Complete Arabic Beginner to Intermediate Course Oxford University Press, USA

Swahili Grammar and Workbook provides a practical and comprehensive companion to Swahili grammar, filling in gaps left by other textbooks. Presenting the essentials of Swahili grammar in a highly accessible fashion, it reduces complex language topics to helpful rules and mnemonic aids, enabling maximum grammar retention and accurate usage. Grammar points are followed by multiple examples and exercises, allowing students to consolidate and practice their learning. No prior knowledge of linguistic terminology is required. Key features include: Twenty five language notes covering key topics such as: personal pronouns; the Swahili noun class system; special class combinations; the imperative, the subjunctive, and the conditional moods; the use of comparatives; the use of monosyllabic verbs; the passive form and various other forms of verb extensions; the relative clause Clear, detailed and jargon-free grammatical explanations supported by an assortment of helpful diagrams, charts and tables and many relevant and up-to-date examples A wide range of communication-oriented exercises to reinforce learning and develop students' ability to use Swahili actively Audio files to support pronunciation practice, clearly linked to relevant sections of the book and available for free download at <http://www.routledge.com/books/details/9781138808263/> Four appendices, Swahili-English and English-Swahili vocabulary lists, a bibliography and an index presented at the back of the book for easy access to information. Written by a highly experienced instructor, Swahili Grammar and Workbook will be an essential resource for all students and teachers of Swahili. It is suitable for use both as a companion reference text in language courses and as a standalone text in independent grammar classes.

Complete Spanish Teach Yourself

Swahili in One Week is easily accessible to those who struggle to learn languages or doubt their ability to do so. This book sets you on the path to fluency by teaching you the fundamentals of Swahili, which you can use as a base for future learning. The book is divided into seven days worth of subjects and practice exercises and includes Swahili-English and English-Swahili dictionaries. Many language textbooks are full of unnecessary information and simply list words and phrases to be memorized in a misguided attempt to build fluency. How is this book different? You will: A. Learn only the most essential vocabulary or dig deeper into subjects like local food and customs; B. Make learning a language the fun it should be; C. Save time by using the included study plan; D. Ability to have brief exchanges after just one day; E. Communicate in the language in basically any daily situation after one week; and F. Impress Swahili speaking friends with your quick progress in the language. The goal of this book is to give the reader-having no prior knowledge of Swahili-the ability to manage basic exchanges and, more importantly, an understanding of the language upon which they can quickly build to become a proficient speaker. This is why literal translations are used, by knowing "habari yako" means "news your" instead of "how are you," which is the non-literal translation, the language learner adds two unique words plus the phrase to their vocabulary. Compare this to the traditional language learning method The ineffective traditional method guarantees you will: A. Waste your time learning the wrong words; B. Have difficulty retaining words because you do not use them in conversation; C. Struggle to conjugate verbs and build sentences;

D. Fail to understand the cultural context in which to use vocabulary; and E. Become frustrated and want to quit All proceeds from this book will go to Tanzanian charities House of Blue Hope and AVC Tanzania.

Swahili Made Easy Cambridge University Press

It's easy to teach yourself Swahili!
