SHANNON GILL

David C Cook

For all the discussion in the media about creationism and 'Intelligent Design', virtually nothing has been said about the evidence in question - the evidence for evolution by natural selection. Yet, as this succinct and important book shows, that evidence is vast, varied, and magnificent, and drawn from many disparate fields of science. The very latest research is uncovering a stream of evidence revealing evolution in action - from the actual observation of a species splitting into two, to new fossil discoveries, to the deciphering of the evidence stored in our genome. Why Evolution is True weaves together the many threads of modern work in genetics, palaeontology, geology, molecular biology, anatomy, and development to demonstrate the 'indelible stamp' of the processes first proposed by Darwin. It is a crisp, lucid, and accessible statement that will leave no one with an open mind in any doubt about the truth of evolution.

How Did We Get the Bible? Createspace Independent Publishing Platform

Written by an L. A. County homicide detective and former atheist, Cold-Case Christianity examines the claims of the New Testament using the skills and strategies of a hard-to-convince criminal investigator. Christianity could be defined as a "cold case": it makes a claim about an event from the distant past for which there is little forensic evidence. In Cold-Case Christianity, J. Warner Wallace uses his nationally recognized skills as a homicide detective to look at the evidence and eyewitnesses behind Christian beliefs. Including gripping stories from his career and the visual techniques he developed in the courtroom, Wallace uses illustration to examine the powerful evidence that validates the claims of Christianity. A unique apologetic that speaks to readers' intense interest in detective stories, Cold-Case Christianity inspires readers to have confidence in Christ as it prepares them to articulate the case for Christianity.

Sacrament Zonderkidz

University apologist, director, and popular speaker Alex McFarland has spent the last two decades answering questions about Christian worldview and the Bible from children, teens, and parents. In *The 21 Toughest Questions Your Kids Will Ask about Christianity*, he summarizes questions today's children and teens are asking about God, the Bible, and the problem of evil. Alex's experiences have taught him that how adults answer questions about God is as important as, if not more important than, what kids ask. He provides parents with teaching strategies that will help them reach their children intellectually and spiritually. Today's kids and teens are looking for authenticity, integrity, and straightforward truth. Alex comes alongside parents and gives them tools to effectively answer not only their children's toughest academic questions but also the questions that plague their hearts.

Holy Bible (NIV) Back Bay Books

Whether you're a Christian parent, youth leader, or educator who works with Generation Z, this book was written for you. As powerful ideas in our increasingly secular culture shape more of this generation, trusted leaders must share what they know about Jesus in ways that will reach them. But how? Backed by the latest research and first hand experience, this powerful book shows how to share biblical truth with a generation that desperately needs to hear it in a way that draws them in instead of pushing them away. Written by two youth influencers and experts on Generation Z, Sean McDowell, Ph.D., and J. Warner Wallace, *So the Next Generation Will Know* is an extraordinarily practical and relatable guide for anyone concerned with ensuring the next generation understands and embraces a biblical worldview.

In the Beginning... We Misunderstood Zondervan

Between the ages of 8 and 12, kids often start to wonder if Christianity is true. In *Cold-Case Christianity for Kids*, detective J. Warner Wallace draws readers into the thrill of high-stakes

investigation by showing them how to think rather than telling them what to think. In this children's companion to the bestselling *Cold-Case Christianity*, detective Wallace gets kids excited about testing witnesses, examining the evidence, and investigating the case for Christianity. Includes author illustrations and links to a website (coldcasechristianityforkids.com) where kids can download activities, fill in case notes, and earn a certificate of merit. Detective Wallace gets kids excited about testing witnesses, examining the evidence, and investigating the case for Christianity.

The Catcher in the Rye Cold-Case Christianity for Kids

This book will equip Christian parents to navigate the increasingly secular public school system with the aim to help their kids stand firm in their faith, uphold a Biblical worldview and shine a light for Christ. There are also powerful resources for anyone involved in public education on campus: teachers, administrators, volunteers, and pastors.

Church of Cowards David C Cook

In this searing meditation on the bonds of family and the allure of extremist faith, one of today's most celebrated Christian writers recounts his unexpected journey from a strict fundamentalist upbringing to a life of compassion and grace—a revelatory memoir that “invites comparison to *Hillbilly Elegy*” (Publishers Weekly, starred review). “Searing, heartrending . . . This stunning tale reminds us that the only way to keep living is to ask God for the impossible: love, forgiveness, and hope.”—Kate Bowler, *New York Times* bestselling author of *Everything Happens for a Reason* Raised by an impoverished widow who earned room and board as a Bible teacher in 1950s Atlanta, Philip Yancey and his brother, Marshall, found ways to venture out beyond the confines of their eight-foot-wide trailer. But when Yancey was in college, he uncovered a shocking secret about his father's death—a secret that began to illuminate the motivations that drove his mother to extreme, often hostile religious convictions and a belief that her sons had been ordained for a divine cause. Searching for answers, Yancey dives into his family origins, taking us on an evocative journey from the backwoods of the Bible Belt to the bustling streets of Philadelphia; from trailer parks to church sanctuaries; from family oddballs to fire-and-brimstone preachers and childhood awakenings through nature, music, and literature. In time, the weight of religious and family pressure sent both sons on opposite paths—one toward healing from the impact of what he calls a “toxic faith,” the other into a self-destructive spiral. Where *The Light Fell* is a gripping family narrative set against a turbulent time in post-World War II America, shaped by the collision of Southern fundamentalism with the mounting pressures of the civil rights movement and Sixties-era forces of social change. In piecing together his fragmented personal history and his search for redemption, Yancey gives testament to the enduring power of our hunger for truth and the possibility of faith rooted in grace instead of fear. “I truly believe this is the one book I was put on earth to write,” says Yancey. “So many of the strands from my childhood—racial hostility, political division, culture wars—have resurfaced in modern form. Looking back points me forward.”

Already Gone OUP Oxford

"If Christ has not been raised, your faith is futile; you are still in your sins" (1 Cor. 15:17). The resurrection. As far as doctrines go, it's a game changer. Many accept the resurrection without giving it much thought. But isn't something so important worthy of our wrestling with it? What if we approached the issue of the resurrection in an unbiased manner and assessed it as a cold case detective would evaluate a crime scene? Author J. Warner Wallace is a cold-case detective. He also used to be an atheist. Follow along in this brief presentation of his approach in applying his detective's expertise to the accounts of the resurrection. Wallace believes the case is nothing but compelling: Jesus is alive!

Case for Christ for Kids 90-Day Devotional WestBow Press

A simple, illustrated textbook for children which teaches them the basic rules of logic.

Person of Interest Barbour Publishing

God's Great Big Love is a rhyming picture book about how much God loves and cares for us. This

book teaches children important spiritual truths that are a part of their everyday lives. The beautiful photographs of God's marvelous creation will captivate children with thoughtful depictions of nature, people and animals.

Cold-Case Christianity Participant's Guide Zondervan

The NIV is the world's best-selling modern translation, with over 150 million copies in print since its first full publication in 1978. This highly accurate and smooth-reading version of the Bible in modern English has the largest library of printed and electronic support material of any modern translation.

God's Crime Scene for Kids Thomas Nelson

For years, the evangelical church and its members have debated whether the Bible should be interpreted literally or symbolically in regards to the age of the earth. In their groundbreaking new book, *In the Beginning . . . We Misunderstood*, authors Johnny V. Miller and John M. Soden say that all these arguments have missed the point. Rather, what Christians really need to know is how to interpret the Bible in its original context. Exposing the fallacies of trying to make the biblical text fit a specific scientific presupposition, Miller and Soden offer a new approach to interpreting Genesis 1 that explores the creation account based on how the original audience would have understood its teaching. First, the authors present a clear explanation of the past and present issues in interpreting the first chapter of the Bible. Second, Miller and Soden break down the creation account according to its historical and cultural context by comparing and distinguishing both the Egyptian and Mesopotamian settings. Finally, they explore common objections to help readers understand the significance that the creation account has for theology today. Christians need not look any further than Genesis 1 to find clues to its meaning. Both irenic and bathed in Scripture, *In the Beginning . . . We Misunderstood* will equip every believer to navigate the creation wars, armed with biblically sound explanations.

Don't Check Your Brains at the Door Harvest House Publishers

With clear facts and answers to the questions kids six to ten ask most, this adaptation of Lee Strobel's bestselling *The Case for Faith* uses kid-friendly language, examples, and easy-to-understand information to introduce children to the research, eyewitness accounts, and evidence behind the questions such as whether God allows bad things to happen, if you can have doubts and still be a Christian, and other queries about faith. Whether they've grown up in the church or are encountering faith for the first time, *The Case for Faith for Kids* is the perfect resource to answer the questions about God and faith kids 6-10 ask most. Inside, readers will discover: An introduction to the historical evidence, expert testimonies, extensive research, and scientific proof that back up what the Bible says Examples and explanations that help kids grasp each topic Answers for why Christians believe what they do, and why they can be confident in our beliefs Kid-friendly stories and examples that make the facts easy to understand Ways to talk to other people about their faith and share what they know *The Case for Faith for Kids*: Is a solid source of information that looks at all sides of the issue to present solid evidence behind each conclusion and fact about the Christian faith Has illustrations and callout graphics to make the topics engaging for kids six and up Is an excellent resource for Sunday schools, church libraries, and homeschooling This book can be used on its own or alongside *The Case for a Creator for Kids*, *The Case for Christ for Kids*, *The Case for Grace for Kids*, and *The Case for Miracles for Kids* to help children with faith development and answer questions they wonder about most.

Seven Days That Divide the World David C Cook

Join a cold-case detective as he uncovers the truth about Jesus using the same approach he employs to solve real murder cases. Detective J. Warner Wallace was skeptical of the Bible's claims about Jesus. But he'd investigated several no-body homicide cases in which there was no crime scene, no physical evidence, and no victim's body. He wondered if the truth about the historical Jesus could be investigated in the same way. In *Person of Interest*, cold-case detective and bestselling author J. Warner Wallace describes his own personal investigative journey from atheism to Christianity as he carefully sifts through the evidence from history alone, without relying on the New Testament. In this book, you'll: Understand like never before how Jesus—the most significant person in history—changed the world and why he still matters today. Learn how to think like a cold-case detective by using an innovative and unique "fuse and fallout" investigative strategy, which you can also use to examine other claims of history. Explore and learn how to respond to common objections to Christianity. Creative, compelling, and fully illustrated, *Person of Interest* will strengthen the faith of believers while engaging those who are skeptical and distrusting of the New Testament gospel accounts.

Learning Logic Zondervan

Christian parenting is hard work—and it's getting harder. Parents have a deep desire to pass on their faith, but fear that today's increasingly skeptical and hostile world will eventually lead their kids to reject the truth of Christianity. That leaves many parents feeling overwhelmed—uncertain of what they can do to help their children, given the difficulty and extent of the faith challenges they will face. This practical and timely resource gives parents the confidence of knowing what to discuss with their children and how to discuss it in order to facilitate impactful conversations that will form

the basis of a lifelong faith. In a friendly, parent-to-parent voice, Natasha Crain identifies 30 specific conversations about God that parents must have with their children, organizing them under the categories of - the existence of God - science and God - the nature of God - believing in God - the difference God makes Chapters are sequenced in a curriculum-oriented way to provide a cumulative learning experience, making this book a flexible resource for use in multiple settings: homes, church classes, youth groups, small groups, private Christian schools, and homeschools. Every chapter has a step-by-step conversation guide with discussion questions and tips, and content is readily adaptable for use with kids of any age (elementary through high school). Endorsements: "My prayer is that God will use this book to both motivate and equip you to help your kids develop convictions about their faith."--From the foreword by Sean McDowell, PhD, Biola University professor, speaker, and author of more than eighteen books, including *A New Kind of Apologist* "I can't think of a more relevant or more needed book for parents raising kids in today's culture. This book on apologetics will lead parents in critical conversations that will help grow and guide kids to be lifelong followers of Christ."--Kristen Welch, author of *Raising Grateful Kids in an Entitled World* "Hey parents: Do you want to reduce the chances that your child will follow the crowd to the point of rejecting Christ and the values and truths you hold so dearly? Then you need to have the conversations that Natasha Crain so brilliantly describes in this book. Prevent heartbreak later by reading and heeding this book now!"--Frank Turek, PhD, president of *CrossExamined Ministries* and author of *I Don't Have Enough Faith to Be an Atheist* and *Stealing from God* "May this book lead to thousands more Moms and Dads engaging with their kids through an intelligent faith. And may there be tens of thousands more kids who feel loved because the adults in their lives take their questions seriously."--Jeff Myers, PhD, president, *Summit Ministries*

What Is God Like? Zondervan

In this companion to "Cold-Case Christianity for Kids," Jason uncovers a mystery in his grandmother's attic. He and his friends enlist the help of Detective Jeffries at the Jr. Detective's Academy. Along the way, they develop the skills needed to investigate the mystery and the evidence of God's existence.

God's Crime Scene David C Cook

Based on the eye-opening best-selling series, this 90-day devotional for kids ages 9-12 explores the life of Jesus and what it means to be a Christian, while also tackling tough questions kids ask about God. For kids who want to learn more about their faith so they can share with others, this devotional uses light-hearted prose, illustrations, historical facts, research and true stories to bring to life the miracles, ministry and way of life of Jesus.

Case for Miracles for Kids Harvest House Publishers

Kids are curious about Jesus and God and yet, by the time they are teens, the majority stop asking questions about faith and starting questioning faith altogether. Respected Christian apologist Josh McDowell encourages children to stand on the foundation of truth with this contemporary gathering of concise, welcoming answers for kids ages 8 to 12. A fun format includes key Bible verses and pre-teen friendly explorations of topics that matter most to kids: God's love and forgiveness Right and wrong and making choices Jesus, the Holy Spirit, and God's Word Different beliefs and religions Church, prayer, and sharing faith The next time a child asks "Who is God?" parents, grandparents, and church leaders will want this practical and engaging volume handy. Helpful tips and conversation ideas for adults will help them connect with kids hungering for straight talk about faith in Jesus.

Why Evolution is True David C Cook

Empower Your Kids to Respond Well to the Hard Questions That Threaten Their Faith It's no secret that children of all ages are being exposed to negative criticism of Christianity as they spend time at school, with friends, or online. Are you prepared to talk with your kids about how they can effectively answer the tough questions that come their way? In *Keeping Your Kids on God's Side*, you'll find 40 of the most common challenges kids face—along with clear, easy-to-understand responses you can discuss together. This book will help you... encourage open dialogue on issues your kids might hesitate to talk about replace your children's doubts with the confidence only God's truth can give equip your kids to build the good thinking skills essential for today "I almost wish my children were young again so I could use Natasha Crain's book with them." Nancy Pearcey Bestselling author of *Total Truth*

The Awesome Book of Bible Answers for Kids David C Cook

This fully-illustrated, eight-session guide takes participants through ten important principles employed by detectives, applying these techniques to the New Testament Gospel accounts. Designed to work seamlessly with the original book and DVD, this guide is accessible and engaging for participants and leaders alike. It includes questions for reflection, notes for discussion, and examples to help users investigate the claims of Christianity using the skills of a cold-case detective. Participants will grow in certainty and unite in confidence as they learn how to defend the truth through this unique investigative experience.
