**A Short History of Myth (Myths series)** Joseph Campbell Foundation

A previously unpublished sequel to Baksheesh and Brahman reports on the author's travels through east Asia and his five-month stay in Japan in the 1950s, during which he experienced local culture and witnessed the area's struggles with Cold War tensions and western values. 20,000 first printing.

Romantic Paganism Simon and Schuster

Lore is a Seminus half-breed demon who has been forced to act as his master's assassin. Now to earn his freedom and save his sister's life, he must complete one last kill. Powerful and ruthless, he'll stop at nothing to carry out this deadly mission. Idess is an earthbound angel with a wild side sworn to protect the human Lore is targeting. She's determined to thwart her wickedly handsome adversary by any means necessary - even if that means risking her vow of eternal chastity. But what begins as a simple seduction soon turns into a passion that leaves both angel and demon craving complete surrender. Torn between duty and desire, Lore and Idess must join forces as they battle their attraction for each other. Because an enemy from the past is rising again - one hell-bent on vengeance and unthinkable destruction.

**Agony and the Ecstasy** Collected Works of Joseph Campbell

Shiva and Dionysus are the Hindu and Greek gods of magical power, intoxication, ecstatic sexuality, and transcendence who initiate us into

communion with the creative forces of life. Revealing the earliest sources of the traditions of Shiva and Dionysus, Alain Danielou reconstructs the fabric of our ancient relationship with creation, vividly relating practices that were observed from the Indus Valley to the coasts of Portugal at least six thousand years ago.

Fate, Love, and Ecstasy St. Martin's Press

Whether you are reading Greek mythology for psychological insights or studying the classics in college, there are a number of goddesses who have been almost entirely over-looked. They are who John Sanford calls the lesser-known goddesses. However, there is nothing lesser about them. They personify the deeper elements that exist across all life, nature, and spiritual reality. Our current culture often neglects their qualities but would be wise to increase its understanding of them. Many books, including the bestseller Goddesses in Everywoman by Jean Bolen, illustrate well-known goddesses who are the main characters in their stories. But behind the scenes and often running their personalities are the lesser-known goddesses from the ancient matriarchal era of Greek culture. To bring forward their spiritual meaning, Sanford has pieced together information from various Greek stories, plays, and poems. In so Boing, this unique book reacquaints us with: PEITHO Goddess of gentle persuasion who wins love by consent rather than force. THE THREE CHARITIËS Goddesses of Beauty, good cheer, and abundance who inspire both charm and grace. AIDOS Goddess of modesty, self-respect, and shame whose sensitivities heighten the joy of love. ANANKE Goddess of necessity who brings the realization of what must be done. THEMIS Goddess of right order who shows the rule of lines, limits, and boundaries. ATË Goddess of folly, ruin, and sin who disregards all morals and consequences. THE THREE FATES Goddesses of the unchangeable, and fateful events whose irrationalities shape each person's life. THE

THREE ERINYES Goddesses of fury who unleash the unceasing, relentless, and envious anger of feminine justice. DIONYSUS God and goddess of ecstasy who vitalizes life through divine energy and creative Inspiration. JOHN A. (JACK) SANFORD is a Jungian Analyst, Marriage and Family Counselor, and Pastoral Counselor practicing in San Diego, California. He is the author of eighteen books on the subjects of psychology, religion, and individuation. He is well known for his works *The Kingdom Within: A Study of the Inner Meaning of Jesus' Sayings and Evil: The Shadow Side of Reality*. His most recent works include *Mystical Christianity: A Psychological Commentary on the Gospel of John*, *Healing Body and Soul: The Meaning of Illness in the New Testament and in Psychotherapy*, and *Soul Journey: A Jungian Analyst Looks at Reincarnation*. Dr. Sanford served as an Episcopal minister with the Reverend Morton T. Kelsey and studied depth psychology with the Tate Fritz Kunkel, M.D. He completed his training in Jungian analysis at the C. G. Jung Institute in Los Angeles. He and his wife, Lynn, have two grown children, a grandson, and a number of cats and dogs.

[Romance of the Grail](#) Routledge

Now available in paperback, Joseph Campbell's collected writings on dance and art, including Campbell's unpublished manuscript "Mythology and Form in the Performing and Visual Arts," the book he was working on when he died Dance was one of mythologist Joseph Campbell's wide-ranging passions. His wife, Jean Erdman, was a leading figure in modern dance who worked with Martha Graham and had Merce Cunningham in her first company. When Campbell retired from teaching in 1972, he and Erdman formed the Theater of the Open Eye in New York City, where for nearly fifteen years they presented a wide array of dance and theater productions, lectures, and performance pieces. The Ecstasy of Being brings together seven of Campbell's previously uncollected articles on dance, along with "Mythology and Form in the Performing and Visual Arts," the treatise he was working on when he died, published here for the first time. In this collection Campbell explores the rise of modern art and dance in the twentieth century; delves into the work and philosophy of Isadora Duncan, Martha Graham, and others; and, as always, probes the idea of art as "the funnel through which spirit is poured into life." This book offers the reader an accessible, yet profound and provocative, insight into Campbell's lifelong fascination with the relationship of myth to aesthetic form and human psychology.

**The God of Ecstasy** Createspace Independent Publishing Platform

Discovering a magical storeroom in a house she is destined to inherit, Evie Walker finds a cache of mythological and legendary artifacts that she is charged to keep out of the hands of villains who threaten the world with apocalyptic violence.

**The Beautiful Stories of Life** HarperCollins UK

This is the 2017 re-edited edition with newly imagined scenes! Erotic paranormal romance. As one of the twelve Guardians, Urian has spent the last several centuries in a constant battle to keep the inhabitants of Earth's Realms under control. Humanity has to evolve, hell beasts need to die, and Immortals need mates. But lately, Uri's mind is overrun with thoughts of when his sexy voyeur will find him again, watching him from the shadows, continuing their wicked game. All Guardians are forbidden contact with the little goddess and her brothers, but his need for her escalating, he finds it increasingly difficult to keep from pinning her down on the nearest surface and making her his. Alexandra has managed to evade the Guardians and being cast out from the human Realm for centuries, ever since the Creators sent the Gods to sleep for their sins against humanity and banished all Immortals. Always sensing that she was needed on Earth, only once has Alex gone against her instincts and the price she paid will forever haunt her. It is for that reason she forces herself to stay away from the only male who has ever truly enticed her. The only one who has ever made her long for what she knows is dangerous. In a desperate need to help her beloved brother, she will have to go to the enthralling Guardian, her dark obsession, and even though he will surely attempt to exile her, she won't go easily... Warning: This book contains explicit and sizzling sex scenes with big dominant males. MFM menage, dirty talking and bad language.

*The Ecstasy of Being* Hachette UK

Odin is arguably one of the most enigmatic and complex characters in Norse mythology. Revered since the Viking Age, Odin has been called the greatest of the gods--the god of words and wisdom, runes and magic, a transformer of consciousness, and a trickster who teaches truth. He is both war god and poetry god, and he is the Lord of Ravens, the All- Father, and the rune master. Odin: Ecstasy, Runes, and Norse Magic is the first book on Odin that is both historically sourced and accessible to a general audience. It explores Odin's origins, his appearances in sagas, old magic spells, and the Poetic Edda, and his influence on modern media, such as Tolkien's Lord of the Rings trilogy. Each chapter features suggestions for rituals, exercises, and music, so readers can comprehend and become closer to this complicated god. Author Diana Paxson, an expert on Viking-era mythology, provides a complete portrait of Odin and draws on both scholarship and experience to provide context, resources, and guidance for those who are drawn to work with the Master of Ecstasy today.

beginning of creation as a giant pillar of fire from which this world sprang forth. Yet he is also the most approachable of gods, for he is the lover of lovers and the devotee of his devotees. Of the 1,008 names of Shiva, Pashupati, Lord of Animals, is one of the most common. His special relation to animals along with his trickster nature reveal the deep connection of Shiva to shamanism and other gods such as the Norse Odin and the Celtic Cernunnos that came out of the Paleolithic traditions. Ethnologist Wolf-Dieter Storl was first captivated by Shiva when he was in India as a visiting scholar at Benares Hindu University. In this book he invites readers to join in the lively and mythical world of Shiva, or Mahadev, God of All Gods. Shiva is a study in contrasts: As the lord of dance he looses himself in ecstatic abandon; with his consort Parvati he can make love for 10,000 years. Both men and women worship him for his ability to unite and balance masculine and feminine energies. But as the ascetic Shankar he sits in deep meditation, shunning women, and none dare disturb him lest he open his third eye and immolate the entire universe. Lord of intoxicants and poisons, he is the keeper of secret occult knowledge and powers, for which he is worshipped by yogis and demons alike. Shiva dances both the joy of being and the dance of doom--but in every aspect he breaks through the false ego to reveal the true self lying within. This is his true power.

College - we all know what college is all about, right. Either we have been there ourselves, or know people who have and heard their stories. Well, we were wrong! In *Applied Mythology*, Jody Lynn Nye shows us just what we missed because of all that studying we did and those frat and sorority parties we attended. *Applied Mythology* is a omnibus collection of *Mythology 101*, *Mythology Abroad*, and *Higher Mythology*. There are elves in the University Library! Also Leprechaun's, sprites, and others. Keith Doyle is a business major who still believes in myths and legends. Whenever he has to write a paper for a class he writes it on aliens and elves. Imagine his surprise and delight when he discovers the little people living in the sub-basement of the old library. Also, imagine his anger in realizing that they will be forced to leave when the library is torn down for the modernization of the campus. Finally, imagine his horror when he realizes just who has been leading this campaign for the modernization of the campus-him!

Author Diana Paxson, an expert on Viking-era mythology, provides a complete portrait of Odin and draws on both scholarship and experience to provide context, resources, and guidance for those who are drawn to work with the Master of Ecstasy today. "This remarkable book is at times ribald and reverent, worldwide and innocent, pragmatic and idealistic, as needed to masterfully show the ways of a very complex God." —Ivo Domiguez, Jr, author of *Keys to Perception*

**Ecstasy of Being** ReadHowYouWant.com

A leading yoga researcher offers a clear and lively introduction to the history, philosophy, and practice of the Tantric spiritual tradition Tantra—often associated with Kundalini Yoga—is a fundamental dimension of Hinduism, emphasizing the cultivation of “divine power” (shakti) as a path to infinite bliss. Tantra has been widely misunderstood in the West, however, where its practices are often confused with eroticism and licentious morality.

Tantra: The Path of Ecstasy dispels many common misconceptions, providing an accessible introduction to the history, philosophy, and practice of this extraordinary spiritual tradition. The Tantric teachings are geared toward the attainment of enlightenment as well as spiritual power and are present not only in Hinduism but also Jainism and Vajrayana Buddhism. In this book, Georg Feuerstein offers readers a clear understanding of authentic Tantra, as well as appropriate guidance for spiritual practice and the attainment of higher consciousness.
