Humility, or holding power loosely for the sake of others, is sorely lacking in today's world. Without it, many people fail to develop their true leadership potential and miss out on genuine fulfillment in their lives and their relationships. *Humilitas: A Lost Key to Life, Love, and Leadership* shows how the virtue of humility can turn your strengths into true greatness in all areas of life. Through the lessons of history, business, and the social sciences, author John Dickson shows that humility is not low self-esteem, groveling, or losing our distinct gifts. Instead, humility both

recognizes our inherent worth and seeks to use whatever power we have at our disposal on behalf of others. Some of the world's most inspiring and influential players have been people of immense humility. The more we learn about humility, the more we understand how essential it is to a satisfying career and personal life. By embracing this virtue, we will transform for good the unique contributions we each make to the world.

The Telecaster(tm) is the only guitar to have ever spawned its own cult following. The Tele's raw, penetrating sound, combined with unique physical characteristics such as a deeply scooped headstock and placement of its volume and tone controls enable tele players

techniques and sounds not available on other guitars. In this video, telemaster Arlen Roth teaches you all the classic licks and riffs of the great Telemasters. He covers techniques such as pedal steel bends, behind-the-nut bends, chicken pickin', classic rockabilly rhythm styles, blues techniques, shuffle patterns, full chord bends, banjo rolls, and more.

The Sisterhood explores God's vision for women: what they should believe about God, themselves, and their ability to make the world a better place. Bobbie shows readers how to embrace and implement that vision in every aspect of their lives, helping them to discover their gifts and talents, and includes personal stories from women around the world.

The book concludes with a challenge to join the worldwide 'Sisterhood' movement, motivated by the belief that if one woman can change the lives around her, then a united group of women can change the world.

Modern worship leaders are restless. They have inherited a model of leadership that equates leading worship with being a rock star. But leading worship is more than a performance, it's about shaping souls and making disciples. Every worship leader is really a pastor. The Worship Pastor is a practical and biblical introduction to this essential pastoral role. Filled with engaging, illustrative stories it is organized to address questions of theory and practice, striving to balance conversational accessibility with informed instruction. Part One presents a

series of evocative "vignettes"--intriguing and descriptive titles and metaphors of who a Worship Pastor is and what he or she does. It shows the Worship Pastor as Church-Lover, Disciple Maker, Corporate Mystic, and Doxological Philosopher. Part Two covers specific roles related to ministry within the worship service itself--the Worship Pastor as Theological Dietician, Caregiver, Mortician, Emotional Shepherd, War General, Prophetic Guardian, Missional Historian, and Liturgical Architect. Part Three looks at ministry beyond the worship service--the Worship Pastor as Visionary Teacher, Evangelist, Artist Chaplain, and Team Leader. While some worship leaders are eager to embrace their pastoral role, many are lost and confused or lack the

resources of time or money to figure out what this role looks like. Pastor Zac Hicks gives us a clear guide to leading worship, one that takes the pastoral call seriously.

The collaborative efforts of Keith and Kristyn Getty, along with Stuart Townend, have produced long-lasting modern hymns for the church. Arranger James Koerts has created these contemporary arrangements of some of their best-loved praise classics. Titles: Across the Lands (You're the Word of God) * By Faith * Come, People of the Risen King * Compassion Hymn * How Deep the Father's Love for Us * In Christ Alone (My Hope Is Found) * My Heart Is Filled with Thankfulness * O Church,

Arise * The Power of the Cross (Oh, To See the Dawn) * See, What a Morning (Resurrection Hymn) * Speak, O Lord * Still, My Soul, Be Still (with Be Still, My Soul). "Memorable melodies, chordal accompaniment often in a flowing broken chord pattern, and simple transitions to new keys make these attractive arrangements a delight to learn and to play at an early advanced level." Joyce Janzen, Progressions

Twelve Years a Slave Carlton Books
This interdisciplinary volume brings together leading writers and thinkers to provide a critique of a broad range of topics related to Hillsong Church. Hillsong is one of the most influential, visible, and (in some circles) controversial religious organizations/movements of the past

thirty years. Although it has received significant attention from both the academy and the popular press, the vast majority of the scholarship lacks the scope and nuance necessary to understand the complexity of the movement, or its implications for the social, cultural, political, spiritual, and religious milieus it inhabits. This volume begins to redress this by filling important gaps in knowledge as well as introducing different audiences to new perspectives. In doing so, it enriches our understanding of one of the most influential Christian organizations of the late 20th and early 21st centuries.

Thousands of aspiring young popstars flocked to auditions all over the country, but only one will make it to the big time.

This official book follows hundreds of hopefuls as they are whittled down on camera by a highly critical panel of music biz professionals, and then put at the mercy of the viewing public who will vote them off, week by week, until the winner walks away in a blaze of publicity to start his or her new life as a superstar. Illustrated throughout with exclusive color photos, this is the behind-the-scenes story of the TV event of the year. *Salvation Outside the Church?* OUP USA An anthology of short stories collected during Michael Bleby's 40 year career as a Forester in South Australia. Life as an operational Forester involved many and varied contacts with people which sometimes had nothing to do with growing trees. These accounts typify the interesting and unusual incidents and

events that arose during everyday life on a Forest District.

The Shattering II is a compelling true story (but written in novel form) of healing from childhood sexual abuse. It is a story of the power of love, the promise of hope, and the inspiration of knowing that we are not defined by our

circumstances. Readers are held in suspense and will find their hearts forever touched by this inspiring story. Healing is a journey. If we can be brave enough to enter into the dark shadows of the unspeakable and pull back the shades, we not only reveal the light, but captives are set free. It is God's desire to take us from lost to found, from death to life, from victim to victor. As Barth's first book, THE SHATTERING I, this book is beautifully written. As Toni Stewart wrote on Amazon, She deftly explores the generational aspects of abuse in families and the inclination of adults in our society to turn a blind eye or "let it go." The true artistry of this story is how openly Marsha is able to explore the hearts and minds of each character making the reader truly care about each

person involved, even Julie's tortured father, Ron.

Swee Hong Lim and Lester Ruth have filled an important gap in the study of worship. *Lovin' on Jesus: A Concise History of Contemporary Worship* is the first scholarly work of its kind on this topic. Lim and Ruth trace the origins and development of what we commonly call contemporary Christian worship, exploring it thoroughly and methodically. Their research includes early recordings and interviews with many who were directly involved in the early stages. The authors were students of James White, and their book is, in a sense, a much-needed addition to White's classic *Introduction to Christian Worship*. The

thematic structure of *Lovin' on Jesus* mirrors that of White's *Introduction*, making this book exceedingly useful for students and practitioners in the study of Christian worship as a whole. This is an essential resource for all students, scholars, worship leaders, and pastors who are serious about understanding the worship they lead. "Meticulously researched, accessibly written, generous in its praise, and balanced in its critiques—this is the book for which many of us have long been waiting."
—Melanie C. Ross, Assistant Professor of Liturgical Studies, Yale Divinity School, New Haven, CT "Particularly useful for teaching is the way Lim and Ruth organize their account by practices of time, space, music, prayer, technology, and scripture. This will immediately

become a required textbook for the courses I teach on Christian worship.” —Ed Phillips, Associate Professor of Worship and Liturgical Theology and Coordinator of the Initiative in Religious Practices and Practical Theology, Candler School of Theology, Atlanta, GA

“Readers will find Lim and Ruth’s one-of-a-kind history convincing and rigorous. The authors show how a modern genre of Christian worship claimed its place, what it all means, and where it is heading.” —Gerald Liu, Assistant Professor of Worship and Preaching, Princeton Theological Seminary, Princeton, NJ

“Lovin’ on Jesus is an important book for every pastor, worship leader, and worshipper. This wonderfully prepared study will help you keep your worship experience biblically centered,

dynamic, and growing.” —Rick Muchow, Founding Worship Pastor, Saddleback Church, worship leader and coach

Starting as a single congregation in Australia, Hillsong Church now has campuses worldwide, releases worship music that sells millions of albums and its ministers regularly appear in mainstream media. So, how has a single church gained such international prominence? This book offers an ethnographic exploration of the ways in which music and marketing have been utilised in the pursuit and production of spiritual experience for members of Hillsong Church. An experience that has

proven to be incredibly popular. The main theme of this book is that marketing, specifically branding, is not just a way to "sell" religion, but rather an integral part of spiritual experience in consumer society. Focussing on the London Hillsong church as a case study, the use of its own music in tandem with strong branding is shown to be a co- and re-productive method of organizing, patterning, and communicating information. The church provides the branded material and cultural context in which participants' sacred experience of self unfolds. However, this requires participants to "do the work" to properly understand, and ultimately embody, the values associated with the brand. This book raises important questions about the role of branding and music in

forming modern scared identities. As such, it will be of great interest to scholars of Religious Studies, Ethnomusicology and Media Studies.

This is one of the most significant military books of the twentieth century. By an outstanding soldier of independent mind, it pushed forward the evolution of land warfare and was directly responsible for German armoured supremacy in the early years of the Second World War. Published in 1937, the result of 15 years of careful study since his days on the German General Staff in the First World War, Guderian's book argued, quite clearly, how vital the proper use of tanks and supporting armoured vehicles would be in the conduct of a future war. When that war

came, just two years later, he proved it, leading his Panzers with distinction in the Polish, French and Russian campaigns. Panzer warfare had come of age, exactly as he had forecast. This first English translation of Heinz Guderian's classic book - used as a textbook by Panzer officers in the war - has an introduction and extensive background notes by the modern English historian Paul Harris.

This book examines the relationship that exists between fantasy cinema and the medium of animation. Animation has played a key role in defining our collective expectations and experiences of fantasy cinema, just as fantasy storytelling has often served as

inspiration for our most popular animated film and television. Bringing together contributions from world-renowned film and media scholars, Fantasy/Animation considers the various historical, theoretical, and cultural ramifications of the animated fantasy film. This collection provides a range of chapters on subjects including Disney, Pixar, and Studio Ghibli, filmmakers such as Ralph Bakshi and James Cameron, and on film and television franchises such as Dreamworks' *How To Train Your Dragon* (2010-) and HBO's *Game of Thrones* (2011-).

'Sullivan's outstanding book is the first to show how French courtesans were fully-fledged masters of the pen as well as proverbial ladies of the night. We learn how their rewriting of classics such as *The Lady of the Camellias* and their response to a male "backlash" inspire Colette in previously unseen ways.' — Nicholas White, University of Cambridge, UK
This book is about the autobiographical fictions of nineteenth-century French courtesans. In response to damaging representations of their kind in Zola and Alexandre Dumas' novels, Céleste de Chabrilan, Valtesse

de la Bigne, and Liane de Pougy crafted fictions recounting their triumphs as celebrities of the demi-monde and their outcries against the social injustices that pushed them into prostitution. Although their works enjoyed huge success in the second half of the nineteenth century, male writers penned faux-memoirs mocking courtesan novels, and successfully sowed doubt about their authorship in a backlash against the profitable notoriety the novels earned these courtesans. Colette, who did not write from personal experience but rather out of sympathy for the courtesans with whom she socialized, innovated the genre when she wrote three novels exploring the demi-mondaine's life beyond prostitution and youth.
