### Nana the Great Comes to Visit Macmillan

This carefully crafted ebook: "The Greatest Short Stories of F. Scott Fitzgerald" contains 5 books in one volume and is formatted for your eReader with a functional and detailed table of contents. Table of Contents: Bernice Bobs Her Hair The Diamond as Big as the Ritz The Curious Case of Benjamin Button The Popular Girl Winter Dreams Bernice Bobs Her Hair (1920) The story centers on Bernice, who is an awkward girl visiting her cousin's family for part of the summer. Bernice's cousin is a snobby girl who pretends to befriend Bernice in order to teach her about how to act in modern society, but then tricks Bernice into "bobbing" her hair - an act that meets much criticism from the boys who were once so captivated with her. The Diamond as Big as the Ritz (1922) Fitzgerald said that he wrote this story simply to amuse himself. The story centers on John T. Unger, a boy from Hades, Mississippi and his summer trip to a classmate's house "out West". John later learns that his classmate's family lives on a diamond the size of a mountain, and they do some pretty awful things to keep that a secret. The Curious Case of Benjamin Button (1922) It is a charming fantasy about a man who ages in reverse, descending through the years from newborn senescence to terminal infancy. The Popular Girl (1922) It tells the story of society girl Yanci Bowman, who realizes she is alone after her father dies. She is enchanted to meet Scott Kimberly, a very rich and very eligible young man. Too ashamed to admit to Scott her desperate state, she instead creates a fanciful world full of parties and holidays, friends and suitors, to convince him she is still the popular girl he first met. However, as her charade grows ever more fragile, she endangers their friendship and her very hope of salvation. Winter Dreams (1922) Winter Dreams is a story, with a theme about a young boy who follows his dreams. He aims to become a wealthy man to win the girl he loves. Francis Scott Key Fitzgerald (1896-1940) was an American novelist and short-story writer. He is ranked among the great American writers of the 20th cent. Fitzgerald is widely considered the literary spokesman of the "jazz age"—the decade of the 1920s. Part of the interest of his work derives from the fact that the mad, gin-drinking, morally and spiritually bankrupt men and women he wrote about led lives that closely resembled his own.

### The Little Elephant and Friends e-artnow

Bernice Bobs Her Hair (1920) is the story centers on Bernice, who is an awkward girl visiting her cousin's family for part of the summer. Bernice's cousin is a snobby girl who pretends to befriend Bernice in order to teach her about how to act in modern society, but then tricks Bernice into "bobbing" her hair - an act that meets much criticism from the boys who were once so captivated with her. The Diamond as Big as the Ritz (1922) Fitzgerald said that he wrote this story simply to amuse himself. The story centers on John T. Unger, a boy from Hades, Mississippi and his summer trip to a classmate's house "out West". John later learns that his classmate's family lives on a diamond the size of a mountain, and they do some pretty awful things to keep that a secret. The Curious Case of Benjamin Button (1922) It is a charming fantasy about a man who ages in reverse, descending through the years from newborn senescence to terminal infancy. The Popular Girl (1922) It tells the story of society girl Yanci Bowman, who realizes she is alone after her father dies. She is enchanted to meet Scott Kimberly, a very rich and very eligible young man. Too ashamed to admit to Scott her desperate state, she instead creates a fanciful world full of parties and holidays, friends and suitors, to convince him she is still the popular girl he first met. However, as her charade grows ever more fragile, she endangers their friendship and her very hope of salvation. Winter Dreams (1922) Winter Dreams is a story, with a theme about a young boy who follows his dreams. He aims to become a wealthy man to win the girl he loves. Francis Scott Key Fitzgerald (September 24, 1896 - December 21, 1940), known professionally as F. Scott Fitzgerald, was an American novelist and

short story writer, whose works illustrate the Jazz Age. While he achieved limited success in his lifetime, he is now widely regarded as one of the greatest American writers of the 20th century.

### The Elephant's Rope and the Untethered Spirit Bloomsbury Publishing USA

Please note: This is a companion version & not the original book. Book Preview: #1 Poachers had been the scourge of our lives since we bought Thula Thula, a game reserve in central Zululand. They had been targeting us for almost a year now. I couldn't work out who they were or where they were coming from. #2 I learned that the izinduna were right: someone was operating within the reserve, and they were not local tribesmen and scrawny dogs. They were a wellorganized criminal operation led by someone who followed our every move. #3 I had heard of the Elephant Managers and Owners Association, a private organization that took interest in elephant welfare. They had heard about Thula Thula and the variety of magnificent indigenous Zululand wildlife, and wanted to give me a herd of elephants. #4 I knew that the poachers were coming, and I wanted to save the elephants. I knew that the risk was great, but I knew that the opportunity was great as well.

### An Elephant in My Kitchen Presbyterian Publishing Corp

The amazing true story of a herd of elephants, the man who saved them, and the miracle of love that brought them home. One day in 1999, Lawrence Anthony and Françoise Malby hear that a herd of wild African elephants need a new home. They welcome the elephants to their wildlife sanctuary—Thula Thula—with open arms. But the elephants are much less sure they want to stay. How will Lawrence prove to them that they are safe and loved? What follows is a gorgeously illustrated real-life story of a friendship . . . and the story of the miraculous way that love given freely will return—greater and more wonderful than it began. • TOUCHING ANIMAL FRIENDSHIPS: Owen and Mzee, Tarra and Bella, Rescue and Jessica . . . touching true stories of the emotional bonds possible between species are charming, and speak to the limitlessness of love. • ELEPHANT APPEAL: Elephants are one of the most fascinating and charming wild animals in all of nature. This heartwarming true story will intrigue and inspire children, and turn even the most reluctant readers into elephant enthusiasts. • CONSERVATION THEME: This book tells the true story of caring for one of the world's most beloved endangered animals: the African elephant. This book is a great, upbeat jumping-off point for discussions of the importance of preserving endangered species and their environments. • ENGAGING NONFICTION: There's no better way to get readers hooked on factual books than to offer them real-life stories with heart and meaning. • STRONG CURRICULUM CONNECTIONS: The Next Generation Science Standards (NGSS) emphasize learning about animal habitats/biomes in K-2 curriculums, while later grades address topics like conservation and endangered species. With a depth of research and an engaging, highly visual narrative, this book is an excellent resource for librarians and primary school educators. Perfect for: • Kindergarten and elementary school teachers • Parents and grandparents • Librarians • Lovers of animals, wildlife, and the natural world • Zoo and natural history museumgoers

### The Elephant Whisperer Tilbury House Publishers and Cadent Publishing

Following When Hippo was Hairy and When Lion Could Fly, this is a further collection of traditional wildlife tales. Twenty-five African fables about elephants are combined with factual information about elephants and their conservation, designed to appeal to both children and adults.

### The Elephants Come Home Thomas Dunne Books

When South African conservationist Lawrence Anthony was asked to accept a herd of 'rogue' wild elephants on his Thula Thula game reserve in Zululand, his common sense told him to refuse. But he was the herd's last chance of survival - dangerous and unpredictable, they would be killed if Anthony wouldn't take them in. As Anthony risked his life to create a bond with the troubled elephants and persuade them to stay on his reserve, he came to realize what a special family they were, from the wise matriarch Nana, who guided the herd, to her warrior sister Frankie, always ready to see off any threat, and their children who fought so hard to survive. With unforgettable characters and exotic

wildlife, this is an enthralling book that will appeal to animal lovers and adventurous souls everywhere. [back cover].

#### **A Wolf Called Romeo** DigiCat

This endearing, lovable bedtime story con-veys a delightful message to all children. By using the personality traits of Elephants, the author cleverly teaches the importance of appreciating and cooperating with friends, as well as helping others in their neighborhood. The use of easy-to-understand artwork on each page serves to enhance that message. The inspiration for this charming story comes from her own three children . . . the names of the elephants and the ideas presented. This story has a moral that will touch the hearts of children everywhere, and will make them smile. Perhaps there little children in your household that could learn from such great elephants!

*The Saggy Baggy Elephant's Great Big Counting Book* Milkyway Media

This story was inspired by a true event of animal heroism, in 2003, when 11 elephants rescued a herd of antelope that were held in a boma, within the Thula Thula game reserve in Africa. The elephant that led the real-life rescue is, indeed, named "Nana," and she skillfully unlatched the gate of the enclosure to release the antelope.

*The Elephant in the Room* DigiCat

DigiCat presents to you this unique and meticulously edited SF collection: Journey to the Centre of the Earth The Mysterious Island From the Earth to the Moon Around the Moon (A Sequel to From the Earth to the Moon) Twenty Thousand Leagues Under the Sea Doctor Ox's Experiment or, A Fantasy of Dr Ox Hector Servadec or, Off on a Comet The Steam House An Express of the Future The Purchase of the North Pole or, Topsy-Turvy Robur the Conqueror, or The Clipper of the Clouds The Master of the World (A Sequel to Robur the Conqueror) The Castle of the Carpathians In The Year 2889 Jules Verne (1828-1905) was a French novelist who pioneered the genre of science fiction. A true visionary with an extraordinary talent for writing adventure stories, his writings incorporated the latest scientific knowledge of his day and envisioned technological developments that were years ahead of their time. Verne wrote about undersea, air, and space travel long before any navigable or practical craft were invented.

*The Last Rhinos* Henry Holt Books For Young Readers

African elephants are the largest animals that live on land. Elephant calves are born into a big family. They play with other calves. Calves learn to use their trunks. They drink water and make loud noises. How do baby elephants grow and change? Read this book to find out! This title also includes a life cycle diagram, a habitat map, fun facts, a glossary, and more!

#### **Summary of Lawrence Anthony & Graham Spence's The Elephant Whisperer** DigiCat

This joyous, energetic picture book from the bestselling author of the God Gave Us series celebrates the unique ways grandparents help children gain confidence. It's always a good time when Nana comes for a visit! Nana doesn't mind making a mess while building forts. Nana plays checkers to win. Nana encourages climbing high, savoring dessert, and playing hopscotch. In short, everything's more fun with Nana and her spunky outlook on life! Nana the Great Comes to Visit celebrates the countless ways grownups help children learn to believe in themselves—and assures children that a grandparent's love stays with them always.

**Rosa the Little Ant and the Great Big Elephant** LifeRich Publishing

While dancing through the jungle a saggy baggy elephant counts one hippopotamus, two crocodiles, three frogs, and other animals up to twelve.

*Summary of Lawrence Anthony & Graham Spence's The Elephant Whisperer* Good Press

My Singing Nana is a compassionate tribute to families dealing with Alzheimer's Disease. This story celebrates the ideals of family, heritage, and happy memories, showing kids that no matter how their loved one might change they always have ways to maintain their special connection. "In a context perfect for the understanding of elementary-aged children, award-winning author and acclaimed literary critic Pat Mora sheds light on the everyday experiences of a family member living with dementia. In My Singing Nana Mora eloquently demonstrates that, despite the hefty toll this devastating disease can take, grandchildren and children alike can still enjoy meaningful and heartfelt relationships with those affected." —San Francisco Book Review
