Party Princess by Meg Cabot is the seventh book charting the (mis)adventures of Princess Mia, in The Princess Diaries. Party Princess was previously published as Seventh Heaven. Poor Mia Thermopolis. Not only has she made a total ass of herself with J.P. (aka the Guy Who Hates It When They Put Corn In The Chilli) by trying to prove that she's a super-chilled party girl, but she's also bankrupted the student council. Way to go, Princess. Just as Mia's scared that she's lost Michael and a ton of money, Grandmère steps in with a fundraising plan. She's going to stage a musical in front of the world's hottest celebs - and the star will be none other than Princess Amelia Mignonette Grimaldi Thermopolis Renaldo!

A gorgeously illustrated nonfiction book about the polar bear, this is a factually accurate as well as a poetic exploration of polar bear bodies, habits, and habitats. Working in a painterly, expressive way, Jenni Desmond creates landscapes and creatures that are marked by atmosphere and emotion, telling a story about bears that engages the reader's interest in amazing facts as well as their deep sense of wonder. A graduate of the renowned MA program in Children's Book Illustration at the Cambridge School of Art (ARU), Jenni Desmond works from her studio in London, UK. This, her second book for Enchanted Lion, will be followed by one about elephants.

**(Mass only) Night Night Peekaboo** Thames & Hudson

Instant New York Times No.1 Bestseller. A YA Pacific Rim meets the Handmaid's Tale retelling of the rise of Wu Zetian, the only female emperor in Chinese history. I have no faith in love. Love cannot save me. I choose vengeance. The boys of Huaxia dream of pairing up with girls to pilot Chrysalises - giant transforming robots that battle aliens beyond the Great Wall. It doesn't matter that their female co-pilots are expected to serve as concubines and often die from the mental strain. When 18-year-old Zetian offers herself up as a concubine-pilot, her plan is to assassinate the ace male pilot responsible for her sister's death. But after miraculously surviving her first battle, Zetian sets her sights on a mightier goal. The time has come to stop more girls from being sacrificed. 'This is the historical-inspired, futuristic sci-fi mash-up of my wildest dreams.' Chloe Gong 'Raging against the patriarchy in spectacular style.' Observer, best books of the year 'Zetian is unstoppable, and I dare you not to cheer her on.' Elizabeth Lim, author of Spin the Dawn

**Hello, Let's Go!** Simon and Schuster

A beautiful story about sadness, depression and hope. Blue lives in the darkest depths of the forest. He has long forgotten how to fly, sing and play. The other birds swoop and soar in the sky above him, the sun warming their feathers. But Blue never joins in. Until, one day, Yellow arrives. Step by step, Yellow reaches out to Blue. With patience and kindness. And little by little, everything changes... A thoughtful and uplifting story. Perfect for helping children learn how to deal with and understand sadness, and how to be there for people in their lives struggling with depression.

*The Kingfisher Dinosaur Encyclopedia* Prabhat Prakashan

Babies and toddlers will have a blast discovering the world in this first encyclopedia! Divided into themes of home, school, city, farm, ocean, mountains, and jungle, this large format board book teaches young children more than 900 words, perfectly matched with fun, clear illustrations, encouraging interactive learning between parents and their children. A spread showing a cozy living room features simple text for a door, table, sofa, vacuum, lamp, and dozens more objects. In a busy

classroom, find clearly labeled desks, chairs, books, colored pencils, and anything else children might encounter at school. On a bright, sunny beach, a seagull, beach towel, sand castle, boat, and more can be found. Following each themed spread is a corresponding spread with facts and further information to introduce more advanced learning. Readers will learn that eagles are birds with large wings, that tow trucks help move cars when they're broken, and that if you go to the mountains in winter, you'll need a jacket. Little ones will build their vocabulary and stimulate their mind while enjoying colorful art. And with hundreds of people, animals, and objects to discover on its pages, kids will want to explore Baby Encyclopedia over and over again!

[Count on Me](#) Silver Dolphin Books

From Africa to Asia, the elephant makes its home. Light on their feet, despite their great weight,

these magnificent creatures appear light and graceful because they're always walking on their tip-toes. They have excellent hearing and can detect the rumblings of other elephants from six miles away. And, just like humans being right handed or left handed, elephants can be right tusked or left tusked!
