Slow Burn Plain Jane Books

A new flu strain has been spreading across Africa, Europe, and Asia. Disturbing news footage is flooding the cable news channels. People are worried. People are frightened. But Zed Zane is oblivious. Zed needs to borrow rent money from his parents. He gets up Sunday morning, drinks enough tequila to stifle his pride and heads to his mom's house for a lunch of begging, again. But something is wrong. There's blood in the foyer. His mother's corpse is on the living room floor. Zed's stepdad, Dan is wild with crazy-eyed violence and attacks Zed when he comes into the house. They struggle into the kitchen. Dan's yellow teeth tear at Zed's arm but Zed grabs a knife and stabs Dan, thirty-seven times, or so the police later say. With infection burning in his blood, Zed is arrested for murder but the world is falling apart and he soon finds himself back on the street, fighting for his life among the infected who would kill him and the normal people, who fear

him.

Slow Burn: Zero Day Harvard Business Review Press

"I will punish you as your deeds deserve..." Emory Chance knows the cross-stitched warning points directly to her motherly neglect. Burying her grief, she's determined to find her daughter Daisy's murderer. But when the investigation hits a dead end, her anger escalates. Not even the kindness of her persistent suitor Hixon can soften her heart towards the community of friends that can help her begin to heal. And as the questions surrounding Daisy continue to mount, Emory can't shake the fear that her own choices contributed to Daisy's disappearance. Will she ever experience the peace her heart longs for? A gripping suspense novel, *A Slow Burn* is about courageous love, the burden of regret, and the bonds that never break. It is about the beauty and pain of telling the truth and letting God take over. Most of all, it is about the strength of forgiveness and what remains when shame no longer has power. Mary DeMuth's distinctive new voice in Christian fiction will keep readers enthralled as they ask soul-searching questions in this second book of the *Defiance, Texas* Trilogy.

Slow Burn Simon and Schuster

Kath Weston's powerful collection of essays, *Long, Slow Burn*, challenges the preconception that queer studies is the brainchild of the humanities and argues that social science has been talking about sex all along. To deny this one would have to overlook Kinsey's pioneering sex research in the 1950s, or the psychiatrist Evelyn Hooker's pathbreaking study of homosexuality, but also in the "sex talk" that lies at the heart of classic debates on kinship, inequality, cognition, and other foundational topics in the social sciences. What is different now, Weston claims, is the way sexuality has been isolated from other contemporary issues. Not content with its ghettoization as a contained subfield, Weston refuses to draw an artificial line around sexuality.

The Ferrante Letters Harper Collins

A teenage girl goes searching for her mother in the City of Sin in this YA fantasy from the New York Times–bestselling coauthor of *All of Us Villains*. Welcome to New Reynes, the so-called City of Sin, where casino families reign, gangs infest the streets . . . and secrets hide in every shadow. It's no place for a properly raised young lady. But when her mother goes missing, Enne Salta leaves her

finishing school—and her reputation—behind. Following her mother’s trail, she finds herself in the city where no one survives uncorrupted. Frightened and alone, Enne’s only clue leads her to Levi Glaiyser—a street lord and con man in desperate need of the compensation Enne offers. Their search sends this unlikely duo through glamorous casinos, illicit cabarets, and into the clutches of a ruthless Mafia donna. But as Levi’s enemies close in on them, a deadly secret from Enne’s past comes to light and she must surrender herself to the City of Sin —to a vicious game of execution . . . Where the players never win.

 Forced to represent an outlaw biker, a married attorney must come to terms with her feelings for her client while avoiding the danger he brings into her sedate life. President of the Lost Kings MC, Rochlan "Rock" North, hasn't managed to find a woman capable of making him want to curb his wild ways—until he meets sweet, innocent, married lawyer Hope Kendall. Forced to represent the outlaw biker, Hope is rattled by her immediate attraction to Rock. Hope is a good girl in a good marriage. Rock thrills her, but she's not going to throw away everything she's built on a fling with her criminal client. Rock respects Hope enough to leave her alone, even as he realizes he's become a little obsessed with her. When their connection endangers her life, he'll have to destroy her in order to save her. After tragedy strikes, Rock is determined to earn Hope's forgiveness and convince her that even with their staggering differences, they're meant to be together. Slow Burn by Starlight Routledge

From USA TODAY BESTSELLING AUTHOR Jennifer Bernard comes a friends-to-lovers standalone romance in the Lost Harbor, Alaska series. Graduate degree in hand, Ruthie Malone has returned to her Alaska hometown to prove she’s not the same awkward girl everyone remembers. And she’s definitely made an impression—stirring a hornet’s nest of old secrets with her research into Lost Harbor’s forgotten past. Seems the only person in her corner is her new coworker, a Scottish chef who’s as surly as he is sexy—and a close friend. Which means hands off. Alastair Dougal first visited Lost Harbor seeking answers to his sister’s tragic death, but the charming town keeps calling him back, again and again. Now he’s taken temporary work and has become unlikely friends with a nerdy redhead who’s equal parts quirky and exasperating. But when a nasty part of

his past comes calling, it’s Ruthie who has his back—and his attention, after she reveals a side that’s less shy historian, more sensual hottie. Busy trying to uncover old secrets, Ruthie and Alastair don’t want to ruin their friendship...until one wild beach bonfire puts them on course for a slow burn by starlight.

A Practical Guide in Five Steps Most executives will lead or be a part of a reorganization effort (a reorg) at some point in their careers. And with good reason—reorgs are one of the best ways for companies to unlock latent value, especially in a changing business environment. But everyone hates them. No other management practice creates more anxiety and fear among employees or does more to distract them from their day-to-day jobs. As a result, reorgs can be incredibly expensive in terms of senior-management time and attention, and most of them fail on multiple dimensions. It’s no wonder companies treat a reorg as a mysterious process and outsource it to people who don’t understand the business. It doesn’t have to be this way. Stephen Heidari-Robinson and Suzanne Heywood, former leaders in McKinsey’s Organization Practice, present a practical guide for successfully planning and implementing a reorg in five steps—demystifying and accelerating the process at the same time. Based on their twenty-five years of combined experience managing reorgs and on McKinsey research with over 2,500 executives involved in them, the authors distill what they and their McKinsey colleagues have been practicing as an “art” into a “science” that executives can replicate—in companies or business units large or small. It isn’t rocket science and it isn’t bogged down by a lot of organizational theory: the five steps give people a simple, logical process to follow, making it easier for everyone—both the leaders and the employees who ultimately determine a reorg’s success or failure—to commit themselves to and succeed in the new organization.

Slow Burn Five Star Special Edition

From the New York Times bestselling author of *We All Looked Up* comes the second novel in the Anchor & Sophia trilogy, where the rules of humanity are called into question by two warring cities. After their devastating journey from the Anchor to Sophia, Clive and Clover Hamill, Gemma Poplin, and Paz Dedios have all been separated—not only physically, but philosophically. In the Anchor, Clive would like nothing better than to never speak with Paz again, but when he is tapped to help with her interrogation, the two of them begin to reconcile their differences, which don’t run nearly as deep as they expected. In Sophia, as Clover learns more and more about the city and its enigmatic director, Zeno, his faith in his mission begins to waver. And Gemma embarks on a journey of self-discovery and spiritual expansion that will open her eyes...if it doesn't kill her first. In Slow Burn, the second book in the Anchor & Sophia trilogy, these four young people will be compelled to question everything they thought they believed—and the conclusions they reach could determine the fate of an entire civilization.

Every fire begins with a little heat—and in Slow Burn, bestselling author Julie Garwood provides the spark, skillfully blending pulse-pounding action, intense emotion, and characters with grit and heart. The result is an electrifying novel of romantic suspense that will have readers burning through the pages. An unpretentious beauty who radiates kindness, Kate MacKenna doesn’t have a bad bone in her body—or an enemy in the world. So why are bombs igniting everywhere she goes? The first explosion brings her face-to-face with a handsome Charleston police detective. The second sends her into the arms of her best friend’s brother—a Boston cop who’s a little too reckless and way too charming for comfort. But Dylan Buchanan won’t let emotion prevent him from doing his job: Someone is trying to kill Kate, and Dylan is the only one standing between her and the monster who wants her dead.

With a new introduction for the paperback. London is a supreme achievement of civilization. It offers fulfilments of body and soul, encourages discovery and invention. It is a place of freedom, multiplicity and co-existence. It is a Liberal city, which means it stands for values now in peril. London has also become its own worst enemy, testing to destruction the idea that the free market alone can build a city, a fantastical wealth machine that denies too many of its citizens a decent home or living. In this thought-provoking, fearless, funny and subversive book, Rowan Moore shows how London’s strength depends on the creative and mutual interplay of three forces: people, business and state. To find responses to the challenges of the twenty-first century, London must rediscover its genius for popular action and bold public intervention. The global city above all others, London is the best place to understand the way the world’s cities are changing. It could also be, in the shape of a living, churning city of more than eight million people, the most powerful counter-argument to the extremist politics of the present.

Missing Time: Essays Penn State Press

Like few other works of contemporary literature, Elena Ferrante's Neapolitan novels found an audience of passionate and engaged readers around the world. Inspired by Ferrante's intense depiction of female friendship and women's intellectual lives, four critics embarked upon a project that was both work and play: to create a series of epistolary readings of the Neapolitan Quartet that also develops new ways of reading and thinking together. In a series of intertwined, original, and daring readings of Ferrante's work and her fictional world, Sarah Chihaya, Merve Emre, Katherine Hill, and Juno Jill Richards strike a tone at once critical and personal, achieving a way of talking about literature that falls between the seminar and the book club. Their letters make visible the slow, fractured, and creative accretion of ideas that underwrites all literary criticism and also illuminate the authors' lives outside the academy. *The Ferrante Letters* offers an improvisational, collaborative, and cumulative model for reading and writing with others, proposing a new method the authors call collective criticism. A book for fans of Ferrante and for literary scholars seeking fresh modes of intellectual exchange, *The Ferrante Letters* offers incisive criticism, insouciant riffs, and the pleasure of giving oneself over to an extended conversation about fiction with friends.
