands on the shoulders of giants, as another saying goes. But this collection may linger in your mind -- it does in mine -- as a delicious, perplexing, absorbing and somehow singular experience." -- Alan Cheuse, NPR

How I Survived My Summer Vacation Biteback Publishing
Caught in the no man's land between being a key figure in Downing Street and the relative anonymity of the world outside politics, Alastair Campbell finds himself being torn in several directions. Having succeeded Tony Blair as Prime Minister, Gordon Brown wants Campbell at his side. Campbell resists, flooding his reservoir of guilt as a general election looms and Brown's indecision and fluctuating moods suggest the Labour administration is seriously threatened by the Tory 'posh boy', David Cameron. Soon Campbell is earning not only praise but big money from motivational speaking and writing novels which darkly reflect the personal mood swings that continue to concern to both him and his family. Serious journalism across platforms old and new puts him back in the public eye and together with live appearances and a love of sport - his enduring love affair with Burnley Football Club still smoulders - sees him board a celebrity merry-go-round that often leaves him far from his comfort zone. With politics constantly tugging his sleeve, he eventually returns to the front line to marshal a party in disarray. The intensity of the months leading up to 6 May 2010 is as dramatic as any screenplay, with Campbell chronicling Brown's struggle to win over a disillusioned nation and then his dignified departure from the main stage. For Campbell, another chapter closes. So what next?

The Gap in the Letter C Rowman & Littlefield

The "Boy Crisis" is cited often in educational and news reports due to the consistent reading achievement gap for boys and the statistics paint a dismal picture of boys in school. Politicians and researchers often focus on boys' low scores on reading achievement tests and compare these scores to the girls' scores with little consideration for the actual reading lives of boys. As a result, adolescent boys' vernacular reading is most often misunderstood. This book documents my journey as a mother of three boys and teacher of adolescents, as I attempt to articulate both the in-school and out-of-school experiences of boys. The book describes my attempts at creating a more complete picture of the reading lives and experiences of adolescent boys by describing three boys and their reading experiences in their natural contexts. It provides a rich description, revealing disconnects between school literacy practices and boys' vernacular literacy practices. In this book, parents, administrators, and teachers will find discover the complexity of boys as readers, challenging educators to pursue effective practice and curricular decisions which go beyond the quick fixes for "the boy problem" so often seen in response to low test scores. This book provides parents, administrators, and teachers

with an in-depth description of three boy readers. What emerges is a description of the complexity of boys as readers, challenging educators to pursue effective practice and curricular decisions which go beyond the quick fixes for "the boy problem" so often seen in response to low test scores. Teachers interested in mentoring boy readers will find this book helpful. This book can also be used with pre-service and in-service teachers, in undergraduate and graduate courses, and in professional development.

Why I Write Renard Press Ltd

In this collection of his stories and plays, Charles Deemer writes of characters typically struggling with changing values in an uncertain world: Todd in *The Half-Life Conspiracy*, a playwright who comes to the premiere of his one-act play only to discover that it is being directed by his ex-wife, who left him for another woman (the very subject of his bitter one-act play). Thomas in *Famililly*, who braces to tell his traditional, dying father that he will be raising his son not with his wife but with his male soul mate. Lester in *The Man Who Shot Elvis*, who many years after the fact is still dealing with a sense of loss from when black rhythm-n-blues turned into white rock-n-roll. Included is this anthology: *Famililly* which won the 1997 Crossing Borders international new play competition; *The Idaho Jacket* which was selected as a Roll of Honor story in *Best American Short Stories 1974*; and *Christmas at the Juniper Tavern*, an ACE award winner for its presentation on public television and called "an Oregon classic" by *Northwest Magazine*. Praise for the writing of Charles Deemer: "One of Oregon's most precious natural resources." —Jonathan Nicholas, *The Oregonian* "Oregon's most important playwright." —Paul Pinterich, *Northwest* "[Deemer] asks questions about the nature of people's lives, their relationships and their values when something out there forces change." —Kathleen L. Reyes, *Stepping Out Northwest*
