Introduction to Management Accounting Prentice Hall

For undergraduate or MBA-level managerial accounting courses. An essential tool for understanding how to make effective economic decisions. In today's troubled economy, it's important to show students how managerial decisions can affect business costs. Introduction to Management Accounting helps to enhance students' ability to make effective economic decisions by encouraging them to understand the inner-workings of the concepts, rather than solely focusing on technique memorization. Overall, this text describes both theory and common practices in a way that will help students produce information that's useful in day-to-day decision-making. The fifth edition includes new and revised material on real-businesses and ethics.

Introduction to Management Accounting: Chapters 1-14 with MyAccountingLab Introduction to Management Accounting New edition of a text that introduces the theory and practice of management accounting. With a focus on planning and control decisions, it deals with nonprofit, retail, wholesale, selling, administrative situations, and manufacturing. The 19 chapters cover decision making, accounting for planning an Introduction to Management Accounting

Introduction to Management Accounting Pearson/Education

Make the right decisions with Horngren/Sundem/Stratton! Horngren/Sundem/Stratton's best-selling texts emphasize decision-making throughout each chapter. Decision-making is introduced in the early text chapters and also appears in many of the text features: "Making Managerial Decisions" boxes, critical thinking exercises, and more. As always, students develop a solid understanding of costs and cost behavior and the use of cost information for planning and control decisions, not just inventory valuation. Two text versions enable faculty to select a text that only covers management accounting concepts (Chs. 1-14) or one that includes three chapters of financial accounting review (Chs. 1-17). New OneKey provides the convenience of having all text resources in a single location and available in your choice of course management platform: BlackBoard, WebCT, and CourseCompass. OneKey also includes PH Grade Assist on-line homework with automatic grading and infinite practice for students).
