PONCE SARIAH

The Penguin Book of Romantic Poetry
The Mahabharata
From King Lear to the Tragedy of
Carmen, from Marat/Sade to the epic
Mahabharata, Peter Brook has
reinvented modern theatre, not once but
again and again. In *The Open Door* the
visionary director and theorist offers a
lucid, comprehensive exposition of the
philosophy that underlies his work. It is a
philosophy of paradoxes: We come to

the theatre to find life, but that life must
be different from the life we find outside.
Actors have to prepare painstakingly yet
be willing to sacrifice the results of their
preparation. The director's most reliable
tool may be his capacity to be bored.
Brook illustrates these principles with
anecdotes that span his entire career
and that demonstrate his familiarity with
Shakespeare, Chekhov, and the
indigenous theatres of India and Iran.
The result is an unparalleled look at what
happens both onstage and behind the
scenes, fresh in its insights and elegant
in its prose.

Penguin Companion to the Mahabharata
Penguin UK

The many traditions and legends of Jesus's travels to Britain are deeply impressed into our culture, thanks particularly to the famous allusion by William Blake. These tales tell that, while still a boy, Jesus accompanied his uncle Joseph of Arimathea - an importer of metals - on expeditions to Cornwall to engage in the tin trade. Later, it is said, Jesus made additional trips in which he visited the location of the Druid's school of learning, Glastonbury. These are charming and romantic stories, but do they have any historical foundation? Using the work of fellow researchers as his starting point, Glyn Lewis studies the locations that Jesus is said to have visited - from Cornwall to Somerset - and

produces some striking evidence, presented here in combination with his own fine photography and some useful maps. Lewis's original research is combined with broad and insightful analysis of the existing material, making a convincing case for Jesus indeed having walked "upon England's mountains green".

The Mahabharata Penguin

For Raman the sign painter, life is a familiar and satisfying routine. A man of simple, rational ways, he lives with his pious aunt and prides himself on his creative work. But all that changes when he meets Daisy, a thrillingly independent young woman who wishes to bring birth control to the area. Hired to create signs for her clinics, Raman finds himself smitten by a love he cannot understand,

much less avoid-and soon realizes that life isn't so routine anymore. Set in R. K. Narayan's fictional city of Malgudi, *The Painter of Signs* is a wry, bittersweet treasure. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Puffin Mahabharata Penguin UK
William Buck's stirring retelling of a

classic Indian epic--in its original Sanskrit, probably the largest epic ever composed.

The Hindus Penguin UK

Twenty classic short stories from master writers across the country This superb collection contains some of the best Indian short stories written in the last fifty years, both in English and in the regional languages. Some of these stories – ‘We Have Arrived in Amritsar’ by Bhisham Sahni, ‘Companions’ by Raja Rao, ‘The Sky and the Cat’ by U.R. Anantha Murthy, ‘A Devoted Son’ by Anita Desai – have been widely anthologized and are well known. Others, like Premendra Mitra’s ‘The Discovery of Telenapota’, Gangadhar Gadgil’s ‘The Dog that Ran in Circles’, Mowni’s ‘A Loss of Identity’, O.V.

Vijayan's 'The Wart' and Devanuru Mahadeva's 'Amasa', are less familiar to readers but are nevertheless classics of the art of the short story. This new and revised edition includes three additional classics: R.K. Narayan's 'Another Community', Avinash Dolas's 'The Victim' and Ismat Chughtai's 'The Wedding Shroud'. The Penguin Book of Modern Indian Short Stories is a marvellous and entertaining introduction to the rich diversity of pleasures that the Indian short story—a form that has produced masters in over a dozen languages—can offer.

Many Mahābhāratas is an introduction to the spectacular and long-lived diversity of Mahābhārata literature in South Asia.

This diversity begins with the Sanskrit Mahābhārata, an early epic poem that narrates the events of a catastrophic fratricidal war. Along the way, it draws in nearly everything else in Hindu mythology, philosophy, and story literature. The magnitude of its scope and the relentless complexity of its worldview primed the Mahābhārata for uncountable tellings in South Asia and beyond. For two thousand years, the instinctive approach to the Mahābhārata has been not to consume it but to create it anew. The many Mahābhāratas of this book come from the first century to the twenty-first. They are composed in nine different languages—Apabhramsha, Bengali, English, Hindi, Kannada, Malayalam, Sanskrit, Tamil, and Telugu. Early chapters illuminate themes of

retelling within the Sanskrit Mahābhārata itself, demonstrating that the story's propensity for regeneration emerges from within. The majority of the book, however, reaches far beyond the Sanskrit epic. Readers dive into classical dramas, premodern vernacular poems, regional performance traditions, commentaries, graphic novels, political essays, novels, and contemporary theater productions—all of them Mahābhāratas. Because of its historical and linguistic breadth, its commitment to primary sources, and its exploration of multiplicity and diversity as essential features of the Mahābhārata's long life in South Asia, Many Mahābhāratas constitutes a major contribution to the study of South Asian literature and offers a landmark view of the field of

Mahābhārata studies.

The Ramayana Penguin

An engrossing and definitive narrative account of history and myth that offers a new way of understanding one of the world's oldest major religions, The Hindus elucidates the relationship between recorded history and imaginary worlds. The Hindus brings a fascinating multiplicity of actors and stories to the stage to show how brilliant and creative thinkers have kept Hinduism alive in ways that other scholars have not fully explored. In this unique and authoritative account, debates about Hindu traditions become platforms to consider history as a whole.

Gods, Demons, and Others Penguin

UK

'A long, long time ago, in the ancient

lands of India, known in those days as Bharatvarsha, a family quarrel grew into a bloody war. There had been wars before, and there have been wars since, but that mighty battle between warring cousins of the Kuru clan has become a part of the mythology and history of India. Told and retold a million times, the story of the Mahabharata is about defeat as much as victory, about humility as much as courage. It is the greatest story ever told.' Like a modern-day suta or storyteller, Namita Gokhale brings alive India's richest literary treasure with disarming ease and simplicity. She retells this timeless tale of mortals and immortals and stories within stories, of valour, deceit, glory and despair, for today's young reader in a clear, contemporary style. A brilliant series of

evocative and thoughtful illustrations by painter and animator Suddhasattwa Basu brings the epic to life in a vibrant visual feast. Matchless in its content and presentation, *The Puffin Mahabharata* is a book that will be cherished by readers of all ages.

Jaya Penguin UK

The Romanticism that emerged after the American and French revolutions of 1776 and 1789 represented a new flowering of the imagination and the spirit, and a celebration of the soul of humanity with its capacity for love. This extraordinary collection sets the acknowledged genius of poems such as Blake's 'Tyger', Coleridge's 'Kubla Khan' and Shelley's 'Ozymandias' alongside verse from less familiar figures and women poets such as Charlotte Smith and Mary Robinson.

We also see familiar poets in an unaccustomed light, as Blake, Wordsworth and Shelley demonstrate their comic skills, while Coleridge, Keats and Clare explore the Gothic and surreal.

The Loom of Time Penguin UK

The Mahabharata is the more recent of India's two great epics, and by far the longer. First composed by the Maharishi Vyasa in verse, it has come down the centuries in the timeless oral tradition of guru and sishya, profoundly influencing the history, culture, and art of not only the Indian subcontinent but most of south-east Asia. At 100,000 couplets, it is seven times as long as the Iliad and the Odyssey combined: far and away the greatest recorded epic known to man. The Mahabharata is the very Book of Life: in its variety, majesty and, also, in

its violence and tragedy. It has been said that nothing exists that cannot be found within the pages of this awesome legend. The epic describes a great war of some 5000 years ago, and the events that led to it. The war on Kurukshetra sees ten million warriors slain, brings the dwapara yuga to an end, and ushers in a new and sinister age: this present kali yuga, modern times. At the heart of the Mahabharata nestles the Bhagavad Gita, the Song of God. Senayor ubhayor madhye, between two teeming armies, Krishna expounds the eternal dharma to his warrior of light, Arjuna. At one level, all the restless action of the Mahabharata is a quest for the Gita and its sacred stillness. After the carnage, it is the Gita that survives, immortal lotus floating upon the dark waters of

desolation: the final secret! With its magnificent cast of characters, human, demonic, and divine, and its riveting narrative, the Mahabharata continues to enchant readers and scholars the world over. This new rendering brings the epic to the contemporary reader in sparkling modern prose. It brings alive all the excitement, magic, and grandeur of the original - for our times.

Guide, The (Modern Classics) University of Chicago Press

The greatest Indian epic, one of the world's supreme masterpieces of storytelling A Penguin Classic A sweeping tale of abduction, battle, and courtship played out in a universe of deities and demons, The Ramayana is familiar to virtually every Indian. Although the Sanskrit original was

composed by Valmiki around the fourth century BC, poets have produced countless versions in different languages. Here, drawing on the work of an eleventh-century poet called Kamban, Narayan employs the skills of a master novelist to re-create the excitement he found in the original. A luminous saga made accessible to new generations of readers, The Ramayana can be enjoyed for its spiritual wisdom, or as a thrilling tale of ancient conflict. For more than seventy years, Penguin has been the leading publisher of classic literature in the English-speaking world. With more than 1,700 titles, Penguin Classics represents a global bookshelf of the best works throughout history and across genres and disciplines. Readers trust the series to provide authoritative texts

enhanced by introductions and notes by distinguished scholars and contemporary authors, as well as up-to-date translations by award-winning translators.

The Ramayana Penguin UK

Cheated of their kingdom and sent into exile by their envious cousins, the Pandavas set off on a fascinating journey. This work recounts the history of the five heroic Pandava brothers. It includes spiritual themes, and is filled with suspense, intrigue, and wisdom.

The Mahabharata is the more recent of

India's two great epics, and by far the longer. First composed by the Maharishi Vyasa in verse, it has come down the centuries in the timeless oral tradition of guru and shishya, profoundly influencing the history, culture, and art of not only the Indian subcontinent but most of south-east Asia. At 100,000 couplets, it is seven times as long as the Iliad and the Odyssey combined: far and away the greatest recorded epic known to man. The Mahabharata is the very Book of Life: in its variety, majesty and, also, in its violence and tragedy. It has been said that nothing exists that cannot be found within the pages of this awesome legend. The epic describes a great war of some 5000 years ago, and the events that led to it. The war on Kurukshetra sees ten million warriors slain, brings the

dwapara yuga to an end, and ushers in a new and sinister age: this present kali yuga, modern times. At the heart of the Mahabharata nestles the Bhagavad Gita, the Song of God. Senayor ubhayor madhye, between two teeming armies, Krishna expounds the eternal dharma to his warrior of light, Arjuna. At one level, all the restless action of the Mahabharata is a quest for the Gita and its sacred stillness. After the carnage, it is the Gita that survives, immortal lotus floating upon the dark waters of desolation: the final secret! With its magnificent cast of characters, human, demonic, and divine, and its riveting narrative, the Mahabharata continues to enchant readers and scholars the world over. This new rendering brings the epic to the contemporary reader in sparkling

modern prose. It brings alive all the excitement, magic, and grandeur of the original - for our times.

The Greatest Epic Of All Time

Mahabharata Penguin UK

The Greatest Story Ever Told Dispute over land and kingdom may lie at the heart of this story of war between cousins—the Pandavas and the Kouravas—but the Mahabharata is about conflicts of dharma. These conflicts are immense and various, singular and commonplace. Throughout the epic, characters face them with no clear indications of what is right and what is wrong; there are no absolute answers. Thus every possible human emotion features in the Mahabharata, the reason the epic continues to hold sway over our imagination. In this superb and widely

acclaimed translation of the complete Mahabharata, Bibek Debroy takes us on a great journey with incredible ease.

The Mahabharata Torchlight Pub

The Mahabharata is one of the greatest stories ever told. Though the basic plot is widely known, there is much more to the epic than the dispute between the Kouravas and Pandavas that led to the battle in Kurukshetra. It has innumerable sub-plots that accommodate fascinating meanderings and digressions, and it has rarely been translated in full, given its formidable length of 80,000 shlokas or couplets. This magnificent 10- volume unabridged translation of the epic is based on the Critical Edition compiled at the Bhandarkar Oriental Research Institute. Volume 1 consists of most of Adi Parva, in which much happens

before the Kouravas and the Pandavas actually arrive on the scene. This volume covers the origins of the Kuru clan; the stories of Poushya, Poulama and Astika; the births of the Kouravas and the Pandavas; the house of Iac; the slaying of Hidimba and Baka; Droupadi's marriage; and ends with the Pandavas obtaining their share of the kingdom. Every conceivable human emotion figures in the Mahabharata, the reason why the epic continues to hold sway over our imagination. In this lucid, nuanced and confident translation, Bibek Debroy makes the Mahabharata marvellously accessible to contemporary readers.

Ka Penguin UK

A gorgeous, lucid rendering of the majestic conclusion to the Mahabharata

As an epilogue to the greatest epic of all time, the Harivamsha further elaborates on the myriad conflicts of dharma and the struggle between good and evil. Stories abound—from the cosmogony of the universe to the legends of the solar and lunar dynasties and even a foreshadowing of kali yuga in the future. At the centre of all these magnificent tales is the mercurial figure of Krishna, whose miraculous life and wondrous exploits are recounted with vivid detail. In offering a glimpse into Krishna's life—as a mischievous child, as an enchanting lover, as a discerning prince—this luminous text sheds light on many questions left unanswered in the Mahabharata. Brimming with battles and miracles, wisdom and heroics, philosophical insight and psychological

acuity, Bibek Debroy's splendid translation of the Harivamsha is absolutely essential reading for all those who love the Mahabharata.

The Ramayana iUniverse

Kalidasa is the major poet and dramatist of classical Sanskrit literature - a many-sided talent of extraordinary scope and exquisite language. His great poem, Meghadutam (The Cloud Messenger), tells of a divine being, punished for failing in his sacred duties with a years' separation from his beloved. A work of subtle emotional nuances, it is a haunting depiction of longing and separation. The play Sakuntala describes the troubled love between a Lady of Nature and King Duhsanta. This beautiful blend of romance and comedy, transports its audience into an

enchanted world in which mortals mingle with gods. And Kalidasa's poem *Rtusamharam* (The Gathering of the Seasons) is an exuberant observation of the sheer variety of the natural world, as it teems with the energies of the great god Siva.

Shivaji iUniverse

High above the sky stands Swarga, paradise, abode of the gods. Still above is Vaikuntha, heaven, abode of God. The doorkeepers of Vaikuntha are the twins, Jaya and Vijaya, both whose names mean 'victory'. One keeps you in Swarga; the other raises you into Vaikuntha. In Vaikuntha there is bliss forever, in Swarga there is pleasure for only as long as you deserve. What is the difference between Jaya and Vijaya? Solve this puzzle and you will solve the

mystery of the Mahabharata. In this enthralling retelling of India's greatest epic, the Mahabharata, originally known as *Jaya*, Devdutt Pattanaik seamlessly weaves into a single narrative plots from the Sanskrit classic as well as its many folk and regional variants, including the Pandavani of Chattisgarh, Gondhal of Maharashtra, Terukkuttu of Tamil Nadu, and Yakshagana of Karnataka. Richly illustrated with over 250 line drawings by the author, the 108 chapters abound with little-known details such as the names of the hundred Kauravas, the worship of Draupadi as a goddess in Tamil Nadu, the stories of Astika, Madhavi, Jaimini, Aravan and Barbareek, the Mahabharata version of the *Shakuntalam* and the Ramayana, and the dating of the war based on

astronomical data. With clarity and simplicity, the tales in this elegant volume reveal the eternal relevance of the Mahabharata, the complex and disturbing meditation on the human condition that has shaped Indian thought for over 3000 years.

The Teachings of Bhagavad Gita

Penguin Random House India Private Limited

The essential guide to twentieth-century literature around the world For six decades the Penguin Modern Classics series has been an era-defining, ever-evolving series of books, encompassing works by modernist pioneers, avant-

garde iconoclasts, radical visionaries and timeless storytellers.
