Surviving an Affair Fleming H. Revell Company

From #1 New York Times bestselling author Holly Black, comes the first book in a stunning new series about a mortal girl who finds herself caught in a web of royal faerie intrigue. Of course I want to be like them. They're beautiful as blades forged in some divine fire. They will live forever.

And Cardan is even more beautiful than the rest. I hate him more than all the others. I hate him so much that sometimes when I look at him, I can hardly breathe. Jude was seven years old when her parents were murdered and she and her two sisters were stolen away to live in the treacherous High Court of Faerie. Ten years later, Jude wants nothing more than to belong there, despite her mortality. But many of the fey despise humans.

Especially Prince Cardan, the youngest and wickedest son of the High King. To win a place at the Court, she must defy him--and face the consequences. In doing so, she becomes embroiled in palace intrigues and deceptions, discovering her own capacity for bloodshed. But as civil war threatens to drown the Courts of Faerie in violence, Jude will need to risk her life in a dangerous alliance to save her sisters, and Faerie itself.

Love Busters Revell

The unfortunate reality is that Christians are separating and divorcing at the same

rate as the unbelieving world. But does separation have to mean the end? You may not feel like reconciling. You may not see hope for a reunion. But the biblical ideal for a separated couple is reconciliation. So how do you do it? When doors slam and angry words fly, when things just aren't working out, and even when your spouse has abandoned your trust, there is hope. Hope for the Separated will show you through God's Word that your marriage can be restored. Recognizing that restoration will not happen for everyone, Dr. Chapman also gives insightful advice for those who experience the pain of divorce.

His Needs, Her Needs Revell

Offers the counsel of biblical advice and principles to the triumphs and problems of marriage.

In many Christian circles this may be a taboo subject-spoken of in hushed tones or behind closed doors. But it is a very real problem that must be brought into the light of Scripture. Abuse in the church takes different forms, but it is alive and active even in "nice" families in our

churches. Typically, the abuser is male, usually a husband--and his character is that of a manipulating deceiver! Countless women and children even many faithful pastors--have been abused by these deceivers. Have you, or someone you know, been a victim? Has an abuser: Threatened physical violence if he does not get away? Intimidated you with abusive language? Denied you affection? Denied you medical attention? Manipulated friends and acquaintances in order to gain allies? Pastor Jeff Crippen uses his over thirty years of experience to rip the lid off this most insidious behavior that is often hidden in plain sight. He not only maintains that Bible believing churches have ignored or failed to face the problem, he insists that when they do counsel a victim of abuse, they get it all wrong! The result is that the victim gets pulled into deeper-even life threatening-danger! This book will come as a life-saver in a raging sea for those under the thumb of an abusive spouse of "friend". The Lord Jesus Christ wants you to be free in him: spiritually, emotionally, and, yes, physically. Every pastor also needs to read this book, either because they too have

been a victim, but, more importantly, so that they properly counsel those caught in a cycle of abuse.

Please note: This is a companion version & not the original book. Sample Book Insights: #1 In 1978, I was asked to teach a thirteen-week course on marriage at my church. The topic was: what must a couple do to stay happily married. The book that resulted from this course, His Needs, Her Needs, was a bestseller and continues to be one of the most popular books on marriage today. #2 The beginning of the end of the traditional nuclear family in America was in 1960, when I was 19 years old. I had been trying to become a marriage expert, but almost everyone else working in the field was failing as well. #3 I learned that the feeling of love was what kept couples together. If I wanted to save marriages, I would have to learn how to restore the feeling of love. #4 I learned that the feeling of love is a learned association, and that it is triggered by the presence of a person of the opposite sex. I was able to help many couples fall in love and avoid divorce by helping them identify what their partners needed to make them happy.

The Billionaire's Baby Revell

This book, written by a survivor of domestic abuse, explains the dilemmas of abuse victims, carefully examines the Scripture and scholarly research, and shows how the Bible sets victims of abuse free from bondage and guilt. Key concepts are: The Bible distinguishes between "treacherous divorce" and "disciplinary divorce", prohibiting the former and permitting the latter in serious cases of abuse, adultery or desertion. If the offending partner was sexually immoral, or abused, deserted, or unjustly dismissed the other, and has been judged to be "as an unbeliever," the Bible allows the non-offending, mistreated partner to remarry.
