Provides extra reading and writing practice. Each four-page unit provides practice of identifying, producing, reading and writing the sound-spelling patterns, first in isolation and then in words and short texts. The texts include rhymes, simple stories and non-fiction texts. The Literacy Book now supports Show and Tell across all levels. Level 1:

introduces the letters and sounds of the alphabet. Level 2: reviews the alphabet. Level 3: builds on previous knowledge and covers common vowel sounds and spellings. The Literacy Book is best used before the Say it with me lesson so that students have phonics practice little and often.

One third of each unit is dedicated to skills training. The step-by-step approach focuses on writing and early literacy skills to build children's confidence in reading, writing, speaking, and understanding English. One in six lessons is a phonics lesson to train children to recognize and produce English sounds. At levels 1-3 the lessons are supported by flashcards, and by more activities on the Student MultiROM. The civic education syllabus educates children in good values and behaviour. The Photocopy Masters Books at levels 1-2 include 15 values worksheets. The Testing and Evaluation Book and the test builder element of the Teacher's Resource CD-ROM help teachers to evaluate children's progress. One lesson per page with clear lesson objectives

makes the course easy to teach. Accompanying resources, including the Grammar Friends series, skills series, Teacher's Resource Pack, course readers, and Teacher Resource CD-ROM allow teachers to focus on additional skills training and means the course can fit different teaching programmes per week.
