Paloma Sánchez-Garnica's first novel to be translated into English is a beautiful, harrowing, and illuminating story of family betrayals and a last chance for forgiveness. Carlota Molina has a brilliant career as a judge in Madrid, the respect of

her peers, and an independent life. But it's a life still haunted by the specter of a father she's been estranged from for decades. Then one day Carlota gets a phone call from a familial stranger--her half sister, Julia--with an impassioned request. After years of pain and distance, Carlota's father, Clemente, wants to see her before he dies...and to settle the past. Seizing on the opportunity to confront all her disillusion, Carlota begins to unravel the lies and deception in her family history. Some secrets she knows, and some secrets she has yet to discover. It is up to Carlota to decide how much of a

mark she will let those secrets leave.

Inspired by the wartime experiences of her father-in-law, Bobbie Ann Mason has crafted the haunting and profoundly moving story of an American World War II pilot shot down in Occupied Europe, and his wrenching odyssey of discovery, decades later, as he uncovers the truth about those who helped him escape in 1944. At twenty-three, Marshall Stone was a confident, cocksure U.S. flyboy stationed in England, with several bombing raids in a B-17 under his belt. But when enemy fighters forced his plane to crash-land in a

Belgian field during a mission to Germany, Marshall had to rely solely on the kindness of ordinary Belgian and French citizens to help him hide from and evade the Nazis. Decades later, restless and at the end of his career as an airline pilot, Marshall returns to the crash site and finds himself drawn back in time, unable to stop thinking about the people who risked their lives to save Allied pilots like him. Most of all, he is obsessed by the girl in the blue beret, a courageous young woman who protected and guided him in occupied Paris. Framed in spellbinding, luminous prose, Marshall's search for her gradually unfolds, becoming a voyage of discovery that reveals truths about himself and the people he knew during the war. Deeply beautiful and impossible to put down, *The Girl in the Blue Beret* is an unforgettable story—intimate, affecting, exquisite—of memories, second chances, and one intrepid girl who risked it all for a stranger. *The Heart Has Its Reasons* Planeta Estrategia

Letters from the past transport a young Spanish woman into the mysterious lives of her father and her uncle during the

waning years of colonial rule in Guinea

When Clarence comes upon a series of letters from her family's past, she starts to piece together the story of her father's travels with his brother, and she becomes curious about her origins. Sifting through the clues and assembling the narrative, Clarence embarks on a journey to the exotic African isle of Fernando Poo, where the 2 brothers, Jacobo and Kilian, landed after fleeing their conventional, safe lives in the Spanish Pyrenees. A secret rests at the heart of this tale as it moves back and forth between generations and spaces. For Clarence, in 2003, the life that Jacobo and Kilian created 50 years ago on the island as 2 expatriate cocoa cultivators starts to unfold. The brothers explore a culture that is starkly different from Spain, and in the midst of discovering what it means to grow the perfect cocoa beans, they build a strong friendship—and learn the dangers and delights of forbidden love. *Misión olvido* Random House

Nada hacía suponer a Mauro Larrea que la fortuna que levantó tras años de tesón y arrojo se le derrumbaría con un estrepitoso revés. Ahogado por las deudas

y la incertidumbre, apuesta sus últimos recursos en una temeraria jugada que abre ante él la oportunidad de resurgir. Hasta que la perturbadora Soledad Montalvo, esposa de un marchante de vinos londinense, entra en su vida envuelta en claroscuros para arrastrarle a un porvenir que jamás sospechó. De la joven república mexicana a la espléndida Habana colonial; de las Antillas al Jerez de la segunda mitad del XIX, cuando el comercio de sus vinos con Inglaterra convirtió la ciudad andaluza en un enclave cosmopolita y legendario. Por todos estos escenarios transita *La Templanza*, una novela que habla de glorias y derrotas, de minas de plata, intrigas de familia, viñas, bodegas y ciudades soberbias cuyo esplendor se desvaneció en el tiempo. Una historia de coraje ante las adversidades y de un destino alterado para siempre por la fuerza de una pasión. Sólo las grandes historias despiertan grandes emociones

**The Map of the Sky** Grupo Planeta Spain Novel based on the diaries of Anita Delgado, 1890-1962, the late princess of Kapurthala.

**A Life of Philip K. Dick** Simon and Schuster

Based loosely on the life of Princess Pari Khan Khanoom, *Equal of the Sun* is a riveting story of political intrigue and a moving portrait of the unlikely bond between a princess and a eunuch. Iran in 1576 is a place of wealth and dazzling beauty. But when the Shah dies without having named an heir, the court is thrown into tumult. Princess Pari, the Shah's daughter and protégée, knows more about the inner workings of the state than almost anyone, but her maneuvers to instill order after her father's sudden death incite resentment and dissent. Pari and her closest adviser, Javaher, a eunuch able to navigate the harem as well as the world beyond the palace walls, possess an incredible tapestry of secrets that explode in a power struggle of epic proportions. Legendary women—from Anne Boleyn to Queen Elizabeth I to Mary, Queen of Scots—changed the course of history in the royal courts of sixteenth-century England. They are celebrated in history books and novels, but few people know of the powerful women in the Muslim world, who formed alliances, served as key advisers to rulers, lobbied for power on behalf of their sons, and ruled in their own

right. In *Equal of the Sun*, Anita Amirrezvani's gorgeously crafted tale of power, loyalty, and love in the royal court of Iran, she brings one such woman to life, Princess Pari Khan Khanoom Safavi. Amirrezvani is a master storyteller, and in her lustrous prose this rich and labyrinthine world comes to vivid life with a stunning cast of characters, passionate and brave men and women who defy or embrace their destiny in a Machiavellian game played by those who lust for power and will do anything to attain it.

*Passion India* Simon and Schuster As a young girl growing up in Spain, Ana Larragoity Cubillas is powerfully drawn to Puerto Rico by the diaries of an ancestor who traveled there with Ponce de Leon. And in handsome twin brothers Ramon and Inocente—both in love with Ana—she finds a way to get there. Marrying Ramon at the age of eighteen, she travels across the ocean to Hacienda los Gemelos, a remote sugar plantation the brothers have inherited. But soon the Civil War erupts in the United States, and Ana finds her livelihood, and perhaps even her life, threatened by the very people on whose backs her wealth has been built: the

hacienda's slaves, whose richly drawn stories unfold alongside her own in this epic novel of love, discovery and adventure.

 María Dueñas, autora del best seller internacional *El tiempo entre costuras* (The Time In Between), vuelve con una nueva historia apasionante ambientada en las calles del Nueva York de los años treinta. En la calle 14, el corazón del barrio español, la pequeña casa de comidas El Capitán, abre sus puertas. Sin embargo, al poco tiempo, la inesperada muerte de su dueño, Emilio Arenas, obliga a sus tres hijas, recién llegadas de Málaga, a tomar las riendas del negocio. Además de una apasionante combinación de detalle histórico e imaginación, *Las hijas del Capitán* es un tributo a las mujeres que resisten cuando los vientos soplan en

contra y un homenaje a todos aquellos valientes que vivieron –y viven— la aventura, a menudo épica y casi siempre incierta, de la inmigración.

 \_\_\_\_\_ 'An autobiographical meditation on feminism, power and womanhood ... Full of Isabel's wisdom and warm words' - Grazia 'In her small, potent polemic . . . Isabel Allende writes about the toxic effects of "machismo", combining wit with anger as she picks apart the patriarchy' - Independent 'Allende has everything it takes: the ear, the eye, the mind, the heart, the all-encompassing humanity' - New York Times  
 An Independent, Guardian and Grazia Highlight for 2021 \_\_\_\_\_ The wise, warm, defiant new book from literary legend Isabel Allende - a meditation on power, feminism and what it means to be a woman  
 When I say that I was a feminist in kindergarten, I am not exaggerating. As a child, Isabel Allende watched her mother, abandoned by her husband, provide for her three small children. As a young woman coming of age in the late 1960s, she rode the first wave of feminism. She has seen what has been

accomplished by the movement in the course of her lifetime. And over the course of three marriages, she has learned how to grow as a woman while having a partner, when to step away, and the rewards of embracing one's sexuality. So what do women want? To be safe, to be valued, to live in peace, to have their own resources, to be connected, to have control over their bodies and lives, and above all, to be loved. On all these fronts, there is much work to be done, and this book, Allende hopes, will 'light the torch of our daughters and granddaughters with mine. They will have to live for us, as we lived for our mothers, and carry on with the work still left to be finished.' \_\_\_\_\_ 'Her thoughts, language and ideas traverse fluidly through ideas of gender, historic injustices, her marriages and bodily experiences and literary references . . . Allende's love for women is palpable' - Sydney Morning Herald
