Dirty Nasty Freaks

Fallen Men Series

I'm an outcast and a loner, named for death itself. Fate wasn't supposed to have plans for me. But then she came back—the girl I once kissed in a thorn-covered chapel in the woods. She came back, and I could no

more resist her than I could pry out my own heart. And by some trick of fate, she wants me as much as I want her. The only problem? She also wants the man who owns Thornchapel, Auden Guest. And so do I. Eight years ago, I did something to Auden, something terrible. He hurt me back the only way he knew how, and so here we are: our hatred seasoned with pain and my loneliness seasoned with longing. The only thing we can agree on is Proserpina Markham, and she wants

us to find a way to be together—all three of us. If Auden wants to earn her as his submissive, then he has to earn me as well. But with the discovery of bones behind the altar and the carnal revel of Beltane fast approaching, it's becoming clear that Thornchapel's secrets are much deeper and older than any of us could have ever guessed. And no matter how bright and merry a feast of sparks may be, it's always followed by ashes. And darkness.

The Punishment of Ivy

Leavold Elizabeth Schechter Bastien is a vampire on vacation, and like any other vampire on vacation, all he wants to do is sleep all day and drink lots of wine. (And maybe some blood too. You know. If the opportunity arises.) Which makes it very irritating when a vampire-hunting priest wakes him up at a super bright and sunny hour to kill him. But it turns out that this vampire hunter happens to be very handsome. And Bastien happens to be so

very thirsty... This edition includes a sneak peek of the upcoming novel *Saint*, coming everywhere this fall! *Sanguine* was originally published in the *Australia* anthology in 2020.

Playmaker Sierra Simone I can't have Elijah Iverson. I can't have him because he's my older brother's best friend. I can't have him because I broke his heart five years ago; because he's now engaged to someone else—someone kind and dependable who deserves his whiskey eyes, his soft

mouth, his fierce intellect. I can't have Elijah because I've chosen God instead. The Bell brothers, though . . . well, we don't exactly have the greatest track record with vows. But I'm determined to do this monk thing right—to pledge myself to a cloistered life and spend the rest of my years in chastity and prayer. But now Elijah's here. He's here and he's coming with me on my European monastery road trip, and between the whispered confessions and the stolen kisses and the

moments bent over an ancient altar, my vows are feeling flimsier by the day. And vows or not, I know in my heart that it would take more than a good and holy monk to resist Elijah Iverson right now. It would take a saint. And we all know that I'm no saint. (This is the third full-length standalone in the Priest Collection, featuring Father Bell's brother, Aiden Bell. You do not have to read *Priest* or *Sinner* to read *Saint*.)

The genius and the sunshine girl. As children, we fought bitterly and often, bickering every chance we got. But then we grew up. Then we came back. Delphine Dansey carries her heart

on the outside of her body; she's looking for love and chasing dreams. She's spoiled and selfish, the kind of beautiful that's made for money and fame. But somehow she's ended up in my keeping: a pretty submissive I can't seem to resist, a lover who obsesses and tempts me. I thought I'd locked my heart away a long time ago, along with all my other weaknesses. But some doors won't stay closed, no matter how hard I fight to keep them shut. She unravels me, just like our friends are

good at following rules. Until she came. Then I learned new rules. My name is Tyler Anselm Bell. I'm twenty-nine years old. Six months ago, I broke my vow of celibacy on the altar of my own church, and God help me, I would do it again. I am a priest and this is my confession.

Misadventures of a Curvy Girl Sierra Simone

Twelve years ago, our fates were sealed with a kiss. We are all, for better or worse, doomed to love each other until death do us part. My heart belongs to Proserpina and St. Sebastian—even if he no longer wants it. Even if she has left it behind to follow him. Delphine's fled back home, and Becket's holy calling is in peril. And now only Rebecca and I remain at Thornchapel to face the unknown. The door is open. The door that shouldn't exist; the door that people have died to close. I don't feel

like the lord of the manor. I don't feel like a king or a wild god. I am a friend and a boyfriend and a brother—and a failure at being all of these things. But the door doesn't care about my guilt. It only cares about the sacrifice I'll make to close it. As the bruising dark of Samhain approaches, so does the fate of our circle, of Thornchapel and the village and the valley beyond it. And I must don the crown, because one thing is still true, even if I must face it alone. Here at Thornchapel, the kings

must go to the door. Here at Thornchapel, all kings must die.

Need You Now Sierra Simone

They say that every tragic hero has a fatal flaw, a secret sin, a tiny stitch sewn into his future since birth. And here I am. My sins are no longer secret. My flaws have never been more fatal. And I've never been closer to tragedy than I am now. I am a man who loves, a man whose love demands much in return. I am a king, a king who was foolish enough to build a

kingdom on the bones of the past. I am a husband and a lover and a soldier and a father and a president. And I will survive this. Long live the king.

bad he made me feel like a rejected fool the first night we met. But that doesn't stop me from accepting his offer to become his fake girlfriend, because he has skills that I need. Only Callan can help me improve my game and make the USA women's hockey team. I try to keep despising him, but he keeps proving my first impression was wrong.
