A Parade of Elephants is an ALA Notable Book and an excellent choice for story time as well as bedtime sharing.

How to Find an Elephant Golden Books

The amazing true story of a herd of elephants, the man who saved them, and the miracle of love that brought them home. One day in 1999, Lawrence Anthony and Françoise Malby hear that a herd of wild African elephants need a new home. They welcome the elephants to their wildlife sanctuary—Thula Thula—with open arms. But the elephants are much less sure they want to stay. How will Lawrence prove to them that they are safe and loved? What follows is a gorgeously illustrated real-life story of a friendship . . . and the story of the miraculous way that love given freely will return—greater and more wonderful than it began. • TOUCHING ANIMAL FRIENDSHIPS: Owen and Mzee, Tarra and Bella, Rescue and Jessica . . . touching true stories of the emotional bonds possible between species are charming, and speak to the limitlessness of love. • ELEPHANT APPEAL: Elephants are one of the most fascinating and charming wild animals in all of nature. This heartwarming true story will intrigue and inspire children, and turn even the most reluctant readers into elephant enthusiasts. • CONSERVATION THEME: This book tells the true story of caring for one of the world's most beloved endangered animals: the African elephant. This book is a great, upbeat jumping-off point for discussions of the importance of preserving endangered species and their environments. • ENGAGING

NONFICTION: There's no better way to get readers hooked on factual books than to offer them real-life stories with heart and meaning. • STRONG CURRICULUM CONNECTIONS: The Next Generation Science Standards (NGSS) emphasize learning about animal habitats/biomes in K-2 curriculums, while later grades address topics like conservation and endangered species. With a depth of research and an engaging, highly visual narrative, this book is an excellent resource for librarians and primary school educators. Perfect for: • Kindergarten and elementary school teachers • Parents and grandparents • Librarians • Lovers of animals, wildlife, and the natural world • Zoo and natural history museumgoers

Elephant Coloring Book For Kids Penguin

"Elephants do not belong in trees. It's not natural. It makes other animals uncomfortable." This is the story of Larry, an elephant who wanted to live in a tree. This is a story about being the new kid and being a little bit different (okay, A LOT different). A story about acceptance and making friends. When Larry decides he wants to live in the big bushy tree in the middle of the wide-open field, the current residents, Bird, Squirrel and Monkey, are not very welcoming. They throw nuts at him and peck at his head; they tell him to leave and are downright rude. But Larry persists—why can't he live in the tree? When his new home is threatened by something much bigger than all the animals combined, Larry shows everyone that he cares just as much about the tree as they do.
