*Amitabh Bachchan : The Legendary* Harper Collins

In Sach Kahun Toh, actor Neena Gupta chronicles her extraordinary personal and professional journey-from her childhood days in Delhi's Karol Bagh, through her time at the National School of Drama, to moving to Bombay in the 1980s and dealing with the struggles to find work. It details the big milestones in her life, her unconventional pregnancy and single parenthood, and a successful second innings in Bollywood. A candid, self-deprecating portrait of the person behind the persona, it talks about her life's many choices, battling stereotypes, then and now, and how she may not be as unconventional as people think her to be.

A Place in My Heart is a many-splendored thing. It is a listicle. It is a celebration of the power of storytelling. It is also an account of a life lived in the Bollywood trenches. National Award-winning author, journalist and film critic Anupama Chopra writes about fifty films, artistes and events that have left an indelible impression on her and shaped her twenty-five-year-long career. Shah Rukh Khan is here. So are Super Deluxe and the Cannes Film Festival. A Place in My Heart is a blend of recommendations and remembrances, nostalgia and narratives. It is a smorgasbord of cinematic delights, written, as Marie Kondo would say, to 'spark joy.' Above all, it is a testament to Chopra's enduring love for all things cinema.

FOREWORD BY SHARMILA TAGORE The first-ever biography of the enigmatic Rajesh Khanna, the original 'superstar' If ever a life was meant to be a book, few could stake a stronger claim. Like a shooting star doomed to darkness after a glorious run, Rajesh

Khanna spent the better half of his career in the shadow of his own stardom. Yet, forty years after his last monstrous hit, Khanna continues to be the yardstick by which every single Bollywood star is measured. At a time when film stars were truly larger than life, Khanna was even more: the one for whom the term 'superstar' was coined. Born Jatin Khanna to middle-class parents, the actor was adopted by rich relatives who brought him up like a prince. By the time he won the Filmfare-United Producers Combine Talent Hunt, he was already famous for being the struggler who drove an imported sports car. With seventeen blockbuster hits in succession and mass adulation rarely seen before or since, the world was at Khanna's feet. Everything he touched turned to gold. The hysteria he generated - women writing him letters in blood, marrying his photograph and donning white when he married Dimple Kapadia, people bringing sick children for his 'healing' touch after Haathi Mere Saathi - was unparalleled. Then, in a matter of months, it all changed. Khanna's career hit a downward spiral as spectacular as his meteoric rise just three years after Aradhana (1969) and never really recovered. Dark Star looks at the phenomenon of an actor who redefined the 'film star'. Gautam Chintamani's engaging narrative tries to make sense of what it was that made Rajesh Khanna and what accounted for his extraordinary fall. A singular account of a wondrous life.

Kaise Banen Crorepati Penguin UK

The building of the no. 1 newspaper empire in India was like an  
architect ground plan – Ramesh Chandra Agarwal laid the  
foundation edition by edition, city by city, state by state, going  
into the den of the mightiest and slaying them without fear. That  
quality of never cowering was an inheritance from his father.  
Ramesh Chandra blended it with an unparalleled taste for risk-  
taking and a thirst for venturing into the unknown, throwing this  
molotov cocktail at his rivals who stood mocking the new entrants  
before it hit them. In 35 short years, he turned a modest family-  
owned newspaper into the prime choice of readers In 12 states  
with 64 editions, and built an empire with a turnover of Rs 5, 000  
crore. But Ramesh Chandra Agarwal’s biggest professional  
achievement was to revolutionise the Hindi newspaper. Replacing  
the pure, undistilled Hindi of the discerning litterateur with  
popular, colloquial words that made an easy connect, he gave the  
Hindi newspaper a hitherto unknown respect – to heave its chest  
and play the game like a champion. This is a champion’s story.
