FRANKLIN SPENCE

The Lotus and the Artichoke - Sri Lanka! Simon and Schuster

Early in the morning of September 5, 2002, camouflaged and heavily armed Drug Enforcement Administration agents descended on a terraced marijuana garden. The DEA raid on the Wo/Men's Alliance for Medical Marijuana, a sanctuary for severely ill patients who were using marijuana as medicine, is the riveting opening scene in *Weed Land*, an up-close journalistic narrative that chronicles a transformative epoch for marijuana in America. From the 1996 passage of California's Proposition 215, the nation's first medical marijuana law, through law enforcement raids, clinical studies that revealed medical benefits for cannabis, and the emergence of a lucrative cannabis industry, *Weed Land* reveals the changing political, legal, economic, and social dynamics around pot. Peter Hecht, an award-winning journalist from *The Sacramento Bee*, offers an independent, meticulously reported account of the clashes and contradictions of a burgeoning California cannabis culture that stoked pot liberalization across the country.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Tasty Ultimate Honey Bear Books

A thrilling graphic novel about a young man who is drawn to the thermal springs found in the Swiss Alps that hold many mysteries. Pierre is a young man at a crossroads. He drops out of architecture school and decides to travel to Vals in the Swiss Alps, home to a thermal springs complex located deep inside a mountain. The complex, designed by architect Paul Zumthor, had been the subject of Pierre's thesis. The mountain holds many mysteries; it was said to have a mouth that periodically swallowed people up. Pierre, sketchbook in hand, is drawn to the enigmatic powers of the mountain and its springs, and attempts to uncover the truth behind them in the secret rooms he discovers

deep within the complex. But he finds his match in a man named Valeret who is similarly obsessed, and who'd like nothing more than to eliminate his competitor. Gorgeously illustrated, *Swimming in Darkness* is an intriguing, noirish graphic novel about uncovering the powerful secrets of the natural world.

Jamie Oliver's Food Tube presents *The Cake Book*, a collection of 50 deliciously inventive and exciting cake and cupcake recipes from Food Tube's own Cupcake Jemma. 'Split up seasonally, you'll have a wonderfully naughty treat to choose from, whatever the time of year - this book might be small in size, but it's crammed full of brilliant recipes' - Jamie Oliver As owner of Crumbs & Doilies, one of London's most creative cake and cupcake bakeries, Jemma shows you the easiest everyday classics alongside four chapters of super-cool seasonal cake recipes. With step-by-step instructions alongside handy hints and tips *The Cake Book* is a beautifully presented collection of recipes you'll want to bake time and again, including epic layer cakes such as Raspberry Ripple, Super Lemon Meringue and Ridiculous Chocolate as well as amazing cupcakes like Blueberry Cheesecake, Buttered Popcorn, Cookies & Cream, Eton Mess and more. Jemma Wilson began baking professionally at the esteemed Rose Bakery before starting her own business in 2006. Crumbs & Doilies has since become one of the most respected and exciting makers of cakes and cupcakes in London, with an emphasis on top quality ingredients, imaginative flavours, beautiful presentation and attention to detail that Jemma carries through to all her recipes.

Blitzschnell backen Michael Joseph

This collection of short stories, some semi-autobiographical, by Marie Luise Kaschnitz (1901-74), the eminent German novelist and poet, reflects many of the themes to be found throughout her fiction, such as the dread of moral anarchy which leaves nothing in its wake, and the shaping of individual destinies by loneliness, insecurity and fear. Usually told from a woman's viewpoint, her works feature strong female characters whose inner strength enable them to overcome their fears and accept their fates with stoic determination. Kaschnitz's chief concern is the human condition, giving her work a continuing relevance; she confronts such universal issues as growing old, growing up and

the loss of religious faith as well as those which have a more contemporary resonance, including the social problems of working parents and adoption.

The Modern Cheesemaker White Lion Publishing

'May' in this novel presented a western adventure in which a German novice, Old Shatterhand, outshoots and finally out-wits Yankees and Indians alike. The story is about the friendship of Old Shatterhand, an American pioneer of German descent and Winnetou, a noble Indian chief. This story is highlighted with the humour and spirit of the 'Westmaenner' and the 'noblesse' of the young Apache. Amazing!

First Published in 1999. Routledge is an imprint of Taylor & Francis, an informa company.

Fussball-WM-Enzyklopädie 1930-2006 Allen & Unwin

"This valuable and penetrating little book deals with one of the baffling problems of our age, namely the relation between Nazi and German... The thesis of the book is that the traditional German character is derived from a rigid, authoritarian, static family system which adapted itself readily to the Nazi pattern and remained essentially unaltered when the Nazi layer was stripped away. The implication is that German and Nazi are more nearly identical than is realized by naïve exponents of 'denazification'... a well-written, sensible book suggestive as to methodology and rich in wisdom..."

— The Annals of the American Academy of Political and Social Science "An interesting study of paternal 'authoritarianism in the German family,' with implications for the political behavior of the Germans as a people." — Foreign Affairs "Of the many postwar books now available on Germany and the various phases of its culture, ideologies, and social structure, this book stands out. The approach is scientifically oriented, combining psychiatry with sociology and anthropology."

American Journal of Orthopsychiatry "This is a book by a social scientist, on a timely subject. It is a pity that more books of this kind are not prepared by the people who have the required insights and the necessary data, and rushed through the presses while there is still time to make use of their results. The author is a psychiatrist who knows how to make his special skill applicable to the wider problems of our day." — Political Science Quarterly "[F]ascinating reading... Schaffner presents his views with admirable clarity." — The Public Opinion Quarterly

Because of its dynamic and complex nature, however, it remains a fuzzy concept

Get The Glow Camden House

THE INTERNATIONAL BESTSELLER "Malby-Anthony offers a book of great inspiration and wide appeal to nature-loving readers." —Publishers Weekly A heart-warming sequel to the international bestseller *The Elephant Whisperer*, by Lawrence Anthony's wife Françoise Malby-Anthony. A chic Parisienne, Françoise never expected to find herself living on a South African game reserve. But then she fell in love with conservationist Lawrence Anthony and everything changed. After Lawrence's death, Françoise faced the daunting responsibility of running Thula Thula without him. Poachers attacked their rhinos, their security team wouldn't take orders from a woman and the authorities were threatening to cull their beloved elephant family. On top of that, the herd's feisty new matriarch Frankie didn't like her. In this heart-warming and moving book, Françoise describes how she fought to protect the herd and to make her dream of building a wildlife rescue center a reality. She found herself caring for a lost baby elephant who turned up at her house, and offering refuge to traumatized orphaned rhinos, and a hippo called Charlie who was scared of water. As she learned to trust herself, she discovered she'd had Frankie wrong all along. Filled with extraordinary animals and the humans who dedicate their lives to saving them, *An Elephant in My Kitchen* is a captivating and gripping read.

Long Shadows NYU Press

It is 1995 and Noa and Amir have decided to move in together. Noa is studying photography in Jerusalem and Amir is a psychology student in Tel Aviv, so they choose a tiny flat in a village in the hills, between the two cities. Their flat is separated from that of their landlords, Sima and Moshe Zakian, by a thin wall, but on each side we find a different home - and a different world. *Homesick* is a beautiful, clever and moving story about history, love, family and the true meaning of home.
