 Do you feel guilt and shame about negative thoughts and emotions and your inability to overcome them?
 Bestselling author and pastor Chris Hodges helps those struggling with depression find liberating solutions by drawing from the life of the prophet Elijah. You might be asking, Should a Christian even be having these struggles? Depression is the number one health issue in the world today, yet those who suffer are still sometimes stigmatized--especially followers of Jesus. Many assume God's peace, power, and protection should prevent us from ever feeling anxious, depressed, and afraid. But the Bible teaches otherwise, particularly in its depiction of the life of the Old Testament prophet Elijah. In *Out of*

the Cave, Chris Hodges uses Elijah's life to show us that everyone is susceptible to depression. Even when we're walking closely with God, we can still stumble and get lost in the wilderness of tangled emotions. But we don't have to stay there, because we serve a God who meets us in the darkness. *Out of the Cave* helps us remove the stigma of depression and realize we're not alone; understand the ways our temperament and view of God affect the way we handle depression; and learn a comprehensive approach to wellness—mind, body, and soul—from Elijah's journey. With his trademark blend of Bible-based wisdom, practical application, and vulnerability in sharing his personal struggles, Hodges explores the causes of depression we can't change, the contributors we can conquer, and offers transformative hope and spiritual power to help us win the battle.

change this world and God will change you...for the best. A rising voice in the missional movement, Palmer Chichen challenges Christians to a new kind of spiritual formation—one focused on pouring out our life for others and radical dependence upon God. When we get out of our comfort zone, our souls are awakened—everything seems more alive and vibrant. So why don't we live our faith that way? Why is it that our faith can easily become an old, tired routine instead of an exhilarating, God-honoring lifestyle? Discover why true religion involves engaging the problems in our world as we go with the good news of the gospel. And in the process of pouring ourselves out for others, we'll see God radically transform our own hearts as well.

"If I could, I would put this book into the hands of every Christian in America." —Dr. David Jeremiah "Be strong and courageous. Do not be frightened, and do not be dismayed, for the LORD your God is with you wherever you go" (Joshua

1:9). Each day, you watch America turn further from Christian values and the core principles of liberty. It's frustrating to feel you can't assert biblical truth without facing condemnation, and fearful to witness outrage and victimhood replace respect and reason. Amidst this dissent, how can you not only stay rooted in your own faith, but continue publicly testifying for Jesus? In *We Will Not Be Silenced*, Dr. Erwin W. Lutzer prepares you to live out your convictions against a growing tide of hostility. Gain a better understanding of nonbelievers' legitimate hurts and concerns regarding issues like racism, sexism, and poverty—and identify the toxic responses secular culture disguises as solutions. In the process, you'll see how you can show compassion and gentleness to those outside of the faith without affirming their beliefs. *We Will Not Be Silenced* will ready you to move beyond fear and boldly accept the challenge of representing Christ to a watching world that needs Him now more than ever before. "A triumph. This novel's haunting strength will hold the reader until the very end and make Faith and her story impossible to forget." —Richmond Times Dispatch
"Extraordinary."

—Orlando Sentinel From the #1 New York Times bestselling author Jodi Picoult (*Nineteen Minutes*, *Change of Heart*, *Handle with Care*) comes *Keeping Faith*: an "addictively readable" (Entertainment Weekly) novel that "makes you wonder about God. And that is a rare moment, indeed, in modern fiction" (USA Today).

The author of *The Gospel of Inclusion* continues to rouse organized religion as he raises controversial issues and provides enlightening answers to the deepest questions about God and faith. What is God? Where is God? Who is the one true God? Questions such as these have driven a thousand

human struggles, through war, terrorism, and oppression. Humanity has responded by branching off into multiple religions, including Christianity, Judaism, Islam—each one pitted against the other. But it doesn't have to be that way. In *God Is Not a Christian, nor a Jew, Muslim, Hindu . . .*, the provocative and acclaimed Bishop Carlton Pearson follows up on his celebrated first book, *The Gospel of Inclusion*, to tackle these questions and many more, exploring new ideas about God and faith and putting forth the stunning assertion that God belongs to no particular religion but is an ever-loving presence available to all. For these beliefs, Bishop Pearson lost his thriving Pentecostal ministry but was catapulted instead into a greater pulpit. His readership has grown through appearances on national television and an extensive speaking schedule. With the world in the midst of a holy war, there is no better time for the wisdom of Bishop Pearson to reach a global audience. Bishop Pearson's many loyal fans, along with new readers, will surely welcome this provocative and eye-opening

exploration of a deeper faith, one that goes far beyond any fundamentalist way of thinking, be it Christian, Jewish, Muslim, Hindu, etc. Simply put, Bishop Pearson dares to tell the truth so many others are too afraid to face. *Sermons on the Book of Job* Thomas Nelson
In his Word, God promises us freedom from worry. Wouldn't it be nice if we actually believed him? What would happen if you took the concerns that grip you, that keep you awake at night, that clench your stomach in knots . . . and truly handed them over to his keeping? Like no other writer can do, best-selling author Chris Tiegreen opens your eyes and heart to a better, more weightless way to live. *Unburdened* won't teach you how to avoid responsibility or hide from serious issues. Neither is it about how to escape and go live on a beach—though having a couple of palm trees around never hurts. It's about taking the burdens you currently carry and making them much, much lighter. It's about transferring the weight of your responsibilities from the weak shoulders of your flesh to the strong

fingertips of God. It's about learning to live in deep-down, heart-level freedom. And no one who reads *Unburdened* will walk away unchanged. [Be Victorious \(Revelation\)](#) Tyndale House Publishers, Inc.
